### MOHAWKS OF THE BAY OF QUINTE

R.R. #1, Tyendinaga Mohawk Territory, Ontario, K0K 1X0  
Phone: (613) 396-3424 • Fax: (613) 396-3627

September 30, 2001

#### TO THE MEMBERS OF THE MOHAWKS OF THE BAY OF QUINTE FROM THE CHIEF

##### Se:ken Sewakwekenh

I hope you are enjoying the quiet time of the fall season.

##### A Message of Sympathy to the Victims of Terrorism

The world is a much different place after the tragic and senseless acts of terrorism of September 11, 2001, on American soil.

Vivid memories linger of the media broadcasts of the high-jacked planes crashing into the World Trade Centre, the Pentagon, and in Pennsylvania. The attacks were unprecedented on American soil claiming hundreds of lives, thousands of missing persons, billions of dollars in property damage, and a threat to the world's sense of security, which most North American people take for granted.

Our hearts are especially sorrowful for all of the victims and their families, the firefighters and police officers who lost their lives in the rescue attempts, and the orphans. Our prayers are with them.

We are deeply concerned about the future as it relates to security and peace in the world and the measured response which world leaders will take to combat terrorism. All Nations of the world must co-operate to prevent repeated plots and conspiracies by the terrorists.

Persons responsible for the attacks have to be Brought to justice. We must rally to support all of the relief efforts to assist the victims.

We ask from God divine intervention, wisdom, and guidance for President George W. Bush, Prime Minister Chretien, and all world leaders in their decisions. We ask God that we not lose our sense of humanity in this crisis, and that the measures taken would not be acts of revenge but would achieve a higher purpose of ensuring the peace, security, and stability of the world.

##### Donations

At the meeting of September 19, 2001 Council approved a donation to the 59er's Senior Citizens Club of \$ 500.00.

##### Aboriginal Healing and Wellness Strategy Leadership Forum

I attended a leadership forum for the aboriginal healing and wellness strategy on September 25-26, 2001 in Toronto.

Ontario is the only province in Canada to fund a major health and wellness initiative for all Aboriginal people in the province. The Aboriginal Healing and Wellness Strategy (AHWS) is a unique partnership between 15 First Nations Aboriginal organizations and four provincial government ministries. The provincial government provides \$ 33.25 million a year to promote healing and wellness. The strategy is governed by a Joint Management Committee (JMC) made up of the representatives of the Partners and operated by consensus.

Since 1994, the Aboriginal Healing and Wellness Strategy has funded Aboriginal Health Access Centers and over 200 other community based projects organized for and by aboriginal communities and organizations.

In 1998 the Joint Management Committee of the Strategy commissioned a six year study (1998-2006). Its purpose is to understand how AHWS-funded projects affect the health and well being of those who use the programs and services. Four Aboriginal Health Access Centers (AHACs), a healing lodge, a maternal and child Centre, and a family shelter are participating in the long term study.

We are now in year 3 of the second five year strategy.

Wellness was described by the elders as people feeling good about themselves and not being encumbered with negative emotions of guilt, anger, jealousy, being put down, revenge seeking, low self esteem, and free of chemical addictions such as drug and alcohol abuse.

All of the participants agreed that the strategy was making a positive contribution to the wellness of the communities and that many new jobs were created providing a positive economic benefit. Leaders also expressed the view that there still remained a gap in the provision of many essential services particularly relating to the lack of affordable housing and infrastructure. Many leaders expressed the need for legislative reform in matrimonial property law for First Nation communities.

Many of the leaders stressed the need for the Ontario Government to respect the Nation to Nation relationship, the treaties, and First Nation's jurisdiction. A need was identified for the Chiefs in Ontario to have a protocol agreement so as not to undermine the treaty relationship and jurisdiction of governments of First Nations. The Ontario Indian Friendship Centers should remain as service delivery agencies of the First Nations government organizations.

## ADMINISTRATION

(3)

There was a need to ensure appropriate political consultation in relation to new initiatives, such as the healthy children and healthy babies program.

Many leaders stated that the province should not be a voting partner in the decisions of the Joint Management Committee and that it was a direct conflict of interest. The Joint Management Committee had to more effectively address on reserve – off reserve issues and a need to stop division based on residency was identified. There was a discussion on how the Joint Management Committee should decide as a forum.

There was discussion that more client follow up should be done to determine whether the services made a difference and what services are needed. The gaps in health and social services were discussed. A variety of services were required since individuals are at different stages of healing and wellness.

Representatives from the northern communities discussed the reduction of suicides and the increase in homicides that were occurring in their communities.

On an annual basis there has been one million dollars lapsing to the Ontario Government. Problems were identified with the payment schedules for capital project deficits for winter building projects in northern communities.

A need for a place of renewal for caregivers suffering from burn out was identified. It was also suggested that the directors of the shelters should meet quarterly in a workshop to discuss problems and solutions.

Finally, the healing and wellness strategy had to incorporate a traditional healing component.

The conference identified issues to be worked out, but the positive aspects of the Aboriginal Healing and Wellness Strategy far outweighed the negative.

### Housing Bank of Montreal Loan Guarantees

At the September 5, 2001 Council approved to guarantee a loan, for \$93,543.75 for a community member to construct a new home.

At the same meeting, Council approved a Bank of Montreal Loan Guarantee, for \$86,250.00 to a community member to purchase an existing home.

### Road Shed Salt / Sand Dome

At the meeting of September 10, 2001, Council approved the construction a new Road Shed and Sand/Salt Dome, for \$905,000.00 which is in progress on the Slash Road.

At the meeting of September 19, 2001 Council approved to finance the project though a Bank loan using the interest from the Casino Rama investment to repay the loan.

(4)

### MBQ Audit Report March 31, 2001

At the meeting of September 6, 2001, Council met with BDO Dunwoody, Auditors to discuss and approve the Audit Report for the Mohawks of the Bay of Quinte for the year ended March 31, 2001.

The audit was conducted in accordance with generally accepted auditing Canadian standards. The auditors opinion was that "these financial statements present fairly, in all material respects, the financial position of the Mohawks of the Bay of Quinte as at March 31, 2001.

During the fiscal year 2000-2001, the Band Operations Fund received revenues totaling \$11,318,187.00 and expended \$11,529,520.00 resulting in a deficit of \$211,333.00. The deficit for the preceding year was \$593,681.00. A copy of Band Operations Fund is included for your information as schedule 13. The Band Operations Report is a consolidated statement of all federally and provincially funded programs and services. The surplus of \$ 759,826.00 has been used to reduce the overall deficit to \$ 45,188.00. The deficit has been caused by the following factors:

1. Doubtful accounts: Written off March 31, 2000
 

Telemagnetic Signaling System (TSS)	\$ 314,000.00
CAT Technologies	10,000.00
Peace Tree Technologies	93,671.00
2. Settlements of Law Suits Paid in 2001           \$ 214,505.00

The Band Operations Fund does not include the Housing Fund, the Turton Penn Trust Fund, Capital and Revenue Accounts held in trust in Ottawa of \$378,032.00 or the Casino Rama Funds of \$7,404,211.00.

At the same meeting, Council approved an allowance for doubtful accounts for \$200,000.00.

There may be minor corrections to the Audit schedules.

At the September 10, 2001 meeting, Council deferred payment of the BDO Dunwoody Invoice, for \$21,250.00.

### Casino Rama Investment Strategy

At the meeting of September 12, 2001 Council approved investing more of the Casino Rama money in a long term investment plan that would realize more interest than the short term investments. On September 17, 2001 Council transferred an additional \$ 1.5 million dollars into long term investments at Nesbitt Burns.

Interest rates have fallen approximately 1.55% since the original investment was made in July 2000. It is estimated that the loss in interest was \$ 27,000.00 as result of not investing more funds in long-term investments.

## ADMINISTRATION

(5)

### Casino Rama Funds

On Monday September 17, 2001, Council had a General Meeting to discuss potential projects under the Casino Rama Funds.

Approved Projects include the following:

1. Roads Shed and Salt Dome	\$905,000.00
2. Land Purchases for Capital Plan	105,000.00
3. Land Purchases for Capital Plan	92,500.00
4. Roads Program 2001-02 (dustlayer / tar & chip, Tom's, Belle's and lower Slash)	179,500.00

Projects under Consideration:

1. Fire Hall	\$1,500,000.00
2. Day Care (INAC shares \$963,000.00)	237,000.00
3. Water Delivery Truck	125,000.00
4. Land Purchases Capital Plan	71,750.00
5. Land Purchases Capital Plan	60,937.50
6. Senior Citizen's 59ner's Addition	60,000.00
7. Landfill Closure	380,000.00
8. Museum / Cultural Centre	2,500,000.00

Total \$6,216,687.50

In addition, Council has agreed to pledge \$1 million dollars as security for the on reserve Business Loan Guarantee Program. There have been three loans guaranteed under this program totaling \$318,500.00.

### Site for New Administration Building

The MBQ require a new administration building. At the September 10, 2001 Council decided to assess the suitability of sites on Highway 2 and the Bayshore Road for a new administration building. These sites are suitable for development due to the availability of water and sewer servicing.

### York Road Bridges

The two York Road Bridges are in need of repairs estimated at a cost of \$425,000.00. At the September 10, 2001 meeting, Council deferred the repair of the bridges project to next year. Council will lobby for funds from the Government in the meantime.

At the meeting of September 19, 2001, Council noted that the traffic count on the York Road was 33,000 vehicles in a 7 day period. Council will meet with surrounding Mayors on the issue to gain support for the lobby for additional government subsidy and discussed the option of making the York Road a toll road.

(6)

### Richmond Landfill

The Ontario Region of Indian Affairs has approved an additional \$ 15,000.00 for investigations at the Richmond Landfill site and will seek additional dollars from the headquarter office in Hull, Quebec.

At the meeting of September 19, 2001, Council approved an invoice in the amount of \$ 9,250.00 to the bands lawyer, Patrick Shindler for work on the Judicial Review Application. The lawyer expects the court to hear the matter in December 2001.

### Permits to Purchase Wholesale

At the meeting of September 19, 2001 Council approved the Application for Business Registration and Permit to purchase Wholesale for Cardinell Physical Therapy owned by Aaron Cardinell.

### Hides Depot Building Addition

Council has received approval from the Ontario Aboriginal Economic Development Program for \$ 50,000.00 towards the cost of the addition to the hides building. At the meeting of September 19, 2001 Council approved submission of an application to the Indian Affairs Opportunities Fund for \$ 24,900.00. Council will be contributing \$ 24,900.00 as the community share of the project. The addition will serve as a wholesale show room for the hides depot operations.

### Renovation Loan Limits Policy

At the September 10, 2001 meeting, Council requested that staff recommend a maximum limit for housing renovation loans.

### Housing Loans

At the meeting of September 10, 2001, Council approved the issuance of \$20,000.00 as part of a new construction loan to a community member.

At the meeting of September 19, 2001 Council approved a renovation loan to a community member for \$ 24,470.

