

TYENDINAGA RESERVE NEWSLETTER  
April 26, 1985

CLEAN-UP WEEK

Will be from May 6 to May 10, 1985. Please call the Band Office and leave your name for garbage pick-up - 396-3424.

GENERAL MEETING

Please be advised that a general meeting scheduled to be held on Monday, April 29, 1985 has been cancelled. This meeting was to be held regarding Membership, but there has been no final approval received and no new information.

GRASS CUTTER

Applications are now being received for grass cutter. Applications may be picked up at the Band Office. Closing date for applications -- Monday, May 6, 1985 at 4:00 p.m.

ART SHOW

If there are enough people interested, an art and craft show may be held for the Mohawk Landing. The arts and crafts can be for display or for sale. If interested, please contact Dennis Lewis at the Band Office - 396-3424.

TYENDINAGA YOUTH ASSOCIATION ACTIVITIES

- |               |   |  |
|---------------|---|--|
| May 5, 1985   | - | Garbage-a-thron-9:00a.m. - 1:00p.m.<br>we will be cleaning as many roadside<br>ditches as we possibly can. |
| May 26, 1985  | - | Gigantic Yard Sale - 9:00a.m. - 1:00 p.m.<br>across from Mohawk Community Centre                           |
| May 31, 1985  | - | Teen Dance - 8:00 p.m. - 12:00 a.m.<br>Mohawk Community Centre - DJ-Tim Brant                              |
| June 21, 1985 | - | Teen Dance - 8:00 p.m. - 12:00 a.m.<br>Mohawk Community Centre - DJ-Tim Brant                              |

These young people are taking the initiative to plan and co-ordinate activities which will benefit the whole community.

They need your support and encouragement in order to be effective in their future endeavours.

AWARENESS PROGRAM

To be held at the Mohawk Community Centre on Tuesday, May 7, 1985 at 7:30 p.m.

Guests will be: Maurice LaForme, Drug & Alcohol Consultant, London, Ontario  
Corporal Horlick, RCMP, Belleville, Ontario  
Dr. Clare C. Brant, M.D., F.R.C.P. Psychiatrist in private  
practise

These people have been invited to share some of their knowledge and expertise in the area of substance dependency.

Refreshments will be served.

EVERYONE WELCOME.

RECRUITMENT SEMINAR

There will be a recruitment seminar held at the Mohawk Community Centre on Tuesday, June 11, 1985 at 7:00 p.m. The people will be from the Public Works office in Ottawa. They are looking to train people for a Building System Technician. The position will be school part-time and work part-time, with a job guaranteed at the end of the training program.

PLEASE PLAN TO ATTEND.

HOUSE FOR RENT

2 bedroom located on the Slash Road. Please apply at the Band Office.

EMPLOYMENT OPPORTUNITY

Part-time Lands Secretary to work 20 hours per week. Salary will be set by Band Council. Applications may be picked up at the Band Office. Closing date for applications will be Friday, May 10, 1985 at 4:00 p.m. For further information, please contact the Band Office.

DOG TAGS

Are now available at the Band Office. Anyone owning a dog should pick up a tag.

---

In September, 1986, Hastings County will host the Seventieth edition of the International Plowing Match. This prestigious event will take place on farms situated just North of the Village of Stirling. The five day competition and show is expected to draw almost 150,000 visitors, 200 competitors and over 400 exhibitors. Hastings County will thus have an ideal opportunity to welcome these visitors, and to show them the many different aspects from North to South that make our County unique.

## RULES OF THE COMPETITION

1. Competition is open to any property owner in Hastings County.
2. A participant can enter one class only.
3. A farmstead is defined as that part of a farm of ten acres minimum comprising of the entrance, the buildings and lot immediately surrounding the buildings.
4. All classes will be judged on two bases:
  - a) MOST IMPROVED for those who enter before June 1, 1985.
  - b) MOST ATTRACTIVE (already improved) with a deadline for entry by July 1, 1986.
5. The entry fee is \$20.00 payable with the application to:

Hastings International Plowing Match, 1986  
P.O. Box 127  
Stirling, Ontario K0K 3E0

## THE RURAL AND URBAN BEAUTIFICATION COMPETITION

This competition, sponsored by the Ontario Plowmen's Association, is one of the most important and far-reaching events of the Plowing Match. It culminates in an awards banquet for all participants which takes place the week before the Plowing Match itself.

