The Canadian Food Inspection Agency (CFIA) issues public advisories and email notifications for food recalls for all high-risk food recalls (mainly Class I) when the product is available for sale or could be in consumers' homes.

All other recalls (Class II and III), and food products that are sold exclusively to restaurants, are posted on the CFIA's Food Recall Report. Email notifications are also available for all allergen recalls.

Food and consumer product recalls are also available at www.healthycanadians.gc.ca.

Report an Incident Involving a Consumer Product or a Cosmetic

Health Canada is interested in receiving reports of incidents (health and safety complaints) or injury reports related to consumer products and cosmetics. If a health or safety incident occurs with a product you use, you should report it to Health Canada.

For more information on the incident report form, visit: www.healthcanada.gc.ca/reportaproduct

Through the CPS mailing list, you will be informed when new information, consumer advisories and warnings, consumer product recalls, and consultation documents regarding Consumer Product Safety are posted on the Health Canada Web site.
