STATEMENT – MAY LONG WEEKEND

May 15, 2020 – The COVID Response Team would like to thank the community for all the safety precautions being taken. We know it is hard not to see your family members and friends. As the long weekend is here and there is the potential for a bit warmer weather we would like to remind everyone that this is not the time to let our guard down. We need to maintain physical distancing and not visit with those outside of our households. We have been putting up a good fight and we need to continue to remain vigilant. The sacrifices we are making are protecting our elders and the most vulnerable people in our community.

As we continue to deal with COVID-19, we have made the decision to have the 2020 Mohawk Landing on-line. A program will be in your mail next week in advance of our May 22, 2020 on-line event.

Our boat launches continue to be restricted to member use only. We also continue to ask cottagers and campers to remain in their primary residences and not come to their seasonal properties.

Be safe, stay home and save lives.
