

Trustee Report for October, 2015

The following report will include highlights of the beginning of the new school year 2015/2016.

Hasting Prince Edward District School Board has approved the Multi-Year Annual Accessibility Plan for 2015/2016 school year which is part of a five year plan that deals with barriers to persons with disabilities and incorporates plans for the next five years.

The Board is in a continual process of reviewing Policies of the Board which requires the Director bringing forward recommendations to update these polices where necessary for the Board (Trustees) to approve.

Hasting Prince Edward District School Board has also approved the 2015-2020 Strategic Plan in September. The draft 2015-2020 Strategic Plan had been available to Trustees, employers, students, families and community for review and feedback, all of which was considered in making final revisions to the draft plan. The Strategic Plan provides the basis for the direction and decisions of the Board and can be viewed on the HPEDSB website.