The main aim of the Competition is to encourage all home-owners in Hastings County, both rural and urban, farmers and industrial and commercial firms to upgrade the appearance of their homesteads, homes or commercial areas by clean-up, paint-up, plantings, flower beds or other horticultural improvements.

Participants are divided into categories so that each entry has an equal chance to win one of the many attractive prizes that will be awarded after the final judging. As well, each participant will be given a suitable memento of the occasion.

Pictures of the entries will be on display at the County booth all during the week of The Plowing Match.

**CLEAN UP • PAINT UP • PLANT UP**

### OFFICIAL ENTRY FORM

#### HASTINGS RURAL & URBAN BEAUTIFICATION COMPETITION • 1985-86

I wish to enter the Competition in the following category:

- MOST IMPROVED     FARMSTEAD     RURAL HOME     URBAN HOME  
 MOST ATTRACTIVE (already improved)     PIONEER LOG HOME (over 50 years old)     INDUSTRIAL/COMMERCIAL

NAME \_\_\_\_\_ TELEPHONE \_\_\_\_\_

ADDRESS \_\_\_\_\_

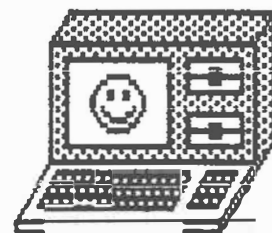

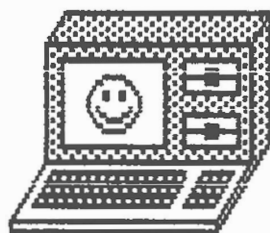

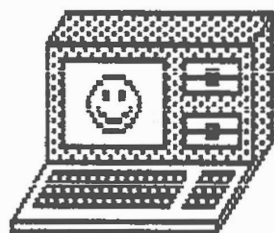

MUNICIPALITY \_\_\_\_\_ LOT \_\_\_\_\_ CONCESSION \_\_\_\_\_

Date \_\_\_\_\_ Signature \_\_\_\_\_

Send entry fee (\$20.00) payable to HASTINGS INTERNATIONAL PLOWING MATCH 1986 to:  
HASTINGS RURAL & URBAN BEAUTIFICATION COMMITTEE,  
P.O. BOX 127, STIRLING, ONTARIO K0K 3E0

VOLUNTEERS/TRAINEES  
DESPERATELY NEEDED

TO SUPERVISE CHILDREN  
BETWEEN THE AGES OF 8 & 14

THREE AFTERNOONS A WEEK  
FROM 3:30 - 5:00

IF INTERESTED. PLEASE CALL  
LYNN MARACLE, 966-6984

## THE TYENDINAGA COMPUTERS AND CHILDREN PROJECT

### WHAT IS IT?

This project is sponsored by the MINISTRY OF CITIZENSHIP and CULTURE, and by THE MOHAWKS OF THE BAY OF QUINTE BAND COUNCIL.

The purpose of the project is to provide the children of Tyendinaga with access to microcomputer technology. The Ministry has purchased 15 IBM PC jrs and a printer for the use of the project, and the Band Council has provided funds for operational support, in the initial stage.

This program is designed to provide opportunities for children for creativity, information processing and problem solving while fostering fun, enjoyment and sense of positive self worth.

The goals of this project are as follows:

- 1.0 To provide opportunities for children to have "free access" to computers. (This is a project requirement with a minimum of 14 hrs per week, per machine.)
- 2.0 To provide a non-structured, stimulating learning environment for children.
- 3.0 To provide interested children with opportunities to use computers to improve problem solving skills.
- 4.0 To acquaint children with the power of computers as an aid to creative problem solving and information processing.
- 5.0 To provide opportunities for all members of the Tyendinaga community to become familiar with computer operation and uses.

