Hydro One Customer Care Consultants will be coming to MBQ to sit with individuals to help you understand your bills including the costs of delivering electricity to you.

#### Information to be covered

- the cost of supplying power
- and programs that may apply to you!

#### Bring Your Bill

- Does your bill include HST? If it does bring your bill and the representative will make changes to your account so your account is 'tax exempt.' Bring your status card too!
- If you have problems with your bill, Hydro One staff, will be available to answer your questions, and work with you to resolve issues.

NOTE – behind a bit on your bill? No worries, they are ONLY here to help you with the HST and available programs.

---

*Please remember to bring your status card and Hydro One bills with you.*
