Transportation Program: Transportation to our programming is provided to seniors without their own means of transportation. This is a non-emergency service focused on transportation to Home Support programs and essential community services such as banking, post office and grocery shopping. Examples of this service may include; runs to Deseronto, monthly shopping trip, social programs, day trips.

Home Maintenance Program: Assistance can be provided for household tasks beyond the individual's capability that do not require a licensed professional or fall under the scope of duties of a Personal Support Worker. Examples of this service may include: grass cutting, painting, window washing.

Social & Recreational Programs: Provides supervised activities for seniors in a group setting. Examples of this service include: ceramic classes, wii bowling, scrapbooking, day trips and seniors fitness programming.

"They are protecting the seeds at the Bay of Quinte"

A Birth Story...

When a baby is born, it is important and proper for the parents to welcome them to the earth so that they have a good life. The Mohawk people believe that it is necessary to have a name prepared for the baby so that the baby will know their family, their people and also the entire world as soon as they arrive here. Also, the entire world will know the baby and will support the baby throughout their lifetime with their power and support for however long the person will be on the earth. So they will say a speech to the baby as soon after that they have been born as is possible to welcome them. So, when they are born they are the most clear-minded and this is the most "Powerful & Vulnerable time". The first few minutes of birth sets the stage for its entire life and our people understand this.

One year ago you left this world and started your new journey into the sky world. Your loved ones up above are so lucky to have you with them. I bet you are keeping them all entertained with your stories, jokes, guitar playing and singing. I sure do miss hearing you play and sing. I miss your voice, I miss you, everything about you!

There isn't a day that goes by when you are not thought of or spoken about. You will always be remembered and missed by your kids, siblings, in-laws, nieces, nephews, family and friends.

Most of all, you are missed by me! Keep looking after all of us and keep a special eye on those grandbabies.
