## TURTON PENN LEASE DISPUTE RESOLVED

Ottawa, Ontario (July 4, 1991) -- The Mohawks of the Bay of Quinte First Nation and the Minister of Indian Affairs and Northern Development (DIAND) jointly announced today that they have reached an agreement whereby lands held under the 1835 Turton Penn lease agreement will be gradually returned to Indian control.

Shirley Martin, Minister of State (Transport), who in her previous role as Minister of State for DIAND was instrumental in getting the negotiations restarted, signed the agreement on behalf of Tom Siddon, Minister of Indian Affairs and Northern Development. Minister Martin said, "I am happy that significant progress has been made in settling these longstanding differences. I believe the agreement will lead to a fair and just settlement which responds to the needs of all parties."

"Today's signing underscores Canada's commitment to resolve outstanding grievances and to improve conditions in aboriginal communities, in keeping with the Native Agenda", Mr. Siddon added. "This agreement is testament to the progress that can be achieved when First Nations and governments work together to solve outstanding aboriginal concerns."

Chief Earl Hill agreed, "Since this issue has been outstanding for approximately 20 years and this has been the first sincere face-to-face negotiations that Tyendinaga has received, it definitely shows a commitment by both parties to act in good faith to resolve outstanding Native claims."

... /2

-2-

In 1835, a 999 year lease of 200 acres of the Tyendinaga Reserve was issued, at an annual rent of 30 barrels of flour. The lease has long been a source of concern for Tyendinaga and the residents of the lease area, known today as Shannonville, near Belleville, Ontario.

Under the agreement signed today, the Crown will consider individual offers to sell leasehold interest in the Turton Penn lease at fair market value. As soon as an individual sale is finalized, the remaining term of lease will be cancelled.

The agreement also provides for the immediate transfer of lands known as the "McTaggart and Latchford properties" to the existing Tyendinaga Indian Reserve No. 38.

Following signing of the agreement, senior officials from Indian Affairs and Northern Development and Public Works Canada will hold an open meeting this evening (July 4, 1991) with the residents of Shannonville to explain the government's interest in lessee's offers to sell their leasehold properties.