### Land Leases

At the meeting of September 10, 2001, Council approved the lease of Lot 21 Concession A, Lot 20 Concession 2 for a one-year term to a non band member for \$15.00 per acre.

### Park Showers

At the September 10, 2001 Council meeting, Council approved that the park showers are to be available for public use.

## ADMINISTRATION

(7)

### Snow Plowing Tender

At the meeting of September 19, 2001, Council agreed to tender the contract for parking lots and bus turn around sites. The contract is to include sanding and salting as required.

### Fishing

Council was informed that the MNR have completed a study of the status of Walleye in the Bay of Quinte. A Community Meeting has been tentatively scheduled on October 11, 2001 at 7:00 p.m., at the Community Centre. The meeting is to enable the MNR to present their report to the community.

At the September 12, 2001 meeting, Council passed a motion stating that the Mohawks and the Iroquois Confederacy have exercised hunting and fishing rights since time immemorial and will continue to do so.

### Recreation Committee New Members Added

At the meeting of September 12, 2001 Council accepted five applicants for the Recreation Committee. The new members are Jennifer Maracle, Christine Sliwa, Russ Loft, Gary Hill, and William Barberstock. Special thanks are extended to the members of the committee for volunteering their time.

### Quinte Mohawk School

As of September 12, 2001 there are 332 children enrolled at Quinte Mohawk School. The maximum capacity for the school is 300 children. Indian Affairs has offered to purchase the existing Day Care facility for \$ 963,000.00 to provide more classroom space. Discussions with the Ministry of Community and Social Services and Indian Affairs are ongoing.

I hope that you find this report informative.

Fund balance, end of year	\$ (45,188)	\$ 166,145

## ADMINISTRATION

### Economic Development Department

The Economic Development Department consists of an Economic Development Officer (EDO), an Economic Development Assistant (EDA) and a Hides Depot Operator (HDO). The department assists community members with private entrepreneurial ventures and assists the community with public for-profit ventures.

The Hides Depot is a community run for-profit business and the Operator reports to the EDO. The Depot collects hides through the Hats for Hides Program and then sells the leather produced from the hides collected.

The EDA has been hired on the Income Security Reform program. The objective of this program is to offer alternative opportunities and intensive assistance in business ventures to Social Assistance Recipients. The EDA also assists generally in the economic development office.

The Economic Development Department has initiated a number of different programs for the businesses on the Territory. There is a Business Registration Policy which offers a wholesale purchase permit to businesses registered on-reserve. The registration also allows businesses to take part of the tax free tobacco quota offered to the community.

Economic Development has also set up two different lending type programs. One program offers business up to \$10,000 based on a business plan, security and a credit check. The other program offers, in conjunction with the Bank of Montreal, businesses the ability to mortgage property for Band backing up to \$150,000. Businesses must meet regular small business loan criteria as set out by the Bank and property that would normally offered as security would be mortgaged to the Band and the Band offers the monetary security to the Bank.

Economic Development also takes advantage of federal and regional economic development programs. These programs include Ontario Aboriginal Economic Development Program, The Opportunity Fund, Canada Ontario Resource Development Agreement, Aboriginal Business Canada, Ohwistha Capital Corporation, and others depending upon the industry.

In addition to assistance in finding the dollars, the Economic Development Office also offers technical business assistance and direction, and research assistance. The Office will also assist in making linkages in business and government.

If you have a project in mind or would like some assistance in getting your business some extra help, Call us at the Administration Office 396-3424 ext.110.

## NOTICE TO COMMUNITY MEMBERS

RE: Woodland Cultural Board of Directors  
Representative for the Tyendingaga Mohawk Territory

The Representative would be responsible for the duties and the added duty of professionally representing the needs of our Community.

Interested individuals should submit their resume to the:

Tyendingaga Mohawk Council  
Mohawks of the Bay of Quinte  
R.R. # 1  
Tyendingaga Territory, On.  
KOK 1X0

Niawen your cop-operation is appreciated.

Tyendingaga Mohawk Council

BOARD OF DIRECTORS

ROLES AND RESPONSIBILITIES

Creativity is what every individual brings to an organization. Therefore, it is important to help people to learn and use their creativity in a collective way. Working as a collective means that people come together and share ideas and thoughts while sitting in a circle. These thoughts and ideas are combined in a collective force.

If you can create, you can empower and give direction to the organization on program development and delivery, and any other issues which need to be addressed.

The magic of organization is simply the ability to integrate your individual thinking with the collective thinking of others in the organization. This ability to think at a level which is greater than any personal scripts or negative baggage that we may also carry and bring to the organization is called creativity. When a person is operating from their creativity, they are operating from a spiritual ability to solve any problem.

One of the keys to working in an organization is the ability to facilitate the thinking and feelings that people have around certain issues. Facilitating thinking and feeling means that you are encouraging people to speak and to share their ideas and feelings which may cloud the creativity they need to overcome issues, invent solutions and create new plans, options and directions. When facilitating thinking, you simply listen to what everyone is saying, show them on a flip chart the ideas that they have expressed and then look for the common threads and ideas on which to build.

The following statements are provided as descriptions of what is expected of individuals who volunteer as a Director on the Board of the Woodland Cultural Centre.

1. The ability to portray the needs and aspirations of your community in a clear and concise fashion;
2. To be able to identify community cultural needs through dialogue with councillors, teachers, elders and children;
3. The capabilities of leadership and communication;
4. Ability to operate both technically and administratively;
5. Ability to make good business decisions;
6. Ability to work towards common goals as part of a team;
7. Having some experience in fundraising;
8. Must have a commitment to leadership and active participation, and promote culture and language within your community;
9. Liaise with other first nations and governments to promote our mission and goals, seek and encourage participation of communities and the general public;
10. Able to take risks in the advocacy of positive affirmation of First Nation cultures;
11. Be able to promote knowledge and self-confidence in their work with the Woodland Cultural Centre;
12. It is also recommended that individuals take turns chairing meetings where they can practice facilitating the thinking (thoughts and ideas) and feelings of people who make-up the organization.

## ADMINISTRATION & PRESS RELEASES

### RESIDENTIAL REHABILITATION ASSISTANCE PROGRAM (RRAP) NEEDS STUDY

The Tyendinaga Mohawk Council has directed that a RRAP needs study be completed this fall to determine the level of funds needed to adequately service the community.

With the above in mind we would greatly appreciate all households whom meet the eligibility requirements to take the time to complete the attached questionnaire. Return completed questionnaire to the Housing Department either by dropping off or mailing in.

If you have any questions or require further information please call Sandra Sero at 396-3424 ext 128.

### House for Sale

The Tyendinaga Mohawk Council has directed that the house and property located at 122 Young St., Tyendinaga Mohawk Territory be sold.

The terms and conditions for the sale of the property have yet to be determined, although it is anticipated that the details and a date for viewing should be set by October 5, 2001.

All inquiries should be made to the Housing Department at 396-3424.

## SNOWPLOWING TENDER PACKAGE 2001/02

Please be advised that tender packages for snowplowing and sanding of community owned properties are available at the Housing, Parks and BPM office located within the Administration Building.

The deadline for submissions is October 19, 2001 at 1:00 p.m.

For further information please call Chris Maracle, Director of Housing, Parks & BPM at 396-3424 ext. 105

**\* Please Note \***

**Now open Sundays till 5 p.m.**

### LANDFILL HOURS

**Monday - CLOSED**

**Tuesday - 1:00 P.M. - 5:00 P.M.**

**Wednesday - CLOSED**

**Thursday - 1:00 P.M. - 5:00 P.M.**

**Friday - CLOSED**

**Saturday - 8:30 A.M. - 5:00 P.M.**

**Sunday - 9:00 A.M. - 5:00 P.M.**

### New time limits for Indians and Indian bands\* making GST/HST general rebate claims

\* "Indians" and "Indian bands" as defined in the *Indian Act*.

Effective January 1, 2002, GST/HST rebate claims made by Indians and Indian bands must be filed with the Canada Customs and Revenue Agency (CCRA) within two years of paying the tax. Indian bands and Indians who have claims on purchases from more than two years ago have to file those claims by December 31, 2001.

The change is a result of a CCRA review of the *Excise Tax Act*. The review determined that time limits for rebate applications apply to claims filed by Indians and Indian bands. As a result, the practice of allowing unlimited time to file rebates will end January 1, 2002.

Generally, Indian bands and Indians can apply for a GST/HST tax rebate if the tax was paid for a product and it was acquired on a reserve or delivered to a reserve by the vendor. For band management activities, GST/HST paid on off-reserve purchases of services, transportation, accommodation, meals, and entertainment is eligible for a rebate.

For more details on the CCRA's policy, including exceptions and special circumstances, please see GST/HST Technical Information Bulletin B-039R, *GST Administrative Policy, Application of GST to Indians*.

Examples of circumstances where GST/HST rebates are paid:

- An Indian, living on a reserve, has paid GST/HST on his hydro bill. He can claim a GST/HST rebate. He does this by filing a completed Form GST189. He also has to provide proper documentation to support the claim.
- An Indian bought a sofa from Acme Furniture in Littletown. Acme Furniture delivered the sofa to the reserve, but insisted that the customer pay GST/HST. She can claim a rebate for GST/HST she paid by filing a completed Form GST189, and providing proper documentation to support the claim.
- An Indian works for a band and had to go to a meeting off the reserve to discuss band management activities. His employer, the band, reimbursed him for his travel-related expenses. The band can get a GST/HST rebate on the travel expenses that they paid for (e.g., plane ticket, meals, and taxis), if they file Form GST189 with the proper documentation to support the claim.

For instructions, please see the CCRA publication called *GST/HST General Rebate Application Guide*.

Claims for rebates on GST/HST payments made before January 1, 2000, have to be filed by December 31, 2001.

For more information, contact a CCRA tax services office, call 1-800-959-5525, or visit the CCRA Web site at: [www.ccr.ca](http://www.ccr.ca)

To view the Technical Information Bulletin B-039R, *GST Administrative Policy Application GST to Indians*, go to: [www.ccr.ca/menu/EmenuKDB.html](http://www.ccr.ca/menu/EmenuKDB.html).

In Quebec, the ministère du Revenu du Québec administers the GST for the CCRA. For more information, contact an office of the ministère du Revenu du Québec, or call 1-800-567-4692.

#### Note:

In the examples, proper documentation includes items such as:

- a statement of the reason the tax should not have been paid;
- a statement detailing how the claim was calculated;
- original receipts for all purchases; and
- individuals making claims also have to give their Indian registration number.

For a GST/HST General Rebate Application guide, go to: [www.ccr.ca/menu/EmenuHDC.html](http://www.ccr.ca/menu/EmenuHDC.html).

## PRESS RELEASE

179 NORTH PARK ST., BELLEVILLE,  
ONTARIO K8P 4P1

## MEDIA RELEASE

## No positive birds yet but Health Unit still watching for virus

August 31, Belleville - No dead bird in this area has been found to have West Nile virus. The Hastings & Prince Edward Counties Health Unit has submitted over 30 specimens for testing so far this summer. The Health Unit also collected dead birds for testing last summer. No virus was found then either.

The Health Unit thanks residents of Hastings and Prince Edward for their assistance in reporting sightings of dead birds for the West Nile virus surveillance program. The Health Unit also reminds people that they are still on the lookout for West Nile Virus and will continue accepting calls regarding dead birds.

West Nile virus has been found in Ontario to the west and east of this area. With the heightened awareness of this issue, the Health Unit feels it is important to keep everyone up-to-date and informed. Nicole Baker, field technician, explains if people find a dead blue jay, crow or raven they should call their local Health Unit office. "These are the only birds we are collecting for testing because they are known to be the most susceptible to the disease," said Baker. "Maggot-ridden or deteriorated birds will not be considered for pickup or testing of West Nile virus."

In most cases, dead birds will be picked up on the same day. However, depending on the number of daily phone calls to the Health Unit (including weekends and holidays), people may be asked to store the dead bird in their freezer. Residents should not be concerned about contracting West Nile virus from birds. Only an infected mosquito can pass the virus to humans. The dead birds act as the first warning sign that West Nile virus may be in the area.

To report a dead blue jay, crow or raven or for more information on West Nile virus call the Health Unit at (613) 966-5513 ext 254. In North Hastings call the Bancroft office at (613) 332-4555.

Chief and Council  
Mohawks of the Bay of Quinte  
R.R. #1  
Deseronto, Ontario  
K0K 1X0

Dear Chief and Council:

## RE: WEST NILE VIRUS UPDATE

As part of Health Canada's National West Nile Virus initiative, Southern Ontario Environmental Health Officers have established a "bird surveillance/identification/collection" program in conjunction with health care providers within your community. Supplies (ie. cooler, ice pack, packing tape, etc.) have been purchased and provided to designated individuals to assist the EHO's with any sightings and forwarding of specimens for analysis to the Canadian Cooperative Wildlife Health Centre, University of Guelph. As well, reference binders have been forwarded to the Health Centres (in care of the Nurse-In-Charge) which provides basic information/reference material on West Nile.

In light of recent confirmations of the positive identification of the West Nile Virus in specific crows/bluejays within Southern Ontario, it is important for residents of your community to report any sightings of dead birds (crows/bluejays in particular) to your local Health Centres or Environmental Health Officer as soon as possible to determine the best course of action.

Enclosed is a copy and template of our West Nile Virus brochure which should be copied for distribution to your community members.

Should you have any questions, please contact me at 705-323-2772 or your EHO at the number below.

Yours truly,

  
George Korzeniecki  
A/Senior Environmental Health Officer  
Ontario Region - South

## What is West Nile Virus?

West Nile Virus is a disease spread by mosquitos. It was first discovered in North America in New York City during the summer of 1999. In 2000, it spread to other eastern states. It is highly likely that it could appear in Southern Ontario as early as 2001, in the summer or fall.

## How is It Spread?

West Nile Virus is spread to people by the bite of an infected mosquito. Mosquitos get the virus from birds.  
*Note: Humans cannot get the virus from another person, animal or bird.*

## What are the Symptoms?

Most people infected by West Nile Virus experience no symptoms or have very mild illness. A small number of people (usually the elderly and those with weakened immune systems) may experience mild fever, headache, a stiff neck and muscle weakness. In rare cases, these symptoms may progress to serious illness

involving inflammation of the brain and spinal cord.

The risk of getting West Nile Virus is extremely low. Protecting yourself against the nuisance of mosquitos can reduce the risk even further.

## Mosquito Control Methods:

## Personal Protection

- ◆ Minimize the time you spend outside during the evening when the mosquitos are typically feeding.
- ◆ Wear light coloured, dense material clothing to reduce mosquito attraction and limit bite penetration.
- ◆ Wear long pants, long-sleeved shirts, shoes and socks when you are at risk of mosquito contact like walking in the woods or by water.
- ◆ Apply insect repellent to skin when there is risk of mosquito contact.
- ◆ Whenever you use a repellent, carefully read and follow the manufacturer's directions.

## Around the House

- ◆ All doors and windows should have tight fitting screens in good repair.
- ◆ Remove all discarded tires from your property. They provide breeding areas for mosquitos.
- ◆ Dispose of water holding containers (tin cans, plastic jugs, ceramic pots) lying around your yard.
- ◆ Always circulate and chlorinate swimming pool water. Drain off pool covers.
- ◆ Turn over any plastic wading pools and wheelbarrows when not in use.
- ◆ Change bird bath water twice weekly.
- ◆ Ensure that your eaves troughs are clean and flow properly.
- ◆ Eliminate any low lying wet areas that allow water to settle in to reduce breeding areas.

For more information, contact your local Environmental Health Officer, Community Health Nurse or Community Health Representative; or visit the Health Canada website at:

<http://www.hc-sc.gc.ca/hpb/lcdc/bid/wnv/index.html>

## EDUCATION

### TRUSTEE'S REPORT SEPTEMBER 2001

Greetings to students, teachers, parents, grandparents, aunts, uncles, and all those interested in the services we receive from Hastings and Prince Edward District School Board (HPEDSB).

Check your calendars and mark the date of October 17<sup>th</sup>, 7:00 p.m. for the first meeting between community members and the new Principal and Vice-Principal of Moira Secondary School, in the gym at Quinte Mohawk School.

There will be information presented about the **Safe Schools Act** that I wrote about last month but more than that, Mike Brant is working on getting students involved in making this a fun and interesting evening. The Tyendinaga Education Committee is providing refreshments.

In mid-August I attended an all-day meeting of Tyendinaga Education Committee which was reviewing the terms of the tuition agreement under which Indian and Northern Affairs pays for the costs of educating Tyendinaga residents in HPEDSB schools. In the course of discussion the question arose: We need information on these things. Are we getting it from HPEDSB? It turned out that no one at Tyendinaga had asked for reports on the items in question, even though the tuition agreement specifies that reports will be provided as required.

That conversation started me thinking about the Mohawk ways I was brought up in and the culture of the larger society where I spent most of my working life. As one of ten children I learned that I didn't need to shout "Gimme" in order to receive my share of provisions. In fact, other members of the family looked around to see that everyone was taken care of before spearing the last pork chop on the platter.

In mainstream institutions other rules prevail. "The squeaking wheel gets the grease". If you need something you had better find ways of asking for it or you are likely to be left out. There are management books written on how to get a "Yes" when you go after something in an organization.

Chief and Councillors practise those management skills on a regular basis when dealing with governments. Band staff in charge of writing proposals spend endless hours learning the rules of how to ask on behalf of the community to get a "Yes" from program administrators in Toronto and Ottawa.

People who volunteer to improve education here in the community also devote a lot of hours trying to unravel the twists and turns of regulations so that the needs of the community can reach the right ears.

The meeting coming up in October is one opportunity for members of the community to talk about what they need and expect from education systems, for themselves and for their children.

We choose to maintain a Mohawk community at Tyendinaga because we believe there is much of value in our traditions. Living in harmony with our environment involves learning as a two-way street. We become role models for sharing and caring, and our neighbours in HPEDSB help us learn how to pursue successfully what we need from a fast-paced, individualistic society.

See you on the 17<sup>th</sup> at Quinte Mohawk School.

Skennen kowa. Great Peace to you.

Marlene Brant Castellano  
HPEDSB Trustee for Mohawks of the Bay of Quinte

## TYENDINAGA EDUCATION COMMITTEE MEMBERS WANTED!

Deadline for applications is  
*Wednesday Oct. 17*

For more information call Lashelle Brant  
at 396-3424

## BEFORE & AFTER SCHOOL PROGRAM

We have a.m. spots still available.  
If interested please call  
*Mary or Faye* at the Daycare

**967-4401**

*Fksa O'kon: a Childcare Centre*

**We require call in casual supply staff!**

**Prior experience working with children, a clear criminal reference check and patience are required. If you would like further information or to be included in our next supply staff training session please call 967-4401**

**Prizes are awarded for the first five that take the Training session.**

**Or if you would like to volunteer some of your time at the Centre please call the above number.**

Remember if you have an EMERGENCY  
CALL

# MOHAWK FIRE DEPARTMENT

## Sprinting for First Kitchen Safety

**KNOW THE FACTS IN ONTARIO**  
According to the Office of the Fire Marshal:

On average, there are 2,121 reported home fires each year associated with cooking equipment, killing 14 people.

Cooking fires are the #1 cause of home fires and home fire injuries.

Unattended cooking is the leading cause of home cooking fires.

2.6 in every 10 reported home fires start in the kitchen – that's more than any other place in the home.

### Cooking safety tips

**GREASE FIRES:** Always keep a potholder, oven mitt and lid handy. If a small grease fire starts in a pan, put on an oven mitt and smother the flames by carefully sliding the lid over the pan. Turn off the burner. Don't remove the lid until it is completely cool. Never pour water on a grease fire and never discharge a fire extinguisher onto a pan fire, as it can spray or shoot burning grease around the kitchen, actually spreading the fire.

**OVEN FIRES:** Turn off the heat and keep the door closed to prevent flames from burning you and your clothing.

**MICROWAVE FIRES:** Keep the door closed and unplug the microwave. Call the fire department, if necessary, and make sure to have the oven serviced before you use it again. Food cooked in a microwave can be dangerously hot. Remove the lids or other coverings from microwaved food carefully to prevent steam burns.

### SAFETY ADVICE

Never leave food cooking on the stovetop unattended and keep a close eye on food cooking in the oven.

Keep cooking areas clean and clear of combustibles such as potholders, towels, rags, drapes, and food packaging.

Keep children and pets away from cooking areas by creating a one metre "kid-free zone" around the stove.

Turn pot handles inward so they can't be bumped and children can't grab them.

Wear short, close fitting, or tightly rolled sleeves when cooking. Loose clothing can dangle onto stove burners and catch fire.

Never use a wet oven mitt, as it presents a scald danger if the moisture in the mitt is heated.

## Heading for Second Heating Safety

**KNOW THE FACTS IN ONTARIO**  
According to the Office of the Fire Marshal:

On average, there are 1,049 reported home fires per year associated with heating equipment, killing 8 people.

Heating fires are the third leading cause of home fires.

Most heating fires involve space heaters, not central furnaces.

Installing space heaters too close to combustibles (or placing combustibles too close to them) are major causes of space heater fires.

### Heating safety tip

**CHIMNEYS AND HEATING SYSTEMS:** Have chimneys and heating systems checked at least once a year and cleaned, if needed, by trained professionals. (Fires in wood-burning heating equipment are often caused by the build-up of creosote, which are deposits of unburned fuel.)

### SAFETY ADVICE

Space heaters need space. Space heaters should be at least one metre away from walls, furniture, and anything that can burn, including people and pets.

