Thank you, Lands Department

ATTENTION MORTGAGE HOLDERS

It has come to our attention that many insurance companies will ONLY notify the MOHAWKS OF THE BAY OF QUINTE if your existing house insurance policy has been cancelled, but will NOT when the policy has been renewed. This creates a problem when incentives, rewrites and renovations are requested. You will not qualify if your house insurance policy on file is not up to date. In order to ensure your policy is current, we ask that you mail, fax or deliver renewal form when received.

JULY 2 – MBQ OFFICES will be CLOSED

KIDS ONLY

For kids grade 8 and under ONLY..

Being fit is a way of saying a person eats well, gets a lot of physical activity (exercise), and has a healthy weight. If you're fit, your body works well, feels good, and can do all the things you want to do, like run around with your friends.

Drink Water & Milk

When you're really thirsty, cold water is the **best** thirst-quencher. Kids need calcium to build strong bones, and milk is a great source of this mineral. You probably will want something other than milk or water once in a while, so it's OK to have 100% juice, too. But try to limit sugary drinks, like pop, juice cocktails, and fruit punches. They contain a lot of added sugar. Sugar just adds calories, not important nutrients.

5.Be Active

One job you have as a kid (and it's a fun one) is that you get to figure out which activities you like best. Not everyone loves baseball or soccer. Maybe your passion is karate, or kickball, or dancing. Ask your parents to help you do your favorite activities regularly. Find ways to be active every day instead of watching TV or playing computer games!

Question of the month

If you have read June's **Kids Only** and know the answer to the question of the month send your answer to denisel@mbq-tmt.org with the **subject line question of the month** and you name will be entered in our monthly prize draw! Answer by JULY 26 draw the 27th

SUN SAFETY

1. **WEAR A HAT**— *Preferably a bucket hat which will cover your ears , neck and face*

3. **PUT ON SUNSCREEN**—*SPF 30 or higher to protect your skin*

4. **COVER UP**—*wear loose clothes to cover your arms and legs*

Understanding the UV INDEX

Environment Canada's UV Index is a useful tool when it comes to sun protection. IT tells you the strength of the suns daily UV Rays– the higher the number the stronger the suns rays and the more important to protect yourself

You can find the UV Index in your area by checking the local weather forecast.

The UV Index below tells you what each level means and how to protect yourself

0-2 Low - Minimal sun protection required for normal activity If your outside for more than one hour, wear sunglasses, cover up, use sunscreen Reflection off snow can nearly double UV strength, so wear sunglasses and apply sunscreen on your face
3-5 Moderate - Take precautions—cover up, wear hat, sunglasses and sunscreen (especially if you're outside for 30 mins or more) Look for shade around midday
6-7 High - You need protection—find shade, get out the sunscreen, hats, sunglasses and cover up. Unprotected skin can be damaged and burn quickly Try and stay out of the sun between 11 am and 4 pm
8-10 Very High - Extra precautions required— find shade, cover up, wear hat, sunglasses and sunscreen. Unprotected skin will be damaged and burn quickly If you can, avoid the sun between 11am and 4pm
11+ Extreme - This is very rare in Canada. Maximum protection is required Avoid sun between 11am—4pm Stay in the shade, cover up, wear a hat, sunglasses and sunscreen because white sand and other bright surfaces reflect UV and increase UV exposure Unprotected skin will be damaged and can burn in minutes

MOHAWK FAIR

The Canadian Motorcycle Cruisers (CMC) are holding a National Rally in our area on the weekend of August 3-6 this summer. They are paying rental fees for the Community Hall and Mohawk Fairgrounds. In addition they have hired local people from the Territory to be craft vendors and provide food, as well as a few food trucks. Canadian Motorcycle Cruisers are NOT a gang.

Canadian Motorcycle Cruisers (CMC) are a National, All Canadian, Internet Based, Riding Club with a membership of 5000, that has for over a decade, been providing motorcycle riders of various skill levels from beginner and up the very safe road experience riders desire for themselves and their families. The CMC are represented by local chapters that exemplify the rich culture and diversity of Canada, welcoming all makes and models of motorcycles.

The organizers of the rally are the members of the Napanee Chapter with several residents being from Deseronto, including The Reverend Tim Milley. The attendance expected at the Rally is about 350 participants. During the days of the Rally small groups will ride to sight see all across the Hastings, Prince Edward and Lennox and Addington areas. During the evening some will camp at the Fairgrounds. Dear Community Members,

As you know, the child welfare system has and continues to harm our children, families and communities. For too long our children have been removed from their families and communities and placed with non-Indigenous families. This must end.

Much work is under way nationally and provincially to redesign the child welfare system to make it more responsive to the needs of our children and communities. To that end, our Leadership, along with the Association of Iroquois and Allied Indians Leadership, would like your input on what community control over child welfare means to you, and what it could/should look like in the future.

Please take a few minutes to answer this brief survey on the current and future state of child welfare for our community. https://form.simplesurvey.com/f/l/child-welfare-reform
The survey will be available until August 1.

In Loving Memory Daddy

Daddy, some days I can hear your voice and I turn to see your face;
Yet in my turning...it seems the sound has been erased.
Who will I turn to for answers when life does not make sense;
Who will be there to hold my close when I'm feeling very tense.
Oh, daddy, if I could turn back time and once more hear your voice;
I'd tell you that out of all the daddy's you would still be my only choice.
Please always know I love you and no one can take your place;
The years may come and go buy your memory will not be erased.
Today, Jesus, as You are listening in your home up above;
Would you go and find my daddy and give him all my love.

Love Stephanie & Jake,
Shannon & Jamie, Chris & Alicia

"Husband"

To my precious husband
each day I miss you more
as I picture you at the kitchen table
or coming through the door.
I miss our talks and the special way
that you would always understand
I miss the closeness that we shared
and how you'd hold my hand.
My love is always with you
even though you went away
I find myself looking back daily
to so many happy days.
But I have been a real trooper
trying to get by the best I can
just know that even from heaven
you'll always be my man.

Love you forever,
Your wife Bridget XOXO

Broken Chain

We little knew that morning that God was going to call your name. In life we loved you dearly, in death we do the same.

It broke our hears to lose you, you did not go alone; for part of us went with you, the day God called you home.

You left us peaceful memories, your love is still our guide; and though we cannot see you, you are always at our side.

Our family chain is broken, and nothing seems the same; but as God call us one by one, the chain will link again.

Love - Ayden, Mikel, Bentley, & Paige

"They are protecting the seeds at the Bay of Quinte"

A Birth Story...

When a baby is born, it is important and proper for the parents to welcome them to the earth so that they have a good life. The Mohawk people believe that it is necessary to have a name prepared for the baby so that the baby will know their family, their people and also the entire world as soon as they arrive here. Also, the entire world will know the baby and will support the baby throughout their lifetime with their power and support for however long the person will be on the earth. So they will say a speech to the baby as soon after that they have been born as is possible to welcome them. So, when they are born they are the most clear-minded and this is the most "Powerful & Vulnerable time". The first few minutes of birth sets the stage for its entire life and our people understand this.
