### Kelly (Brant) Maracle for Council

My name is Kelly (Brant) Maracle and I hope you will take a few minutes to read what I am about. If you would like to find out more or share your ideas or concerns about our community, I hope you will reach out. My contact information is below.

My interest in being a councillor goes back to when I was quite young. I have spent my whole life and career trying to soak up what it is to be a community member, a contributor and a public servant. I have focused the latter part of my life with achieving my education in public administration and governance which I feel gives me a strong hold on how things work, not just within our government, but how we need to interact nation to nation and with other governments. If you want to find out more about what I can bring to the table, please visit my website [www.m-powerconsulting.ca/kelly4council](http://www.m-powerconsulting.ca/kelly4council)

But now a little bit more about who I am....

I am the daughter of Dale Brant (son of Mavis and Harold Brant) and Kathleen Brant (daughter of Bob and Joan Barnhart). I have been around long enough to know that pointing out my parents and grandparents is an important way to help figure out who I am. I am married to Mike Maracle, the son of Ron and Mary Maracle and together, we have raised our 3 children, Keelan, Kennedy and Ryan, in our home on the Slash. I also have 1 grandson who I could gush about for days.

It is those four faces that inspire me to run for Council and to do my best to make Tyendinaga a place we can all be proud of.

I have lots of ideas, but I also think a good elected leader marries their ideas with the will and desire of the people, therefore, I need to hear from you!

Please contact me so we can get together and chat about what we can do over the next two years!