### HOW DOES IT WORK?

Children come into the computer center three nights per week, after school between 3:30 and 5:00. During this time they primarily use Logo. (This is a programming Computer Language designed for use by children) This involves very little formal teaching. It is important that children be given large amounts of time for "real discovery". The students are introduced to the basic commands and are provided with activities which give opportunities to extend their creativity.

### HOW CAN I HELP?

Volunteers are needed to expand the program to realize more of the potential benefits to the community. Presently the coordinator's position involves setting up new programs while maintaining the existing ones.

Volunteers will provide supervision services for the programs that exist and will allow expansion of the time available to the community and its children with the computers.

The maximum time involved for volunteers would be five hours per week supervising children between the ages of 8 and 14 after school. It is quite possible that the number of hours volunteered may be less than the five hour maximum.

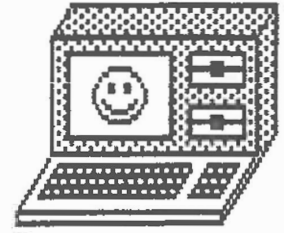

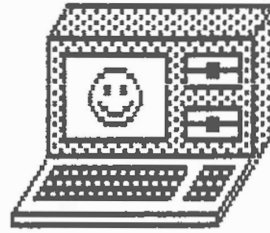

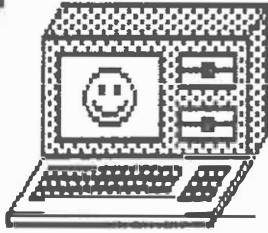

### DO I NEED COMPUTER TRAINING OR EXPERIENCE?

No training or experience is required. The coordinator will insure that you receive all of the assistance and training necessary to carry out the duties involved with the program.

### WHO DO I CONTACT?

Please contact the coordinator:

## FIRST NATIONS TECHNICAL INSTITUTE UPDATE

### WHAT IS THE FIRST NATIONS TECHNICAL INSTITUTE ?

You may have been wondering about what is happening with the band's proposal to build a technical institute on the reserve to provide "high-technology" training for the Indian People of Ontario. The original proposal was turned down by the (then) Minister of Employment and Immigration, John Roberts. The band tried to appeal this decision but the election and change of government prevented the issue from being reconsidered. Since the election, members of the Institute Steering Committee have been meeting with officials from the Department of Indian Affairs to pursue funding for the college. As a result of this lobbying, sufficient funds were given to the Mohawks of the Bay of Quinte to offer four three-day training courses in computer operation under the banner of the First Nations Technical Institute.

The first course was offered to Department of Indian Affairs managers and the next two courses were for employees of bands in Ontario. The training was provided to members of the Mohawks of the Bay of Quinte staff and bands from Peterborough, James Bay and Sudbury Districts. The last course is a special project between Peterborough District Office and the Mohawks of the Bay of Quinte on using computers to send mail over the telephone lines. The quality of the courses is reflected in the favourable evaluation forms completed by the students. Bruce Millar and Dave Wilson were the instructors at these courses at the Ramada Hotel in Belleville.

### A HOME FOR THE FIRST NATIONS TECHNICAL INSTITUTE ?

We are presently meeting with Department of Indian Affairs officials from Toronto and Ottawa to secure sufficient funding to continue offering these training seminars to band and Department staff. As soon as the new offices next to the Band Office are completed and renovated, the courses will be offered there. A proposal has been submitted to the Government to fund the building and equipping of a permanent home and residence for the First Nations Technical Institute over the next three years.