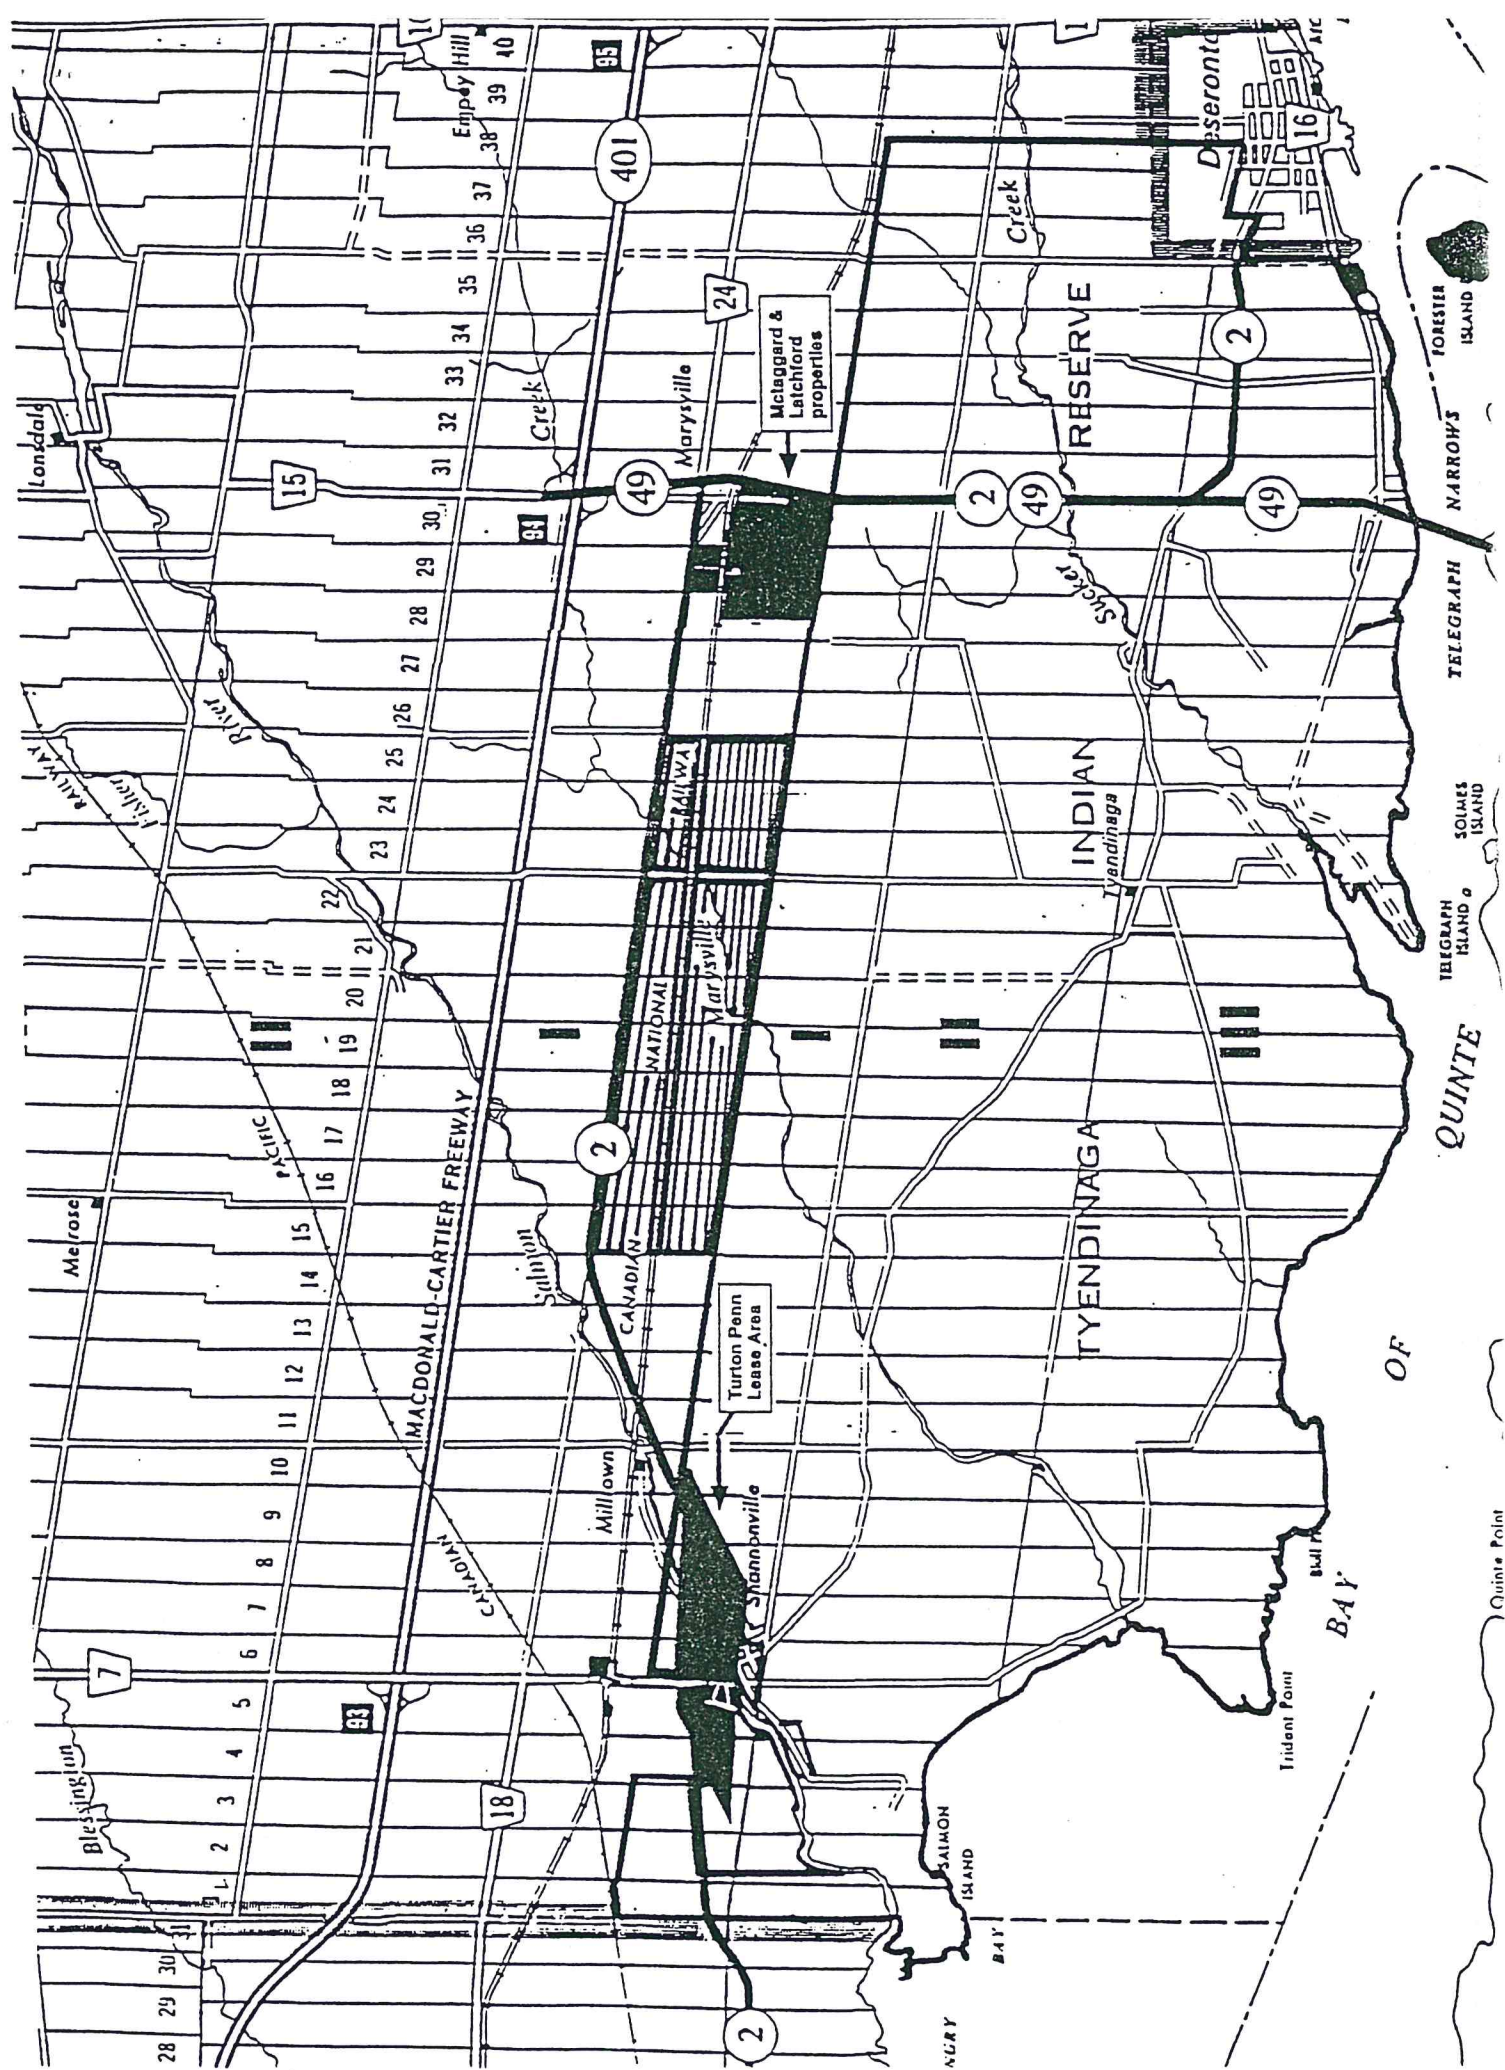

Residents of Shannonville will not be forced to sell their leasehold interest but any resident who chooses to sell will be offered a fair price for both the land and improvements, based on independent appraisals. All purchases will be handled by Public Works Canada. Negotiations are expected to begin soon.

*2 P.M.- 4 P.M.*

*DESERONTO, CENTENIAL PARK*

*\* BEST WISHES ONLY \**

## YOUR OPINIONS ARE IMPORTANT TO YOUR COMMUNITY !!

Starting in early August five trained public interviewers from our community will be calling on every household in our territory to gain some information.

A broad survey of opinions containing questions about Housing, Lands, Employment, Skill Training, Health, Nutrition, Family & Children Services, Child Care, Education, Culture, Library use, Recreation Facilities & Services and Administration will be conducted. The interviewers who will be sworn to confidentiality will keep all the information anonymous. No names will be recorded.

The data base that will be compiled will be available to the Mohawk Council for the benefit of the community.

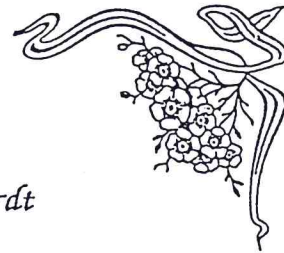

