

Shé:kon, my name is Lynda Leween and I was born into the Bear Clan by Daniel (Dick) and Iva (Honey) Leween. I was born and raised on the Tyendinaga Mohawk Territory with nine siblings and many aunties and uncles. I have two sons and I am a grandmother to four. I have dedicated my life to my family and the people of our community by taking the time to listen and be a friend to all. A bookkeeper by trade, I am also a current member of the Native Women's Association and a founder of the Grass Roots Fund. In my spare time I try to help others as much as I can and the best way to achieve this is by

becoming a Councillor. As an elected representative, I want our community to not only prosper, but to give the People the power of speech. This election is a chance to have your voice heard by electing someone who shares your view of the future of Tyendinaga.

Share your ideas or ask questions by contacting me via email at: lynda4council@yahoo.com or text or call me at: 613-243-6922. Together we can make a difference!