Always use the proper fuel in a heater. For example, never use gasoline as a fuel in a heater designed for kerosene or oil.

Portable space heaters should be turned off every time you leave the room or go to sleep.

Have a sturdy screen on your fireplace. A metal screen or built-in glass doors will keep sparks from flying into the room.

## Rounding Third Electrical Safety

**KNOW THE FACTS IN ONTARIO**  
According to the Office of the Fire Marshal:

On average there are 700 home fires per year associated with wiring, switches, outlets, cords and plugs, fuse and circuit breaker boxes, and other equipment involved in distributing electricity around the home. These electrical service equipment fires annually kill 2 people.

Each year, electrical shock (not resulting in a fire) causes many burn deaths and burn injuries.

### Electrical safety tips

**GFCIs:** (ground fault circuit interrupters) can greatly reduce the risk of shock by shutting off faulty electrical circuits and equipment faster than conventional fuses or circuit breakers can. GFCIs are inexpensive; professional electricians can hard-wire them into your home electrical system.

**PUSH BACK:** In the kitchen, push back cords for countertop appliances to keep young children from pulling them off the counter.

### SAFETY ADVICE

Replace or repair any electrical device with a loose or frayed cord.

Avoid running extension cords across doorways or under carpets.

In homes with small children, electrical outlets should have plastic safety covers.

Follow the manufacturer's instructions for plugging an appliance into a receptacle outlet. Most receptacle outlets contain two receptacles. As an added precaution, consider plugging only one high-wattage appliance into each receptacle outlet.

Avoid the use of "cube taps" and other devices that allow the connection of multiple appliances into a single receptacle.

Place lamps on level surfaces, away from things that can burn.

Use bulbs that match the lamp's recommended wattage.

# MOHAWK FIRE DEPARTMENT & POLICE

## Home Plate The Basics

### KNOW THE FACTS IN ONTARIO

According to the Office of the Fire Marshal:

On average, there are 8,180 home fires reported each year to Ontario fire departments.

Eighty-five percent of all Ontario fire deaths occur in the home.

Seventy-five people died in non-intentional home fires in Ontario in 2000.

Smoke alarms are the most effective early warning device available. Having a smoke alarm in your home cuts your chance of dying in a fire nearly in half!

### Home escape tip

**AUTOMATIC SPRINKLERS:** Consider installing an automatic sprinkler system if you are building a new home, or retrofitting your existing home with a system.

### Keep "The Great Escape" Alive!

"The Great Escape" campaign might be over, but it's not forgotten! Home fire escape planning and practice is the home plate message of this year's campaign. In order to complete a "safety homerun," families need to develop and practice their escape plan. In the grand tradition of "The Great Escape," organize a community-wide fire drill. Planning a community-wide fire drill involves:

- o Picking a time and date for the drill.
- o Asking residents to participate by developing a home fire escape plan, and practicing it during the chosen time.

It is important to get the word out to the community and let everyone know when the fire drill will officially take place.

### SAFETY ADVICE

Install at least one smoke alarm on each level of your home and in or near all sleeping areas. Smoke alarms should be tested once a month and batteries replaced once a year or when the alarm beeps, warning that the battery is low.

Every household should develop and practice a home fire escape plan that includes two ways out of every room and an outside meeting place.

## POLICE PAGE UNSOLVED CRIMES!

On August 18, 2001, Tyendinaga Police received a report that a yellow Polaris 4 wheel ATV had been stolen sometime overnight from a residence on Gussy's lane, which is just west of the Skyway bridge.

The ATV had been stored in a locked shed at the north side of the house with another ATV. The owner advises that someone was heard banging on something about 3:30 am, but it was thought to be a neighbour.

The shed door was secured with a latch and padlock. The latch was simply pried off and the ATV removed. There was a second ATV that was parked beside the first that didn't appear to be moved.

The ATV is valued at approximately ten thousand dollars and is described as; 2000 Polaris 4 wheel ATV, yellow, model A00, serial #4ACH33A8YA339534. At the time it was taken, it had an Ontario off road vehicle plate #84AE1 attached.

On September 3, 2001, Tyendinaga Police received a report of a wood splitter and an outboard motor being taken from a residence located at 65 Dundas Street. This residence is actually on Tyendinaga Territory, at the west edge of Deseronto.

The complainant reports that the items were taken from behind the residence sometime overnight.

The wood splitter was a Saucoya; yellow and orange valued at \$900.00

The boat motor was a 1989, 15 horsepower Evinrude, white with grey on the bottom valued at \$1,900.00.

On September 10, 2001 Tyendinaga Police received a report of a theft of a large quantity of cigarettes and tobacco from a Territory business. It was reported that sometime during the morning, between 09:00 a.m., and 11:11 a.m., unknown suspect(s) entered a storage shed and stole a large quantity of cartons of cigarettes and tobacco.

The shed had a chain fence with two guard dogs, inside the fenced area but outside the shed as deterrents. The complainant would unlock the door during the day, as the dogs would be there and then lock the door at night and put the dogs in the house. The shed has no window and a secured steel door, with a deadbolt lock.

The victim attended the shed to get cigarettes for the business and noticed his guard dogs had been secured to the fence using their leashes. When he entered the shed he noticed cases of cigarettes had been taken. The storage shed is not visible from inside or in front of the business.

An older (possibly 80's model) maroon Cadillac, was observed to drive by the business slowly, sometime during the morning prior to finding cigarettes stolen.

A white cube van was also noticed in the area, and in fact observed in front of the shed that morning by another witness. This cube van was noticed to have an Ontario plate, #553-YLM, which expired in 1998. On the side of the van, the word "Aluminum" is barely visible. It appeared as though it had been either painted over, or the lettering had been removed sometime ago.

Three males were also seen walking on the road near the residence that morning.

Taken in the theft were approximately 2,450 cartons of cigarettes (mostly in cases) of various brands of cigarettes, and approximately 200 cans of various brands of tobacco. The cartons were both provincial issues (yellow sticker on carton, yellow band on package), and Native quota issue. The quota cigarettes would have only a number printed in black on a gold seal on the carton. This theft is valued at approximately \$80,000.

ANYONE WITH INFORMATION ABOUT THESE OCCURRENCES, OR ANY OTHER CRIME, IS ASKED TO CONTACT THE TYENDINAGA POLICE AT 967-3888, OR TO ANONYMOUSLY CALL CRIME STOPPERS AT 969-8477. IF YOUR CALL TO CRIME STOPPERS RESULTS IN AN ARREST, YOU MAY BE ELIGIBLE FOR A CASH REWARD.

## MOHAWK FIRE DEPARTMENT

The Mohawk Firefighters in September responded to 4 calls:

- 1 - Mutual Aid
- 1 - Possible Explosion
- 1 - Transformer Fire
- 1 - Smoke Investigation

**This brings our total to 53 calls for 2001.**

**\* ATTENTION \***

**CURRENT OR  
POTENTIAL COMMUNITY BUSINESSES**

If anyone is looking for retail space in the community. Please contact the Economic Development Department at the Administration Office

**396-3424 ext. 110**

## POLICE & EMPLOYMENT OPPORTUNITY

### CRIME STOPPERS QUINTE INC.

If you have any information about an unsolved crime call Crime Stoppers. You may be entitled to a cash reward if your tip leads to an arrest.

### JOB OPPORTUNITY

(FOUR POSITIONS AVAILABLE)

#### YOUTH WORK EXPERIENCE PROGRAM

Sponsored by:

#### FIRST NATIONS TECHNICAL INSTITUTE

This work experience program will run for 9 months, starting in December 2001. The 4 successful applicants will be placed in an on-the-job training position in the career of their choice.

Eligibility:

- must be a member of the Mohawks of The Bay of Quinte
- must be 18-25 years of age
- must be unemployed
- must have transportation

To apply or for more information, please contact:

Jake Brant  
Community Programs  
First Nations Technical Institute  
# 3 Old York Road  
Tyendinaga Mohawk Territory  
K0K 1X0  
(613) 396-2122

Deadline: Friday November 2, 2001 at 4:00pm.

### REQUIRED IMMEDIATELY DIRECTORS FIRST NATIONS TECHNICAL INSTITUTE

The Tyendinaga Mohawk Council and the Board of Directors of First Nations Technical Institute are currently seeking individuals interested in serving on the Board of Directors of FNTI. Participation on the Board of Directors is voluntary. The regular term of a Director is two and three years in length. Regular meetings of the Board are held monthly, with additional special meetings being called as required.

The Board of Directors of FNTI seeks to maintain its' breadth and depth of experience and knowledge that represents a cross-section of the community of Tyendinaga. As the Institute is primarily an educational institution, individuals with an education background would be suitable candidates. As well, the Institute is also a non-profit, charitable organization. For this reason, a background in business, accounting or entrepreneurship would also be suitable. The mandate of the Institute is to provide culturally appropriate and accessible training and education opportunities for the community of Tyendinaga as well as for First Nations communities elsewhere. Therefore, a strong cultural knowledge or background would also be suitable.

Participation on the Board also involves working on sub-committees of the Board. These sub-committees may be responsible for developing proposals, reviewing and revising budgets, contract and/or financial negotiations, development of recommendations and decision making. For these reasons, experience or training in such matters would also be an asset.

The Directors of FNTI are community-minded and work as a team. Therefore, it is essential that new Directors have excellent people skills and communication skills, are cooperative, and demonstrate a dedication to the betterment of Tyendinaga.

Individuals who feel they have the required background, experience and knowledge are asked to apply in writing for a seat on the Board of Directors. A resume and covering letter outlining what you have to offer in participation on the Board will be accepted as application. The deadline for receipt of applications is Monday, October 15, 2001, 4:00 p.m. at FNTI.

An eligibility list of qualified applicants will be developed that will be valid for a one-year period. This list will be utilized to fill positions on the Board, which become vacant in this year.

### SELECTION PROCESS DIRECTORS BOARD OF FIRST NATIONS TECHNICAL INSTITUTE

1. A Nominating Committee will be appointed, made up of two Directors of FNTI and one representative of the Tyendinaga Mohawk Council.
2. Selection Criteria for Directors of FNTI will be developed by the Nominating Committee.
3. Individuals interested in serving on the Board of Directors of FNTI will be solicited through local advertising.
4. Applicants will be screened according to the previously identified criteria.
5. Interview questions will be developed by the Nominating Committee, along with a grading scheme.
6. Short-listed applicants will be interviewed by the Nominating Committee.
7. A list of candidates for Directorships will be developed by the Nominating Committee and prioritized, in order of eligibility according to skills and knowledge required, for presentation to the Tyendinaga Mohawk Council.
8. Tyendinaga Mohawk Council will appoint Directors to the Board of FNTI from the provided list based on skills and knowledge required.
9. The eligibility list will be valid for a one-year period.

# ELECTIONS

Hi, my name is Kelly Maracle, I am the electoral officer for the December 2001 election for Mohawks of the Bay of Quinte. I will be working with Theresa Neil and Wonita McDonell. They will be acting as Deputy Electoral Officers for the election.

There have been a number of changes regarding Indian Act elections due to the recent Corbiere decision. I have summarized those for you to read.

If you have any questions or concerns please feel free you contact anyone of us.

Kelly Maracle 396-5994  
Theresa Neil 396-3949  
Wonita McDonell 962-6399

### Overview of Corbiere Decision

On May 20, 1999 the Supreme Court of Canada decided that seven words within the Indian Act [Section 77 (1)], was against the Canadian Charter of Rights and Freedom. Those words were "and is ordinarily resident on the reserve".

The Supreme Court of Canada suspended the implementation of the ruling for 18 months so to give everyone a chance to consult among the First Nations and Government agencies. The Corbiere Decision came into effect November 23, 2000.

**Section 75 (1) of the Indian Act still applies.** This requires candidates for the position of Councillor to be a resident of the Reserve. In order to nominate for Council you must also be a resident of the Reserve.

In order to run for Chief or nominate for Chief you can reside on or off Reserve (Goodswimmer Case)

There are mail-in Nominations, which will be mailed to the last known address of off-Reserve members. However off-Reserve members are also welcome to the nomination meeting if they so desire. On-Reserve members may also nominate by attending the meeting or by using in the mail-in system. If you live On-Reserve and would like a mail-in nomination form, please contact the electoral officer (Kelly Maracle).

Changes to the nomination meeting are that it must be held at least 42 days prior to the election day, and must be a minimum of three hours. Only nominations received by nomination day at the close of the meeting will be accepted.

Mail-in ballots will also be available for off and on-Reserve members. On-Reserve members will again have to request this package in advance. All members are also welcome to come to the polling station to cast their vote.

The polling hours are now a mandatory 9:00 a.m. to 8:00 p.m.

Candidates can withdraw their names right up until the close of the polls.

Voters whom require assistance may now do so with the electoral officer of deputies in the presence of another voter chosen by the elector requiring the assistance.

It is an option given that we will be exercising that the counting of the ballots will be held on the day following the election.

*If you require any further clarification of information please feel free to contact us.*  
Kelly Maracle 396-5994 Theresa Neil 396-3949 Wonita McDonell 962-6399

### Tyendinaga First Nation Members Living Off-Reserve Have you registered to vote in the December 1<sup>st</sup> 2001 Election?

#### TAKE NOTICE THAT:

If you are a Tyendinaga First Nation member living off-Reserve and you wish to participate in your community's election - register to vote by providing your name and address to your band office.

- In order to participate in the Nomination Meeting you need to be entitled to vote at this election. To vote at the election, you need to appear on the Voters List. If you are not registered, you may wish to register prior to December 1, 2001 by providing your name and address to:

Mohawks of the Bay of Quinte  
Attn: Molly Kohoko - membership  
R.R.#1  
Deseronto, Ontario K0K 1X0  
613-396-3424

or

Kelly Maracle  
Electoral Officer  
831 Lower Slash Road  
Deseronto, Ontario K0K 1X0  
613-396-5994

The Voters List will be posted in at least one conspicuous place on the reserve. However, specific questions as to its content may be referred to the Electoral Officer.

#### TAKE FURTHER NOTICE:

- The nomination meeting will be held on October 13, 2001 at Quinte Mohawk School, Tyendinaga Mohawk Territory from 9:00 am to 12:00 pm

Off-Reserve electors may nominate ONLY for the position of Chief or second ONLY for the position of Chief. They may do so by providing by mailing or delivering written nomination to the electoral officer or by orally nominating at the nomination meeting.

- The Electoral Officer will send mail-in ballots and voting information to registered off-Reserve voters 35 days prior to election day. However, if you are an on-Reserve band member and you wish to vote by mail-in ballot, you may request one by contacting the Electoral Officer.
- If you, as an elector, wish to receive information from candidates, you may inform the electoral officer to have your address released to the candidates. A release form will also be included in your mail-in nomination package.

#### FOR NOMINATION MEETING OR ELECTION INFORMATION, PLEASE CONTACT THE FOLLOWING:

Mohawks of the Bay of Quinte Administration Office 613-396-3424  
Kelly Maracle, Electoral Officer 613-396-5994

For information on or a copy of the Indian Band Election Regulations please contact the above numbers.

## NOMINATION DATE

Saturday, Oct. 13/01  
9:00 a.m. - 12:00  
Quinte Mohawk School

## ELECTION DATE

Saturday, Dec. 1/01  
9:00 a.m. - 8:00 p.m.  
Quinte Mohawk School

## RED CEDARS

## MYTHS ABOUT LESBIAN AND GAY DOMESTIC VIOLENCE

- Only heterosexual women get battered. Men are never victims of domestic violence and women do not abuse.
- Domestic violence is more common in heterosexual relationships than it is in lesbian or gay male relationships.
- It isn't really violence when a same-sex couple fights. It is just a lover's quarrel and a fair fight between equals.
- It isn't really violence at all when gay men fight is just boys being boys.
- The batterer will always be butch, bigger and stronger. The victim will always be femme, smaller and weaker.
- People who are abusive under the influence of drugs or alcohol are not responsible for their actions.
- Gay men's domestic violence has increased as a result of alcoholism, drug abuse and the AIDS epidemic.
- Lesbian and gay domestic violence is sexual behavior, a version of sadomasochism: the victims actually like it.
- The law does not and will not protect victims of lesbian and gay men's domestic violence.
- Lesbian and gay male victims exaggerate the violence that happens to them. If it were really that bad, they could and would just leave.
- It is easier for lesbian or gay victims of domestic violence to leave the abuser than it is for heterosexual battered women.
- Domestic violence primarily occurs among gay men and lesbians who hang out at bars, are poor or are people of color.
- Victims often provoke the violence done to them. They are getting what they deserve.
- Lesbian or gay male victims of domestic violence are co-dependent.

Reproduced from: National Lesbian and Gay Health Foundation Conference, July 1997

### Battering in Intimate Relationships: "The Wheel"

The abusive behaviours depicted in the wheel can be present in ANY intimate relationship, and in both heterosexual and gay and lesbian couples. But lesbian and gay partners are in **DOUBLE JEOPARDY**

### Using Isolation

- controlling what you do, who you see and talk to, where you go, limiting your outside involvement
- using jealousy to justify actions
- sabotaging new relationships
- not allowing you to be involved in gay/lesbian community
- using social marginalization and invisibility of gays and lesbians to increase your isolation
- benefitting from lack of safe places to be 'out'

(2)

### Using Emotional Abuse

- putting you down, calling you names, making you feel bad about yourself
- playing mind games, making you think you are crazy
- humiliating you in front of your friends
- denying existence of the relationship to you or community
- imposing non-negotiated 'closeting'
- encouraging shame and self-hatred about being lesbian/gay

### Using Children

- using visitation (access) to harass you
- using children to relay messages, telling them bad things about you
- threatening to take children away
- making you feel bad about your parenting
- threatening to 'out' you so you are at risk of losing children from previous heterosexual relationship
- denying you parental rights as co-parent

### Using Intimidation, Coercion and Threats

- making you afraid by using looks, actions, gestures
- smashing things
- threatening to report you to welfare, immigration, etc.
- purchasing or displaying weapons
- abusing pets or destroying cherished items
- using threats to disclose gay/lesbian identity to friends and family
- coerced role-playing

### Minimizing, Denying and Blaming

- making light of the abuse
- saying the abuse didn't happen
- saying you caused the abuse
- blaming stress for problem
- calling abuse 'mutual' which is further reinforced by heterosexist myths that women don't hurt each other or that "boys will be boys"

### Physical Abuse

- hitting, slapping, punching, biting, kicking, pushing or harassing you in any way
- confining, hiding or preventing you from leaving
- withholding/preventing you getting physical care, food, or medication
- the assumption of mutual battering leads to abuse being overlooked
- assumption that batterer is butch or larger
- batterer may accompany you to hospital and be overlooked

### Using Social Status and Privilege

- reinforcing control over you by use of gender, race, class, sexual orientation, immigration status, age, occupation, wealth, physical or developmental ability
- using institutions to reinforce power or privilege
- using absence of legal rights (family, property, etc.) To reinforce power and control
- maintaining heterosexual pretense for sake of isolation and privileges

### Using Economic Abuse

- preventing you from getting or keeping a job
- taking your money
- making you ask for money or an allowance
- not allowing your participation in financial decision making
- threatening to out you at work
- denying your contributions or rights to family assets

### Sexual Abuse

- any sexual activity that is unwanted or coerced
- sexual name calling or accusations
- uninformed sexual activity, i.e. non-disclosure of STD/HIV status
- forced pregnancy or termination of pregnancy
- a lesbian or gay man is less likely to request and to receive assistance (e.g. rape is limited to focus on heterosexual rapes)

materials adapted from the Dattered Women's Advocacy Centre, London ON

## COMMUNITY OUTREACH WORKER

### PURPOSE

The purpose of the Outreach Worker Program is to offer the community Out-patient crisis counselling, court support, advocacy, awareness and knowledge of Family Violence and follow-up of clients. The Outreach Worker connects with other agencies maintaining resources and updating information. The Outreach Worker also provides a stimulating and interactive program for children.

### GOAL

To build a foundation of trust within the community based on Traditional beliefs and values while respecting all cultures and races. To offer choices and alternatives to living with abuse.

### SERVICES OFFERED

- Counselling in settings that are safe and convenient for those wishing to access the services. This could include home visits, visits at the shelter, or any other safe meeting place designated by the community member.
- Support during court appearances and guidance of the Judicial System and victim rights
- Advocate on behalf of any person needing assistance dealing with Family Violence issues. This could also include addressing housing issues, talking with police, helping with Legal Aid or Social Services.
- Provide an environment based on compassion and confidentiality.
- Interact with non-native agencies providing cultural awareness and sensitivity when working with Native people.
- leadership and knowledge regarding abuse issues and works as a team player with other staff members at Red Cedars Shelter.
- Follow-up on any person who has left the Shelter to ensure their needs are being met and provided support. Also providing programs

### WHO CAN ACCESS THESE SERVICES

- Any community member on or off Tyendinaga Mohawk Territory
- Any native or non-native person.

### WHAT CAN YOU EXPECT FROM THESE SERVICES

- A Professional and confidential quality of care.
- Compassion and understanding.
- A non-judgmental and non biased environment.
- Safety, trust and honesty.

**All Women Welcome!**

**WHERE: RED CEDARS SHELTER**  
**WHEN: OCT. 2, 2001**  
**TIME: 7:30 P.M.**  
 Please wear a skirt and bring water and tobacco if you can.  
**Call for more information: 967-2003**  
**POTLUCK after the Ceremony**

*National CHR Day*

*September 20 2001*

*A tribute to Community Health Representatives*

*written by Peter Stevens, 1993*

We are your friends and I might be a brother, a sister, a mother.

Yes, at times I might be your father.

I have stood by you in times of sadness and joy.

I have seen and treated your young as well as your old.

