The Canadian Food Inspection Agency (CFIA) issues public advisories and email notifications for food recalls for all high-risk food recalls (mainly Class I) when the product is available for sale or could be in consumers' homes.

All other recalls (Class II and III), and food products that are sold exclusively to restaurants, are posted on the CFIA's Food Recall Report. Email notifications are also available for all allergen recalls.

Food and consumer product recalls are also available at www.healthycanadians.gc.ca.
