EMPLOYMENT OPPORTUNITIES

The Department of Indian Affairs is periodically offering Training on the Job positions within various government offices. There is never any previous notice given as to when the jobs may start; there is usually only a telephone call from the Department requesting names of Band members that may be interested in relocating to cities such as Toronto, Ottawa or Peterborough etc. for employment purposes.

The majority of jobs offered are for clerical positions, with training periods lasting six months or more. Qualifications generally include typing of 40 w.p.m., some accounting or bookkeeping skills, and of course the willingness to relocate. Training allowance is usually \$250.00 per week and up, and this is paid through the Band Office so this money is tax free, while training.

If there are Band members either male or female interested in gaining employment within these programs, please call me at the Band Office so that I may set up a file for reference when jobs become available.