I look for you, not below you, not above you.

For I am your equal in times of sickness and good health.

Bring me your sick and your poor.

Bring me your community and your children.

I will tend to them with tender loving care and respect.

I am a part of them as they are part of me.

I am not the government or a person with many rules and regulations.

I am a CHR that cares and respects the native culture, values, customs and traditions.

I cannot perform miracles, nor cure all your ills.

But I will be there whenever you need a person to help you.

I am a CHR, a friend, sister, mother.

I am a servant to my community.

*CHR's of Tyendinaga Territory, Crystal, Lesley & Missy*

## HEALTH CENTRE

## The Smart Shopper

For People Who Want to Stretch Their Food Dollar

**The Good Food Box**

Pickup 3rd Thurs. each month  
Smart Shoppers pay just \$15.00 to buy a Good Food Box of fresh, healthy, nutritious fruits and vegetables at a fraction of the cost you'd pay at the grocery store.

**The Good Lunch Box**

Pickup 2nd Thurs. each month  
Smart Shoppers pay just \$15.00 to buy a Good Lunch Box filled with healthy breakfast, lunch, and snack foods at nearly half of what it would cost anywhere else.

**"Good" Kids Eat Smart**

Anyone who can benefit by eating good, healthy food is invited to participate.

Collective buying from local growers and grocers helps families to reduce their food costs, stretch their food dollar, and meet their own food needs.

**Children who eat well,  
learn better!**

*The Community Development Council is proud to be a United Way Member Agency!*

**How It Works!**

Your fifteen dollars is paid once each month to a volunteer co-ordinator who collects the money from those people in their neighbourhood who want to participate. Your co-ordinator brings it to the CDC. We buy the items to go into the food boxes in bulk.

Boxes are packed on the second and third Thursday of the month (depending on which box you order).

**The Allergy-Proof Home: What YOU Can Do Today**

Following these simple steps can enable you to make your own home more allergy-proof year-round:

- Damp mop floors regularly with a disinfectant solution, and wipe down baseboards thoroughly.
- Dust all other surfaces regularly with a damp cloth.
- Use a canister vacuum cleaner that is vented to the outside of the house by means of a second hose attached to the exhaust and hung out the window or use a built in central vacuum.
- Replace venetian blinds with roll-up shades that are washable.
- Remove all rugs of any kind.
- Replace electric fans with air conditioning, and keep windows closed – even in summer.
- Keep all clothes stored in closets, with woollens in zippered plastic bags.
- Replace all feather or foam rubber pillows with ones having non-allergenic stuffing.

☺ **RAFFLE WINNERS!!!** ☺

The *Coalition for Healthy Lifestyles* held a raffle at the Mohawk Fair with proceeds to the Stepping Stones to Diabetes Awareness 2002 Conference. The winners of the hand made Native dolls were as follows:  
Janean Hager, Deseronto  
Doralene Hennessey, Bloomfield  
Eartha Marx, Kingston

The *Coalition for Healthy Lifestyles* also sponsored a raffle at the Pow Wow in August. A sports bag filled with goodies to help you stay healthy (\$200 value) was won by Betty McLaughlin, Trenton.

Thank you to all who donated the wonderful prizes and also to all who purchased tickets,

Volunteer Committee Members,  
*Coalition for Healthy Lifestyles*

**THAYENDANEGA HEALTH CENTRE**

To ensure community awareness of the types of services offered at the Thayendanege Health Centre, an information booth was created and on display at the Mohawk Fair on Saturday, September 8. The Marketing Team of the Thayendanege Health Centre wish to express our appreciation to all the Health Centre staff who donated a prize for the free draws. We would also like to thank the those who assisted with setup and removal of the display board and canopy, and to all who spent time at the booth to answer questions. Special thanks to Melissa "Missy" Maracle who put the information board together!

Congratulations to the following winners of our draws:

Sandra Brant  
Manson Loft  
Carol Loft  
Jennifer Maracle  
Tammy Yates  
Lois Collins

Anna Stapley  
Ashley Spencer  
Connor Maracle  
Riley Leaf  
Stafford Maracle

The Tyendinaga Home Support program provides services that support and encourage independent living to seniors living in the community age 55 plus. We are located at:

Thayendanege Health Centre  
R.R. 1, 1658 York Road  
Deseronto, Ontario  
K0K 1X0  
Phone: 613-967-3603

Home Support programs include:

**Meals on Wheels Program** – A hot nutritious meal is delivered every Tuesday and Friday between 11:30am and 12:30pm. Meals also available for anyone who is a diabetic.

**Diner's Club Program** – Every second and fourth Wednesday of each month a nutritious meal is prepared and served at the Elders Lodge at 12:00pm.

**Transportation Program** – The Home Support Mohawk Hand-van is used to transport seniors living in the community to all Home Support and community activities. Every Monday and Friday between the hours of 9:30am and 12:30pm, the hand-van transports seniors living in the community to Deseronto to do banking, shopping, etc.

**Home Maintenance Program** – Assistance is provided for household tasks beyond the individuals capability. Examples of this service would include; grass cutting, painting, window washing.

**Social and Recreational Programs** – Provides supervised activities for seniors in a group setting. Examples of this service include ceramic classes, bowling, monthly grocery shopping trip and special pre-arranged outings.

**Friendly Visits** – Provides "friendly visits" to seniors in their homes. Visits are made by staff and volunteers, under agency supervision.

The Home Support Team consists of:

Tracey Burnett, Coordinator  
Jessica Brant, Resource Person  
Gloria Brant, Cook  
Georgina Hill, Handi-van Driver  
Orla Maracle, Meals on Wheels Volunteer  
Donald Loft, Home Maintenance Volunteer

For more information regarding the Home Support program, please contact Tracey or Jessica at 967-3603.

## HEALTH CENTRE

### Understanding Asthma

Knowing about the lungs and how they work can help you understand asthma.

The lungs supply the body with oxygen. They also help the body get rid of carbon dioxide. As you breathe in, air passes through your nose or mouth into your windpipe "trachea". It then goes into the right and left lungs. Here, the airways "bronchial tubes" divide into smaller and smaller branches, which end in tiny air sacs called "alveoli".

The alveoli are surrounded by blood vessels. This is where oxygen goes into the blood and carbon dioxide comes out of the blood.

People with asthma have sensitive airways that can react to certain "triggers" such as cold air and pollen. A trigger can cause the airways to get smaller. This makes it harder for the air to move in and out of the lungs. The airways can get smaller in two ways.

Normal Bronchi

air passage wide

Asthmatic Bronchi

muscle air passage narrow

1. Tightening of the muscles that surround the airways.
2. Swelling and build up of mucus inside the airway walls.

When this happens, people with asthma may have wheezing, coughing, a tight chest or shortness of breath.

If you would like more information on Asthma, please call the Health Centre at 967-3603

## Some Possible Asthma Triggers

### ALLERGIES

- Foods such as nuts, chocolate, eggs, orange juice, fish, milk, peanut butter.
- Pollens from flowers, trees, grasses, hay, ragweed. Mold spores.
- Animals such as rabbits, cats, dogs, hamsters, gerbils, chickens, birds.
- Feather pillows, down comforters.
- Insect parts such as those from dead cockroaches.

### WEATHER

- Blasts of cold air.
- Excessive humidity.
- Changes in seasons.

### AIR POLLUTION

- Traffic jams.
- Parking jams.
- Smoke-filled rooms.

### EXERCISE

- Wheezing may begin after overexertion.

### INFECTIONS

- Colds, other viruses, bronchitis, tonsillitis, sore throat.

### NIGHTTIME

- Lying down, tiredness, accumulating mucus.

### EMOTIONS

- Fear, anger, frustration, laughing too hard, crying, coughing.

### SMOKE

- From cigarettes, cigars, pipes - either yours or someone else's.

### HOUSEHOLD PRODUCTS

- Vapors from cleaning solvents, paint, paint thinner, liquid chlorine bleach.
- Sprays from furniture polish, starch, cleaners, oven deodorizers.
- Spray deodorants, perfumes, hair sprays, talcum powder, scented cosmetics.

### DUSTS

- Cloth upholstered furniture, carpets, draperies that gather dust.
- Brooms and dusters that raise dust.
- Dirty filters on hot air furnaces and air conditioners that put dust into the air.

### ON THE JOB

- Dusts, vapors, or fumes from:
  - Wood products (western red cedar, some pine and birch woods, mahogany).
  - Flour, cereals, grains, coffee, tea, papain.
  - Metals (platinum, chromium, nickel sulfate, soldering fumes).
  - Cotton, flax, hemp.
  - Mold from decaying hay

## NURSING MOTHERS' GROUP of Tyendingaga invites

### BREASTFEEDING MOTHERS & BABIES

we could help with (i.e. transportation, child care etc.)  
please call 967-3603

### THE BREASTFEEDING CIRCLE

#### What is nipple confusion?

"Nipple confusion" refers to the problems that can occur for a breastfeeding baby that are believed to be directly related to giving artificial nipples while the baby is learning to breastfeed (generally the first 3-6 weeks). Artificial nipples includes nipple shields worn during breastfeeding, & pacifiers, as well as bottles.

Breastmilk in a bottle will not prevent nipple confusion, as some people think. Newborns become confused because the tongue, jaw & mouth need to move differently nursing at a mother's breast than sucking on a pacifier, bottles, or nipple shields; and because the flow of milk from a mother's breast is different from the flow of milk from bottles. "The newborn has a limited ability to adapt to different sucking patterns and differences in flow in the early weeks."<sup>1</sup>

A mother may notice that her baby may go to her breast, but then "seem to not know what to do". Some babies may latch on, take 1 or 2 sucks, then cry or seem to "spit the nipple out". Others will cry, push away, arch & refuse to be near the breast, even when hungry. These are the more obvious cases of nipple confusion.

Some people think that a baby "doesn't seem to be confused" if the baby is willing to accept both breast & bottles at first. However, a baby's suck can be so altered by using artificial nipples that a wider range of problems can develop that are not commonly associated with nipple confusion:

- dehydration or weight loss
- no weight loss but baby not gaining
- slow weight gain
- gaining satisfactorily, but baby needs very frequent prolonged nursings...nearly constant.
- "colic"
- mother has sore, cracked nipples, plugged ducts &/or mastitis
- baby unable or unwilling to nurse away from familiar environment
- gradual bottle preference & breast refusal

Some babies are affected by one or more of these symptoms after only one artificial nipple. Most young babies given bottles regularly will start to prefer the bottle &/or become impatient at the breast within 1-2 weeks.

The existence of nipple confusion is not universally accepted by some health professionals working in hospitals where mothers & babies are discharged before severe nipple confusion becomes obvious. Where true support for breastfeeding exists, the possibility of nipple confusion is prevented by giving any medically necessary supplements to babies by cup, spoon, syringe, dropper, lactation device, or finger feeding.