### LOYALIST COLLEGE OF APPLIED ARTS AND TECHNOLOGY

During the two years that the band has been working on the proposal, Loyalist College members have been lending us their support. It is now agreed that the graduates of any standard training course from the First Nations Technical Institute will receive Loyalist College Certificates and Loyalist College will appoint some members to the Board of Governors of the First Nations Technical Institute. This affiliation with an established college will be the first such arrangement in Canada to allow an Indian Training Institute to offer certified courses on a reserve. The exact type of courses (Diploma and Certificate) to be offered in the future have not been determined although they will likely be related to computers and Band Management. In addition, preliminary discussions are underway to carry out a number of special projects.

## WHAT WILL BE HAPPENING NEXT?

During this year we hope to be offering more short training courses to the employees of other Bands in Ontario as well as to the Department of Indian Affairs staff. At least one non-semestered diploma course in word-processing or some other facet of office use may be operational by the end of 1985. Other special courses may be delivered to meet specific training needs by bands. Hopefully, the equipment will be able to be used at other times to offer courses of interest to band members - word processing, home accounting, programming etc. It is hoped that the Computers and Children Project will also be able to make use of the equipment when courses are not being offered. As soon as plans are definite, you will be informed.

## FIRST NATIONS TECHNICAL INSTITUTE LOGO CONTEST

With all of the activity regarding the First Nations Technical Institute, there is a need for a logo or crest to be used on the letterhead, signs etc. of the Institute. The band has decided to sponsor a contest to design a logo for the First Nations Technical Institute. The rules are as follows:

- 1.0 The contest is open to all members of the Mohawks of the Bay of Quinte Band.
- 2.0 Entries should be submitted to the Band Office by **May 15, 1985**.
- 3.0 All entries should be submitted on standard 8 1/2 by 11 inch white paper.
- 4.0 Each entry should be clearly marked with the identity and telephone number of the designer.
- 5.0 The design should incorporate traditional symbols with the name First Nations Technical Institute or be a stylized version of the initials.
- 6.0 Up to three colours may be employed in the design.
- 7.0 Judging of the entries will be done by a panel chosen by the Band Council.
- 8.0 The designer of the winning entry will receive a \$100 prize.
- 9.0 GOOD LUCK !

# How to Ruin a Child

by RICHARD SANDS (P.C. 3717)

1. Begin with infancy to give the child everything he wants. In this way he will grow to believe the world owes him a living.

2. When he picks up bad words, laugh at him. This will make him think he's cute. It will encourage him to pick up 'cuter' phrases that will blow off the top of your head later.

3. Never give him any spiritual training. Wait until he is 21, and then let him "decide for himself".

4. Avoid use of the word 'wrong'. It may develop a guilt complex. This will condition him to believe later, when he is arrested for stealing a car, that society is against him and he's being prosecuted.

5. Pick up everything he leaves lying around — books, shoes, clothes. Do everything for him so that he will be experienced in throwing all responsibility on others.

Drawn by Constable Graham Muir, R.C.M.P., Surrey.

6. Let him read any printed matter he can get his hands on. Be careful that the silverware and drinking glasses are sterilized, but let his mind feast on garbage.

7. Quarrel frequently in the presence of your children. In this way they will not be too shocked when the home is broken up later.

8. Give a child all the spending money he wants. Never let him earn his own. Why should he have things as tough as you had them!

9. Satisfy his every craving for food, drink, comfort. See that every sensual desire is gratified. Denial may lead to harmful frustration.

10. Take his part against neighbours, teachers, policemen. They are all prejudiced against your child.

11. When he gets into real trouble, apologize for yourself by saying "I never could do anything with him."

12. Prepare for a life of grief. You will likely have it!

### KINDERGARTEN REGISTRATION

Kindergarten registration will be held on May 2, 1985.

In order to be enrolled in Kindergarten a child must be 5 years old by January 1, 1986 or in other words, born in 1980.

In order to eliminate a waiting period please contact Angela Hill at 966-6984 to arrange for an appointment with the Kindergarten teacher, Mrs. Taylor.

Parent please bring child's:

1. Birth or Baptismal certificate or a Band Card.
2. Immunization records.
