MOUTH GUARD CLINIC

Quinte Mohawk School will be holding a mouth guard clinic September 19, 1984. All grade 7 & 8 students who will be involved in any sports activity are urged to take part in this clinic.

There will be a charge of \$6.00 per student. This money has to be paid in advance. Notices will be sent home with your children at the beginning of the school term.

This is a small investment when you consider the protection it will provide for your child.

-----  
The following is a telegram received from the Minister of Indian Affairs re: Turton Penn Lease referendum, dated August 10, 1984.

Dear Sirs:

This letter will confirm my decision to call off the Referendum scheduled for August 11, 1984 to consider and vote on a surrender of the Turton Penn Lease in exchange for other lands and cash.

It is my understanding that you are not satisfied with the settlement offer put forward by the Department. I am, therefore, willing to call off the Referendum for the present. However, I believe that the reasons which prompted the Federal government to make its offer still exist, and that a negotiated settlement is preferable to the risks of a legislated one, for both the Band and the residents of Shannonville.

Since the Federal settlement proposal is not acceptable to you, I look forward to receiving a counter-offer from the Band in the near future.

Yours sincerely,

Douglas C. Frith, P.C., MP

NOTE FROM THE MOHAWK AGRICULTURAL SOCIETY

Please note the two attached pages of special interest to those who plan to exhibit in this year's Mohawk Fair.

Two areas that have changed since last year are in the Poultry Section and the change in the time for exhibits to be in place for judging.

Please make note of these changes. Thank you.

## Al Brant Hits First 300

*(l to r) Al Brant receives \$100 check from Ray LeChase as Manager Gus Monfredo looks on*

Al Brant has the distinction of throwing not only his first 300 but also Lyons Den's second 300! The only other 300 on RBA records was rolled by Charles Radtke in 1971. Al has been subbing there recently with his brother-in-law in the Wednesday Mixed League, and in fact brought his new gold Angle that evening for him to try. But during practice before league play started, Al decided to use the gold Angle himself for the first game, since he was striking with it during practice. He continued to strike ...all the way to the last ball of the last frame for twelve solid hits. Ironically Al commented, "If my brother-in-law hadn't wanted to try the ball, I probably wouldn't have brought it that night!" Al also commented that he's found better, more consistently good conditions to score on since Gus Monfredo has taken over as manager at Lyons Den.

Al also bowls in the Tuesday Classic at Olympic where he averages 191, the Thursday Coca Cola 5-Man Classic at Spencerport (200 avg) and Clover Lanes Friday Night League where he carries a 190 average. He also subs in the Perry's Lyell Vido Classic with a 200 average.

Al's most ambitious bowling endeavor these days is to do well on the Pro Bowlers Tour, where he has been a member since last summer. He found the PBA school most helpful in its effect

on his attitude, so that he's able to bounce back from a bad frame or a poor game.

He plans to compete in three regionals this year—Sunset Recreation Lanes (Matt's Premium Open) here in September, Brooklyn and Lancaster, Pa. He also plans to enter the Molson's Golden Challenge in Windsor, Ontario (Al is a native of Belleville, Canada).

Last year's experience with the seasoned professionals was a real "eye opener" for Al. He was paired with Buffalo's Tom Baker during the Sunset's Matt's Premium Open qualifier and after watching him bowl all day Al knew he had a lot more work to do!

Locally Al has been aided greatly by the coaching and advice of Ray DiSanto at Bowlers World, who has given him pointers in his speed and smoothness, as well as equipment, including a scorpion wristband which has helped him get more revs on the ball.

Al and his wife, Judy, a 165 average bowler herself, met bowling and enjoy bowling together. They're looking forward to the Al Sigl Mixed Doubles Benefit this weekend at Leisure Lanes for as Al noted "Bowlers are always ready to do for someone else, when the hat is passed or a donation is asked for. And on any given day anyone can beat anyone in bowling!"