It is anticipated that this survey will produce a bank of information that will be useful for planning purposes and to assist the community in providing improved services.

The survey has the support of Council and was initiated as a follow-up to the Skills Quinte "Public Interviewer" Job Development Program.

The questions and design of the survey and the data base were developed by a focus group of key leaders in the community, the interviewers, F.N.T.I., and a consultant.

To be successful, everyone will have to be willing to give some support to this effort. The results may produce some improvements to our knowledge of who we are and what we need in our community.

## Tyendinaga Youth Group

Youth Group members were treated to a barbeque and swim party on June 26th to commemorate the end of the school year. This was the last meeting for the summer. Meetings will resume in September.

The Family Services staff and the Youth Group Members would like to send a big thank you to Ernie and Linda Maracle for the use of their pool!

Members will be notified of the first September meeting. See you then! Have a Safe and Happy Summer!!

## Quinte Mohawks Lacrosse Team

Tyendinaga Family and Children Services is a proud sponsor of the Bantam Lacrosse Team!

We would like to congratulate all team players for the extremely well showing they have had in their tournaments. The players and the coaches, Jack Green and Donnie Smart, have done a super job for a first year effort. Well done, guys!!

A special mention to those players who are also members of our Youth Group:

Brian Brant	Seth LeFort
Clint Brant	Ben Green
Jeremy Green	Koj Maracle
Trevor Saggashie	

Best of luck to all players in the Ontario Provincials, which will be held August 16 - 18th in Brampton, Ontario.

## Daycare Conference

Linda LeFort, the Family Services Co-ordinator, was a presenter at two workshops at the 9th Annual Native Daycare Conference, which was sponsored this year by the Tyendinaga Daycare and held at Quinte Mohawk School.

Linda's presentation was entitled Child Abuse - the Indicators. Her discussion centered around child abuse in a family situation, including causes and definitions of child abuse, along with what daycare providers can do if they suspect abuse is occurring. She also gave a brief description of how Tyendinaga Mohawk Family and Children Services and Tyendinaga Daycare Centre work together to address the issue of child abuse in our daycare.

## Walking in your child's moccasins

Sometimes it is difficult to remember what it was like to be a child, a little person. Children have feelings and needs just like other human beings. They often do not know how to deal with their feelings. This can be difficult for the parent or caregiver who may have grown up with the belief that it is wrong to get angry or to cry, and that it might even be dangerous to do so.

Children expect to be cared for and protected. It is up to the parent or caregiver to take care of these little people who do not have the ability yet to care for themselves.

One way to learn how to care for your child is to put yourself in your child's moccasins. Children are human beings and want to be respected and listened to. If you do not know how your child is feeling, ask. It may be uncomfortable at first, but you will get better at it as time goes on. Children are usually honest and will tell you directly. This will enable you to give proper attention to your child at the moment. Also, it opens up a line of communication between you and your child that will be valuable as your child grows up.

## RESIDENTS OF TYENDINAGA

The Environmental/Agriculture Summer Students of Tyendinaga Territory have recently finished cleaning the roads of Tyendinaga, and feel that the littering and dumping of garbage is becoming a very severe problem on our Reserve.

You may not realize that the careless mistreatment of this beautiful territory will have long term effects that you may never see but will be dangerous for your children and grandchildren.

It is up to the citizens of Tyendinaga what your Territory and environment will become. Remember, it is your home and your environment.

It is everyone's responsibility to keep Tyendinaga Territory clean, so **PLEASE** help us to preserve our Territory.

**THANK YOU**

**STUDENTS FOR ENVIRONMENT/AGRICULTURE PROGRAM**

Tyendinaga Mohawk Library

SUMMER CONSERVATION TIPS FROM YOUR LIBRARY

Non-polluting SOLAR BOX COOKER provides an alternative to the charcoal grill. You make the cooker out of cardboard, tinfoil and a pane of glass for about \$12.00. It cooks slowly at 250°F. Plans cost \$5.00 from Solar Box Cookers International, 1724 11th Street, Sacramento CA 95814.

For a good non-toxic WINDOW CLEANER mix 3 tablespoons white vinegar with a quart of water - you'll be surprised at the grease cutting power. Newspaper makes a streak-free rag for wiping your windows.

Now that hot weather is here you might want to try a "NAVY SHOWER". Instead of letting the water run the whole time, turn it off while you lather up. You can save about half the water used in a conventional shower.

MOHAWK IMMERSION DAY CAMP

The Language and Culture Circle, with assistance from Mohawk speakers of Tyendinaga and Akwesasne, are very happy to announce a two week summer Mohawk Immersion day camp for Tyendinaga. The proposed day camp will operate from August 5 - 16, 1991. The curriculum will offer a partial day of Mohawk language lessons with lots and lots of summer fun for the remainder of each day. Some things that are being planned are picnics, fishing, boating, baseball, lacrosse, volleyball, hiking, and lots of games. The target age group for the Immersion Camp is 6 to 10 year olds.

Since the camp is being run on fundraising and donations, any donations would be kindly accepted with many thanks. Donations of money, supplies, time, etc. may be made to any member of the Language and Culture Circle. There may be a nominal fee depending on the success of fundraising activities.

**\*\* PLEASE NOTE \*\***

Activities and Communication are in the Mohawk Language.

*THE BEAUTIFUL FAKER*

*I've came upon her a time or two  
She's really quite a sight  
Her strength is ingenuity  
To keep me at arms length.*

*If I walk very quietly  
As I go slowly by,  
She too, will keep the silence  
And simply move away.*

*But if I move towards her  
She starts up a raucous sound,  
Runs around in circles  
Dragging one wing on the ground.*

*She pretends, like its been broken  
As she lures me from her nest.  
Of all my little feathered friends  
I think, I like her best.*

*When her little ones appear  
They won't transparent be,  
Their beautiful, the day they're born  
A great delight to see.*

*So I wait and listen for her song  
Which tells me she is near.  
I love that little faker  
"Killdeer - killdeer - killdeer".*

*Jacqueline E. Brant*
