NOTICES

MBQ OFFICES WILL BE CLOSED - MONDAY November 11th to observe Remembrance Day (Tsi Roné:yahre ne Raotihsotár)

***NEW* CONSTRUCTION HOTLINE** - Report issues or concerns (safety, traffic signals, vandalism) about the York Road watermain expansion, 24/7 for the project duration. 613-969-7174. You can also contact the Technical dept. for general inquiries during business hours, 613-396-3424, ext 109

ATTENTION MORTGAGE HOLDERS

It has come to our attention that many insurance companies will ONLY notify the MOHAWKS OF THE BAY OF QUINTE if your existing house insurance policy has been cancelled, but will NOT when the policy has been renewed. This creates a problem when incentives, rewrites and renovations are requested. You will not qualify if your house insurance policy on file is not up to date. In order to ensure your policy is current, we ask that you mail, fax or deliver renewal form when received.

MBQ offices to be closed for the Christmas holidays

Friday December 20th at 4:30 pm, 2019. All offices will re-open on January 6, 2020 at 8:30 am. Essential services will be available throughout this period.

2019 CWC Walk-In Flu Clinics:

CWC will begin to receive the flu vaccine in October, however we will only be receiving a limited supply to immunize HIGH RISK clients first, please see below; vaccine for anyone outside this category will be available and offered after NOV 4th!

People with health conditions; These conditions can affect a person's immune system and can make it harder to fight off infections. Getting the flu can also worsen these pre-existing conditions such as:

- cancer and other immune compromising conditions
- diabetes
- heart disease
- lung disease
- anemia
- obesity
- kidney disease
- neurologic or neurodevelopment conditions
- children up to 18 years of age undergoing treatment for long periods with acetylsalicylic acid (ASA)

People 65 years and older; The immune system changes with age and this can make it harder for the body to fight off infections. People over the age of 65 are also more likely to have health conditions which can worsen if they get the flu.

No Appointment needed for dates and times below:

High risk only!
Oct 17th-10-2pm

MBQ Water Monitoring Schedule Is Back

The Mohawks of the Bay of Quinte Drinking Water Safety Program would like to announce the new schedule for water sampling collection. With the introduction of an area specific schedule in January, the program saw a large increase in community participation and engagement resulting in a substantial number of community members having their water quality tested and access to valuable information about their water.

Many of the homes in Tyendinaga require treatment systems using UV lights, chlorine, peroxide and other types of disinfection. With regularly scheduled water sampling, we can monitor whether these systems are operating effectively and that if you are consuming your water that it is safe to do so.

Health Canada recommends that you have your water **checked each season** and we are hoping that with the continuing level of participation we will be able to provide water sampling services for the community year round.

Date/Month	November
1st to 15th	Highway 49 Bell's Road Mowbray's Road Old Highway #2 North Church Lane
16th to Month's End	Milltown Road Norway's Road Mark's Road Upper Slash Road

We will be in these areas on these dates but we do encourage and welcome appointments to better accommodate everyone's schedule. To book an appointment to have your water tested please contact **Sam** at the Water Department at: **613-396-3424 Ext. 131 watersampling@mbq-tmt.org** or **Liz Brant at 613-396-3424 Ext. 129.**

Tyendinaga Home Support Program

All Home Support Programs are for Seniors 55+ or 18+ with physical challenges.

Meal Programs:
The Diner's Club meal program provides a hot nutritious meal and social integration opportunities to our senior population. Diners Club is offered twice a month and three times monthly for every month that has a 5th Wednesday. The Breakfast Club and Supper Club programs are offered on a seasonal/monthly basis.

The Meals on Wheels program offers a hot nutritious meal, delivered to a clients home three times weekly by our staff and volunteers.

Transportation Program: Transportation to our programming is provided to seniors without their own means of transportation. This is a non-emergency service focused on transportation to Home Support programs and essential community services such as banking, post office and grocery shopping. Examples of this service may include; runs to Deseronto, monthly shopping trip, social programs, day trips.

Home Maintenance Program: Assistance can be provided for household tasks beyond the individual's capability that do not require a licensed professional or fall under the scope of duties of a Personal Support Worker. Examples of this service may include: grass cutting, painting, window washing.

Social & Recreational Programs: Provides supervised activities for seniors in a group setting. Examples of this service include: ceramic classes, wii bowling, scrapbooking, day trips and seniors fitness programming.

Friendly Visiting: Provides "friendly visits" to seniors generally in their homes. Visits are made by staff and volunteers under agency supervision to help reduce loneliness and isolation.

Security and Reassurance: This program ensures the wellbeing and safety of our clients through a phone call or brief visit as little as once a month or as often as once a day upon client need and available resources.