#### Is it okay to use a pacifier later on?

Technically the risk of nipple confusion is less after 3-4 weeks of breastfeeding well. However, also consider the following:

- babies using pacifiers suffer more thrush & later dental problems.
- sometimes pacifiers are recalled due to choking hazards.
- carcinogens can be formed in your baby's mouth as saliva reacts with some pacifier materials
- nursing for pacification has emotional benefits, contributes to a plentiful milk supply, & helps delay the return of ovulation.

Jytte Cooper and Gale Hayward for the Breastfeeding Support Group

Brenda Asselstine Community Health Nurse

# ABORIGINAL HEADSTART & CULTURAL/ RECREATION FACILITY

## WELCOME BACK TO TAHATIKONHSOTONTIE HEAD START

We are excited to announce the following Parent  
Workshop:

### CULTURAL AWARENESS

Gain a better understanding of our "Creation Story" and  
other teachings.

Katsitsiase "Betty" Maracle and some other special  
invited guests will be presenting this information every  
Thursday evening in October from 6:30 - 9:00 pm.

An agenda/outline of the program with names of the  
invited speakers/guests will be provided

Please Sign up on the sheet provided on the Parent Board as there are only  
15 spaces available - first come first served.

Childcare may be provided depending upon the numbers requesting.

## Guiding Children's Behaviour

1. Express your love and respect for your children each day.
2. Notice children's good behaviour and their efforts to make things work.
3. Plan ahead to provide a safe play space with interesting and age-appropriate activities.
4. Be predictable by providing a routine, being consistent, following through on consequences.
5. Set up reasonable limits, expectations and consequence that relate to each child's age and temperament.
6. Communicate rules, limits and consequences clearly.
7. Gradually teach your child to handle a range of emotions
8. Redirect, distract or use humour to help a child to calm down.
9. Offer choices and let them learn from consequences.
10. Model problem solving, negotiating and understanding of others, as well as the behaviours you want your child to have - teach and lead instead of using force.

**REMEMBER:** Be firm but have realistic expectations, it takes time for children to learn acceptable behaviour.

Adapted from Landy, Sarah (1997, in press) Pathways to Competence: A Program to Encourage Healthy Social and Emotional Development in Young Children.

All Parents want their children to have opportunities that they never had.

Before you try to give your children what you didn't have, give them what you do have.

The two most valuable things you can give your child are your time and attention.

from: The Joy of Parenthood, Inspiration and Encouragement

## RATIONALE FOR FUNDING

The need for infrastructure improvement in the areas of service and delivery of sports, recreation, culture and tourism has been evident in surveys, needs assessments and management plans completed within the community since the early 1970's. Construction of any such facilities has been improbable due to financial constraints. With the inception of the Casino Rama funding program for First Nations communities, the community of Tyendinaga is now in a financial situation to contribute to the planning and construction of such a facility.

Our vision is for a new and integrated culture and recreation complex comprised of a Library, Museum, Pool and Fitness Centre which would centralize a full circle of leisure opportunities for both the local community and seasonal vacationers, as well as increase the economic opportunities within the community through employment, program and service delivery. Cultural and recreation programming will provide a venue through which we can share our rich and unique Iroquois culture, heritage, past and present. Centralized archival information and lands and research data for those undertaking geneological and local research will be accessible through the provision of user friendly facilities not formerly available to the public.

At present there is no facility within 20 miles for swimming for our children, youth and elderly people. School trips require planning and time away from other important learning activities. This facility will provide a home for Tyendinaga's history and culture as well as for recreation activities.

We will create a point of interest for bus tours, families on their vacations, local cottagers and schools wishing to access information on Native literature, culture, history and traditions. Tyendinaga Mohawk Territory is the only aboriginal territory along the 401 corridor between Toronto and Montreal.

This facility shall provide a state of the art Library, Museum and Pool/Fitness centre, created to represent and define the Mohawks of the Bay of Quinte. With the amigamation of these three under one roof the community enjoys the simplicity of having one location coupled with the financial benefit of being truly cost efficient to construct, operate and maintain.

As the community of the Mohawks of the Bay of Quinte is unique, so should be a building that represents them as a people. The preliminary design for this facility is approximately 33,500 sq. ft. with the architects estimated cost to build the complete building at \$ 8.3 million. Although this will be done in a phase one and phase two stage. Phase One will consist of the common area, library, museum and restaurant, with an estimated cost of \$5 million. Phase Two will see a budget of \$3.3 million for the pool and fitness facility.

A committee, which includes Museum, Library and Recreation committees, has applied to the SuperBuild program for funding to help with this dream. The committee's application to SuperBuild has requested \$2.5 million from this dollar matching program. Therefore this committee is requesting that Council match the \$2.5 million from the Casino Rama fund and it be set aside to help with the construction of this facility.

To date the only answer from SuperBuild is that the decisions will be made by October and as they get approval the applicant will be notified.

For further information regarding the progress of this facility please feel free to contact me at the administration office 396-3424.

Nya'wen, Curtis Maracle

## Press Release: *The Seekers*

*The Seekers*, a 13 part TV series will be launched on APTN (Aboriginal Peoples Television Network) on Tuesday, October 2 at 8:00 pm (ET) and repeats at 12:30 am (ET).

*I'm not a chief, a shaman or a trustee sidekick,  
and I don't live in a teepee or an igloo.*

*I don't travel by dog sled, snow shoe or canoe or go on the seasonal hunt for my food.  
Although, I'm certain that if the government honoured  
my treaty and Aboriginal rights, that I would.*

*There are 53 real official languages in this country.  
I speak Maliseet and English,  
And I greet with hello not how! Yan Kahki!*

*I believe in community not individualism,  
sharing not ownership, conservation not destruction,  
and I know that thanks should be given EVERY DAY, not merely once a year.*

*I can proudly hang a dream catcher or a medicine wheel  
from the mirror of my car and appreciate its full meaning.  
And I believe that the eagle is a proud and noble animal.*

*Lacrosse is OUR national sport.  
The fathers of confederation are NOT Americans.  
And maple syrup is not a new thing.*

*Turtle Island does not have borders.  
We did not cross the Bering Strait.  
And we are not a conquered peoples.*

*This is the Seekers,  
AND WE ARE ABORIGINAL.*

This piece, written by Darrah Beaver—assistant producer, writer, actor and a proud member of the Maliseet Nation at Tobique—closes the first episode of *The Seekers*. It sets the tone, the messages and the vision for the 13 shows in this bold new series.

*The Seekers* is an issues-oriented youth-driven television series about seeking. Seeking truth. Seeking the past. Seeking who we are. Where we've come from. Where we're going. Discovering our gifts. Learning the lessons. Seeking the future together.

*The Seekers* incorporates satire, humour, political comment, historical viewpoints, interviews, sketches, discussions and monologues. The shows address issues and themes relevant to youth, seen from Aboriginal perspectives and spoken in Aboriginal voices. Focal points are video clips about young Aboriginal people from coast to coast to coast. Episodes explore issues like Justice, Employment, Education, Community, Pregnancy, and Culture. *The Seekers* is satiric and in your face.

A team of young people from across Canada co-write and host this series. Featured performers include Nowlen Augustine, Mi'kmaq Nation; Darrah Beaver, Maliseet Nation; Jeremy C. Bouchard, Six Nations of the Grand River; Brandon J. King, Mississaugas of the New Credit First Nation; Dan Lartigan, Gordon First Nation; Sara Loft, Tyendinaga Mohawk Territory; Robyn Manitowabi, Ojibway Nation; Jarrod Miller, Aboriginal Canadian; Dan Perley, Maliseet Nation; Sheila Pokiak, Inuvialuit; and Sarah Laakkuluk Williamson, Greenlandic Inuk.

The series is sponsored in part by APTN, Indian and Northern Affairs Canada, Human Resources Development Canada, Health Canada, Department of National Defence, Ontario Ministry of Education and a growing list of public and private sector partners. We welcome new partners. Please call us about sponsorship participation. It's a long journey. We can take it together.

Watch it! Check it out! Let us know what you think! We welcome your comments and suggestions. Write us at: [seekers@istar.ca](mailto:seekers@istar.ca).

3rd Prize - \$200.00 - Karen Maracle

## COMMUNITY INTEREST

*Thank You!*

*The family of the late Kirk Leween would like to thank all those who were there to offer love and support in our time of need. It is at these times when you forget how many are willing to reach out to family members who have lost someone. For that we thank you. We would also like to say a special thank you to Charles "Bud" Maracle who was with the family when he too was at a time of loss. Our thoughts and prayers are with you and your family as you begin your healing. To everyone who was fortunate enough to know Kirk his memory will live through each person he touched. To this we are grateful and thankful for the many friends we have been blessed with.*

*The Leween Family*

*Thank You*

The family of the late Sally Brant would like to thank the Mohawk Fire Department for honouring our request to be pallbearers. We would also like to thank Chief and Council for allowing us to use the Community Centre.

Those who made donations to the Christ Church Restoration and the Heart and Stroke Foundation we also thank you.

We know our mother would be proud that the Ladies Orange Lodge # 1392 prepared a special service and helped with the luncheon after the funeral, thank you ladies we know that this is what you do.

We would also like to send a special thank you to Iva Brant, Rita Brant and Verna Hill for jumping in and looking after all of us in our time of great sorrow.

Thank God you were there no one would have eaten if you guys hadn't been there to wait on us!

Reverend Cheryl you did an excellent job and we so much appreciated your heartfelt service. Larry McGlade and McGlade Funeral Home, thank you for all your patience and much needed help.

There were also people who brought food by the house and took time to send us a card or came to the funeral home we want you to know we appreciate you thoughtfulness.

May God Bless.

Bonnie, Albert, Twila & Families

A very successful 5th Annual Classic Car Show was held on September 8, 2001 at the Mohawk Fairgrounds with 55 cars being registered. The success of this show is largely due to the result of the many generous supporters in and around the Tyendinaga Community.

We would like to thank each contributor for their generous donation and continued support for this event.

# COMMUNITY INTEREST

## Permanent Weight Loss

Contact person: 613-967-6264

Get into the weight loss business and

SUCCEED!

Let's help each other

Kanhiote Library is announcing the formation of a support group to help you take that dream of permanent weight loss and health and make it a reality. Success depends on commitment to healthy eating, strength and resistance training and dealing with emotional issues. Let's meet together to write our mission statement for health. You decide a realistic goal for yourself, let us know the type of support you need. Everyone will receive a booklet of helpful information like food diaries, meal plans, exercise routines, etc. You add your promise to yourself.

**THURSDAY EVENINGS**  
Next Meeting  
Oct. 10 at 7 p.m.

**KANHIOTE LIBRARY**

# KANHIOTE

## Ontario Public Library Week October 15-20

"CD-ROMs, audio visual equipment, internet access and more. If you think libraries only have books, file that thought under fiction"

Visit Kanhiote during Ontario Public Library Week and discover the resources available.

Thanks to everyone for supporting our fundraising efforts at Mohawk Fair, Iehnotonkwas (Bonnie Jane Maracle) won our folding double chair and Judy Kunkel won the jar of candy.

Mohawk Language phonics class is every Thursday night from 6-8. This class is full but call Ohahase about availability of the next session in the new year.

Tsi Klonheh ne Onkwawenna meets every Tuesday morning at 9:30 downstairs at the library. Join us to be part of planning Mohawk language learning for Tyendingaga.

The first meeting of the Weight Loss Group will be October 10<sup>th</sup> at 7:00 p.m. We plan to meet once a month to encourage each other in our weight loss goals.

Membership is free at the library and open to all. Visit soon.

Application Forms are available at the Administration Office

So **ALL** Kids Can Play!

**KidSport Ontario**

**OFFICIAL GRANT APPLICATION FORM**

### HOW TO COMPLETE THIS FORM

There are 4 sections to this application form. All 4 sections must be completely filled in before it is returned for processing.

**SECTIONS 1, 2 AND 3 ARE TO BE COMPLETED BY THE ADULT SPONSOR OF THE CHILD:**

#### SECTION 1:

Athlete Information

This provides information about the athletes applying for the grant.

#### SECTION 2:

Adult Sponsor of the Athlete

This provides information about the adult sponsoring the athlete. As well, it certifies the validity of the information on the application form.

#### SECTION 3:

Purpose of the Grant

This provides information on the purpose of the grant. A grant can be for registration fees and/or equipment.

**SECTION 4 IS TO BE COMPLETED BY THE ENDORSER OF THE ATHLETE**

#### SECTION 4:

Endorsement

The endorsement provides third party support for the athlete's grant application.

**WHEN COMPLETED RETURN APPLICATION TO:**

Local Office OR Provincial Office

KidSport™ Ontario  
1185 Eglinton Avenue East  
Toronto, ON M3C 2C6  
Phone: (416) 426-7171  
Fax: (416) 426-7353.

RCAA B.N. 88938 6868 RR0091

### GUIDELINES FOR GRANTS

- ☛ Grants to individual athletes are designed to help Ontario's kids overcome social and economic barriers which have prevented or limited their participation in sport.
- ☛ Grants range from a minimum of \$50 to a maximum of \$250.
- ☛ A child can receive only one grant per calendar year.
- ☛ Only children from age 6 to 18 years are eligible for a grant.
- ☛ Grants are for payment of registration fees and/or equipment and are to be used only in activities that demonstrate a sustained sport experience (i.e. a season of sport led by a qualified coach).
- ☛ Elite camps, travel to playoffs, championships, etc. are not eligible for grants.
- ☛ Preference is given to athletes who are being introduced into organized sport.
- ☛ Sport activities must be affiliated with member sport organizations of the Sport Alliance of Ontario.
- ☛ Applicants must be residents of Ontario.
- ☛ An adult (other than the endorser) must initiate the application on behalf of a child.
- ☛ Coaches, registrars and/or directors of clubs/leagues are not accepted as endorsers.
- ☛ KidSport™ Ontario funds are not meant to replace existing recreation or social services funding for sport participation.
- ☛ The KidSport™ Ontario allocation committee will endeavour to process applications within 30 days. However, delays may occur.
- ☛ Guidelines are subject to change by the Provincial Board of Directors. Please make sure to request the most recent application form.

### ADVICE TO ENDORSERS

Your role is critical to the productive use of KidSport™ Ontario. You are an objective third party who works in the community and are well positioned to assess the needs of young athletes. Your endorsement will mean that KidSport™ Ontario will make every effort to find the full amount of the request. Please remember that, for the application to be complete, you **MUST** submit a personal letter along with this form. Keep in mind that the endorsement letter provides the only method of selection, so be as specific as possible with respect to the financial needs of the individual. KidSport™ Ontario appreciates your help in making sport more accessible to all of Ontario's youth. Any feedback you can provide to KidSport™ Ontario on successes or areas for improvement will be most appreciated.

## FOR IMMEDIATE RELEASE

### MICHAEL BOLTON BRINGS TIMELESS VOICE TO CASINO RAMA

*World class performer part of November concert line-up*

MNJIKANING (RAMA), ON (Wednesday, October 3<sup>rd</sup>, 2001) – Casino Rama is pleased to announce additions to the November concert line-up at the Entertainment Centre, which will be highlighted by a scheduled performance from award-winning musician Michael Bolton on Thursday, November 8<sup>th</sup>, 2001 at 8 PM. Bolton will be accompanied on-stage by a Canadian Symphony Orchestra.

Over the course of his career, Michael Bolton, international superstar and social activist, has sold more than 52 million albums and singles worldwide. He has won two Grammys and been nominated four times for Best Pop Vocals, Male. He has also won six American Music Awards while generating an unparalleled string of #1 hits (including over one hundred songs that he has written for other world-renowned artists). He continues to perform sold-out concerts for millions of fans around the globe while pursuing his humanitarian vision.

The complete November 2001 concert line-up includes performances by:

Little Richard	November 1 <sup>st</sup>
Herman's Hermits starring Peter Noone	November 3 <sup>rd</sup>
Michael Bolton with Symphony Orchestra	November 8 <sup>th</sup>
Pointer Sisters	November 9 <sup>th</sup> & 10 <sup>th</sup>
Paul Anka	November 15 <sup>th</sup>
B.J. Thomas	November 16 <sup>th</sup> & 17 <sup>th</sup>

## Ontario Public Library Week

## Family & Community History Day

with Trish Rae & Lisa Maracle

Wednesday, Oct. 17, 2001  
8:30 a.m. - 4:30 p.m.  
Kanhiote Library

Bring your family tree & community history questions. Trish Rae and Lisa Maracle will be here all day to help answer your research questions. Help us add to our collection of old photos by bringing your family photos in for scanning.

CD ROMS, audio equipment, internet access and more.  
If you think libraries only have books,  
file that thought under fiction.

### Christmas Craft Fair

November 3, 2001, 9:00 am - 4 pm

Christmas shopping is a cultural experience at the Woodland Cultural Centre as we are pleased to announce our fourth annual Christmas Craft Fair on Saturday, November 3, 2001, Brantford.

Craft Booths plus our museum shop offers a variety of traditional and contemporary items handcrafted by First Nations artisans. A fine selection of unique gifts will ensure you satisfy everyone on your list even those with the most sophisticated of tastes. There will be free draws for door prizes held throughout the day plus our cafeteria will be serving hot meals and light snacks.

The Woodland Cultural Centre's planning is underway for this event and we would like to extend an invitation for all crafters to participate again this year. We are still offering the table space free of charge with a \$30.00 deposit which will be returned to you upon your arrival on the day of the Craft Fair.

For more information call: (519)-759-2650

### Notice

#### Parenting Program

#### "Raising The Children"

A Traditional Aboriginal Approach to Parenting Children

**Where:** Mohawk Child & Family Services  
Corner of York Rd. and Queen St., Shannonville  
**Cost:** No cost to community members (child care support may be available)  
**To Register:**

Please call Mohawk Child & Family Services office at 967-0122 and ask to speak to either Linda Lefort or Blaine Loft. Program will commence when a sufficient number of parents are registered. Those registered will be notified by facilitator.

#### In Addition:

A Parent Support group will be available, for those who have completed a "Raising The Children" program course. The Parent Support group will provide the opportunity for feedback, discussion and support for those parents trying out new techniques in parenting.

#### Objectives:

To increase awareness of Traditional Parenting techniques.  
To increase knowledge of personal parenting styles.  
To examine effective/ineffective methods of communications with your child.  
To develop problem solving techniques.  
To have fun and learn new methods of interaction with your child or children.

(All sessions are held in strict confidentiality)

Please call 967-0122 to register!

### Canadian Guide Dogs for the Blind

REGISTERED CHARITY NO 10584 6819 RRD001

### "GO FOR GUIDE DOGS"

- Who:** Canadian Guide Dogs for the Blind
- What:** Belleville's first "Go For Guide Dogs" Fundraising Walk
- Where:** Starting from Bailey's Casual Dining  
Loyalist Plaza - 150 Sidney Street - Belleville
- When:** Saturday, October 13, 2001  
Starting at 9:30am
- Why:** To raise funds for Canadian Guide Dogs for the Blind, training guide dogs for the visually impaired in the Quinte Region and across Canada

Canadian Guide Dogs for the Blind presents Belleville's first "Go For Guide Dogs" Fundraising Walk on Saturday, October 13, starting at 9:30am. The general public is encouraged to walk with their dogs on a route starting from the Loyalist Plaza. Pledge forms are available at Bailey's Casual Dining. Proceeds go directly towards the training of guide dogs for the visually impaired. Join in the fun!

Help me to become a working guide dog

On going hand-drum making demonstrations by Hugh Hill (Oneida Nation)

## UPCOMING EVENTS

### HELP WANTED

Prayer partners to pray for our community. Would you take a moment each day to help me pray the following prayer for our community? A. Armstrong

Almighty God, through the guidance of your Holy Spirit, direct us in our efforts to call our community of Tyendinaga together spiritually. Bring us together for this common purpose. Help us to comfort one another with understanding, respect and love. Embody us with your wisdom. Teach us to work together in harmony, with patience and open minds. Save us from unholy division and any narrow mindedness.

May Rev. Cheryl, Pastor David and other church leaders be loving shepherds of our flock, powerful ambassadors for Christ, passionate messengers of the Good News, and persons of vision who will lead us in the extension of your Kingdom, and whose hearts are filled with sacred joy and peace.

May our community be united in the love of Christ and may we reap the fruits of the Holy Spirit in the Honor and Glory of your Holy Name. Amen.

### ANGLICAN PARISH OF TYENDINAGA

#### Weekly Services

All Saints Church: 8:45 a.m.

Holy Trinity: 10:00 a.m.

Christ Church: 11:15 a.m.

#### NOT CRAZY ABOUT CHURCH?

But would like to know more about Christian spirituality and meditation?

Have an hour and a half to spare on Wednesday evenings?

Call Rev. Cheryl Watson at 967-5695 or 962-2787 at the Anglican Church office. If no one answers leave your name and number and your call will be returned.

### \* ATTENTION \* NEWS FLASH

The Food Bank jars will now be collected on a regular basis once again. Since Ron Green's (Shakon:konriiotha's) death, it now takes a committee to carry on his good work.

Every 6 weeks we (widow Jean, daughter Carol, sister Jean, sister-in-law Carrol and Patricia will share the collecting, rolling of coins and banking in Ron's memory.

Niawen  
Jean Green

### Ohahaseh Children's Clubs

*being initiated in Native homes in Toronto where 80% of Native family units are single parent-led.*

We want to take this opportunity to thank all who gave to support Camp Ohahaseh held in July this summer in Sheshatshiu, Labrador. Fifty Innu children from Sheshatshiu and Great West River attended this Camp. We were so thrilled to invest time, energy, love and care into these children who have come from broken and scarred homes. Our goal was to help redirect their lives on to a "New Trail of Hope" and give them a reason for a better tomorrow.