Emergency Response: This program provides information, referrals and assistance with medical alarms. The goal of this program is to provide clients with the security and confidence to continue to live independently.

Client Intervention and Assistance: The goal of this service is to provide support and crisis intervention in critical situations, stabilize and put a plan in place for the longer term. Activities may include intervention and support for people facing homelessness, a critical or impending change in life situation or abuse and isolation.

If you are interested in any of the above programs and/or would like to start receiving our monthly newsletter, please contact Jessica Brant @ 613-967-0122, ext. 110.

Since time immemorial masks have been used in many Indigenous communities as a means to communicate with one another and with the spirit realm. Cleansing, purifying, shaking up the energy within and around us, they are powerful medicines to help us understand ourselves and the world around us, through a new lens.

Join Melanie, Cherylann and Aronhiaiens as we venture on a journey of self-reflection, self-discovery and cultural teachings through mask making.

We will be using plaster of paris and masks will be formed to your face.

"They are protecting the seeds at the Bay of Quinte"

A Birth Story...

When a baby is born, it is important and proper for the parents to welcome them to the earth so they have a good life. The Mohawk people believe it is necessary to have a name prepared for the baby so the baby will know their family, their people and the entire world as soon as they arrive. Also, the entire world will know the baby and will support it throughout their lifetime with their power and support for however long the person will be on the earth. So they will say a speech to the baby as soon after that they have been born as is possible to welcome them. So, when they are born they are the most clear-minded and this is the most "Powerful & Vulnerable time". The first few minutes of birth sets the stage for its entire life and our people understand this.

National Addictions Awareness Week

November 25th - 29th 2019

National Addictions Awareness Week (NAAW) highlights issues and solutions to help address alcohol- and other drug-related harm. It provides an opportunity to learn more about prevention, to talk about treatment and recovery, and to bring forward solutions for change.

#StigmaEndsWithMe

The #1 barrier to access services is stigma

This years' theme for National Addictions Awareness Week is Stigma Ends with Me. With the communities and your help, we want to increase understanding of the devastating stigma associated with substance use and addiction and its impact on the well-being of people touched by this health issue.

Using the hashtag #StigmaEndsWithMe, share on Instagram, Twitter and other social media platforms photos of NAAW events showing how you are trying to end stigma within your community.

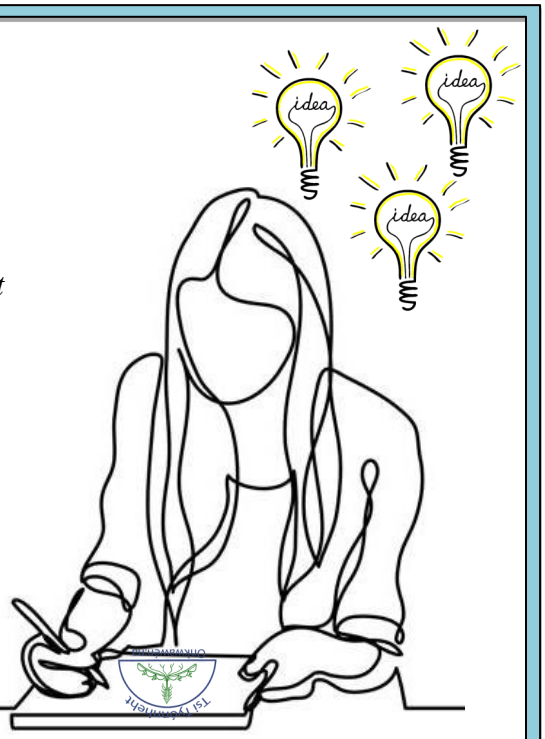
Calling all writers and illustrators!

Tsi Tyónnheht Onkwawén:na cordially invites you to a

Storybook Writing Workshop



TTO is looking for creative, imaginative and artistic individuals to assist us in the development of 10 original children's stories. We are looking for ideas that are relatable and contemporary, based on modern day events/ occurrences.

Sign up today!

Saturday, November 23, 2019
9:00am to 12:00pm
1658 York Rd, Lower Level.

Limited space available

Email: tinabrant@kenhteke.org or call: 613.970.3045 to sign up!

Donations are now being accepted for
TTO's Annual Online Auction

With your help, we can make this event a success!

Past donations have included artwork, crafts, beaded jewelry, corn husk dolls, carvings, gift baskets, gift certificates and collectables.

The funds we raise through this event directly fund student expenses like trips and supplies.

Donations may be dropped off at
1658 York Road, lower level
Monday to Friday from 8:30 am to 3:30 pm
until Wednesday, November 27.
If you have any questions, please contact us at:
