## ADMINISTRATION NOTICES

### MOHAWKS OF THE BAY OF QUINTE

R.R. #1, Tyendinaga Mohawk Territory, Ontario K0K 1X0

Phone: (613) 396-3424

Fax: (613) 396-3627

August 20, 1998

To Whom It May Concern

It is my pleasure as Chief of the Mohawks of the Bay of Quinte to endorse the outstanding record of achievement which the First Nations Technical Institute has built in its thirteen year history.

Education has traditionally been a number one priority of the Mohawks of the Bay of Quinte. For instance, our public school was the first in Ontario to provide on-site computer training for elementary students in the early '80's. It was also a leader in opening regular classrooms to physically and mentally challenged children. Mohawk language classes have been a part of our school since the 1970's.

The environment was favourable, therefore, for the creation of a post-secondary education and training facility right here on Tyendinaga which would meet the particular needs of Aboriginal learners. And this it has done by using long-distance delivery systems as well as incorporating Native teachings, values and learnings styles into every program. Aboriginal instructors and consultants are used as much as possible, as well as Elders. Partnerships with various community colleges and universities assure accreditation for diploma and degree learners.

The Institute represents wider horizons for our Aboriginal youth everywhere. We can point to the aviation students who came to us from all regions of the country and are now flying for airlines throughout the country. An innovative Social Work Diploma program has been initiated in Moosonee in response to many requests from community workers there - and it is being run by one of the FNTI Social Work graduates. Last winter four of the technicians from the Technical Services department spent six months on Canadian Forces Bases across Canada installing and training military and civilian personnel on the new PeopleSoft software. The range of activities that FNTI is involved with is quite amazing and these are but a few examples.

We are very proud of First Nations Technical Institute and all its accomplishments.

Sincerely,

R. Donald Maracle, Chief

#### TENDER

##### SALE AND REMOVAL OF GARAGE

The sale and removal of a garage that is in 2 sections and located East of Mr. Jim Brant's property just off Highway # 2 near Shannonville.

The garage is located in the proximity of the west lot line of lot 59-10 and is currently on unallotted Band property land.

Sealed tenders clearly marked "GARAGE REMOVAL" may be dropped off at the Mohawk Administration Office.

**Deadline: September 11, 1998 at 4:00 p.m.**

Please call Chris Maracle A/D Housing Parks Recreation BPM for further information or clarification.

August 1998

Report from Council by Wm. J. Brant

#### HEALTH CARE

Council had the opportunity to visit Akwesasne this month to view their health administration system. They administer the complete health care system, including drugs. I will be asking our Council to have a comparison done on the two systems to see if we can improve ours. I was informed 90% of Akwesasne's membership live on their Territory-high in comparison to ours.

#### ADMINISTRATION

As mentioned in a previous newsletter, a report addressing our administration and salary grids is forth-coming. Council met with Dr. Hamblin this month to go over his work to date. I am informed that MBQ (Mohawks of the Bay of Quinte) staff and directors will be meeting in early September with Dr. Hamblin and the final report will be ready for Council in early October.

#### LANDFILL SITE

I am told that our landfill site has been growing at the rate of approximately 1500 cubic metres per year. Based on this density of growth this should be a concern of EVERYONE on our Territory. In the next month I will be taking a proposal to Council to address this very important concern. In the meantime I am asking that everyone using the landfill site RECYCLE AND CO-OPERATE with our site manager. I am also asking that no more garbage be dumped to the south of the present landfill area and that all waste that is not recyclable be dumped over the west bank only. We are trying to cover up the southern exposure so that it no longer extends toward the creek. Thank you for your co-operation in this matter.

#### ROADS

Invitations to tender for the re-construction of Lower Slash Road, from Wyman's Side Road up to and including the intersection at Homeland Drive, were sent to local companies to solicit bids for road construction. On July 16, 1998 tenders were opened and the successful contractor for the project was Don Hart Construction of R. R. # 1, Napanee. The re-construction and widening of approximately 2.45 kilometres will consist of earth and rock excavation, grading, draining, granular base and application of single and double surface treatments. The total tender for this job is \$345,650.40.

First Peoples Consultants of Huron Brant Drive were retained to design and oversee the construction supervision of the work. It is anticipated September 11, 1998 will see the project completed and at this point the project has been on schedule. We do not anticipate too much deviation from our intended completion date.

Thank you to all residents of the Lower Slash Road for your co-operation and patience as the MBQ complete this much needed project.

#### HOUSING

There has been a concern expressed by some of our band members that while many members are faithful in paying their mortgage payments, some are in arrears. I was asked that steps be taken to address this latter issue. As mentioned in a previous newsletter a motion was passed that those clients whose mortgages are in arrears be notified so that the arrears will be made current or if that wasn't possible that the client work with the staff to design a financial solution that is acceptable to Council. This motion also indicated that if the client ignored the notice that foreclosure action would be taken. This action has commenced.

The housing program is a worthwhile program but is not without faults as I have previously mentioned. It does need to be restructured. The intention of the motion was fair and shows a willingness on the part of the MBQ Council to work with clients.

I congratulate those clients who have honoured and are honouring these mortgage agreements made with our band Council. I strongly suggest that clients having difficulty keeping their mortgages current meet with the staff so that foreclosure will not be necessary.

The only way to ensure a successful housing program for future generations is continued co-operation by all those who use it.

## ADMINISTRATION NOTICES

July 31, 1998

AIAI Chiefs

Dear Chiefs:

The number of calls have increased since the Supreme Court decision on the Tomah case from New Brunswick.

On July 22, 1998 Bonnie Pelletier and myself had the opportunity to meet directly with AFN Vice-Chief Len Tomah for approximately three hours and discussed the court decision and its impacts. Since then, Vice Chief Tomah has made a request to meet with the Chiefs of Ontario regarding the tax case (letter attached).

As a result of the calls from members and letters from Au Cton and GMAC (attached). I have contacted the Ministry of Finance and spoke to Jay Young, his response was that:

- They are aware of the Supreme Court decision.
- They are in the process of currently reviewing the decision
- That no changes are imminent
- That they are also receiving calls from the media and are being asked for the Ontario position
- The Ontario position is outlined in Retail Sales Tax Guide 808 for Status Indians, Indian Bands and Band Councils - revised - May 1997 (attached)
- That calls can be made to Mr. Murray Parks at (905) 433-6314
- That letters and inquiries coming from business tend to be national and/or international based and do not understand the tax exemption at point of purchase arrangement with status Indians, Indian Bands and Band Councils in Ontario.

Further to this, following the AIAI General Assembly at Tyendinaga correspondence was started with Mr. John Parker, Parliamentary Assistant to Charles Harnick, the response came from Mr. Yan Lazor, Assistant Deputy Attorney General. By way of his letter we are being asked to direct our inquires to Mr. Roy Lawrie, Assistant Deputy Minister, Tax Revenue Division of the Ministry of Finance. His address is at 33 King St., West, Oshawa, Ontario L1H 8H5. He can also be reached at (905) 433-5614.

I would recommend that any inquiries you receive at your administration office that the names and telephone numbers of Murray Parks (905) 433-6314 and Ray Lawrie (905) 433-5614 be given to your members to call along with the AIAI number of (519) 434-2761 so we can make contact with the Ministry of Finance on their behalf.

If any further clarification is needed please do not hesitate to contact Bonnie Pelletier, Chris McCormick or myself at the AIAI office.

Sincerely,

Doug Maracle  
Grand Chief

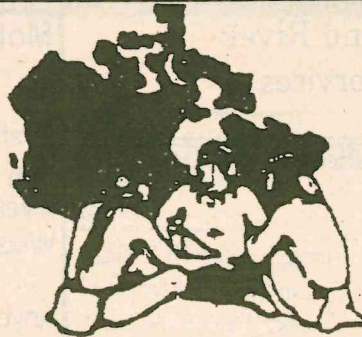

## THAYENDANEGA ELDERS LODGE

Rental Units are now available at the Thayendanega Mohawk Elders Lodge.

If you are interested please contact the Housing Department for application forms or any questions you may have.

Nia:wen,

The Housing Department

July 27, 1998

Regional Chief of Ontario  
Tom Brasserie

Dear Tom,

In regards to the meeting held last week on your First Nation, I would like to request a meeting with the Chiefs of Ontario region regarding the Tomah tax case. It is my opinion that although the case was lost, there is still a positive side we need to consider. Namely, that now both on and off reserve natives are entitled to tax exemption by way of fax or phone.

It is essential that the First Nations across Canada present a unified front on this issue. I feel that we need to sit down with the AFN and legal staff of our choice, to outline the position we intend to take.

Please contact me with a date and time convenient for you. I look forward to hearing from you.

Yours in Brotherhood,

Len Tomah  
Regional Chief  
N.B. & P.E.I.

## RENTAL OF 59'ERS HALL

The 59'ers Hall is available for small functions  
located at Hwy's # 2 & # 49.

Attention Human Resources Manager  
Re: Slot Technician Position  
Casino Rama Human Resources  
P.O. Box 178, R.R. #6  
Rama, Ontario  
L0K 1T0

Fax: (705) 327-6676

Resumes will be kept on file for a period of six months

Only candidates selected for an interview will be contacted.

### TRAINING OPPORTUNITY

### at FIRST NATIONS TECHNICAL INSTITUTE

~ this initiative funded by Kagita Mikam LDM ~

First Nations Technical Institute is currently accepting applications for a Receptionist Training Course. Classes will be held Monday through Friday, 9:30 a.m. to 3:30 p.m. over a three week period. Two sessions will be offered:

September 21 - October 9

or

October 19 - November 6

There is no fee for eligible participants, but early registration is encouraged to ensure your choice of sessions. Areas of training will include routine receptionist duties, introduction to computer software applications, employability skills (resumes, job research, interview skills) and a 2-day work placement in the community.

Participants who successfully complete this program may have an opportunity for further placement experience.

Qualifications include basic keyboarding skills, availability to be on-call, reliable transportation and a willingness to learn. A criminal reference check may be required.

Interested persons may contact Debby Brant or Merle Lewis at 396-2122, at FNTI, or email at debbyb@fnti.tyendinaga.net.

POLICE

TYENDINAGA FIRST NATION POLICE

Press Release

In keeping with our commitment to maintaining a safe community on Saturday September 12<sup>th</sup> during the Mohawk Fair, the Tyendinaga Mohawk Police Service will be offering a child identification digitized photo service.

Should your child go missing for any reason, we will be able to have instant retrieval of their photo and a brief physical description allowing police agencies, the public and the media to respond efficiently to the crisis, by having a current photo and descriptors all in one computerized data base.

Elders may also wish to have their instant identification record also on file with the police as a safety measure.

At present there is no charge for the service for our youth however as this is an expensive process, any costs relating to adults or elders will be posted at the booth on the day of the program.

Do You Know...

Cannabis is the name that covers marijuana, hashish, and hash oil – all of them come from *Cannabis sativa*, a plant that grows in many parts of the world. All three drugs contain THC, a chemical that changes the way you think, feel, and act. Cannabis is much more powerful today than it was twenty years ago because growers have developed strains that contain much more THC than before.

It is the most commonly used *illegal* mood-altering drug in North America. In 1989, an estimated 2.1 million Canadians (18 and older) used it at least once during the year.

\*Street Names: pot, weed, dope, grass, Mary Jane, ganja (for marijuana); hash (for hashish); weed oil, honey oil (for hash oil)

Cannabis

How will cannabis affect me?

Cannabis affects different people in different ways, depending on the mood they are in, how they *expect* they are going to feel, the amount they take, how strong it is, and whether they eat it or smoke it.

Soon after smoking cannabis, most people feel "high" – more relaxed and talkative and less concerned about what they say or do. However, cannabis makes some people nervous, dizzy, and upset.

Later on, you may become reflective and sleepy.

Physically, you will probably notice that your eyes redden, your heart beats faster, and your appetite is enormous (often called "the munchies"). Cannabis can affect your balance, judgment, memory, reactions, and perceptions, especially if it is used together with alcohol. In fact, very large amounts can cause hallucinations – seeing and hearing things that don't really exist.

Is cannabis dangerous?

Twenty years ago, there was little scientific research on the effects of cannabis on the body and brain, and some people claimed it was less harmful than alcohol or cigarettes. Today, scientists know this is not true, and there is growing scientific evidence that cannabis carries these health risks:

- Long after the "high" has gone, the drug remains in the brain and affects memory and learning. You will be less able to speak, read, compute, or reason. It also slows down your reaction time, making it dangerous to perform complex tasks such as driving a car.
- Cannabis causes hormonal changes that could alter normal patterns of growth and sexual development. When cannabis is used by women during pregnancy, babies may be born prematurely, with low birth weights, or with other abnormalities.

- Cannabis smoke contains up to 50 percent more tar and cancer-causing chemicals than tobacco cigarettes, and can cause bronchitis and such major lung diseases as emphysema and cancer. It also harms the immune system, which fights off infections and disease in the body.
- If you have high blood pressure or heart problems, smoking cannabis is risky because it increases your heart rate by as much as 50 percent. Your heart has to work harder and your blood pressure goes up.
- For people with a history of emotional problems or mental illness, regular cannabis use can bring on their symptoms or make them worse.

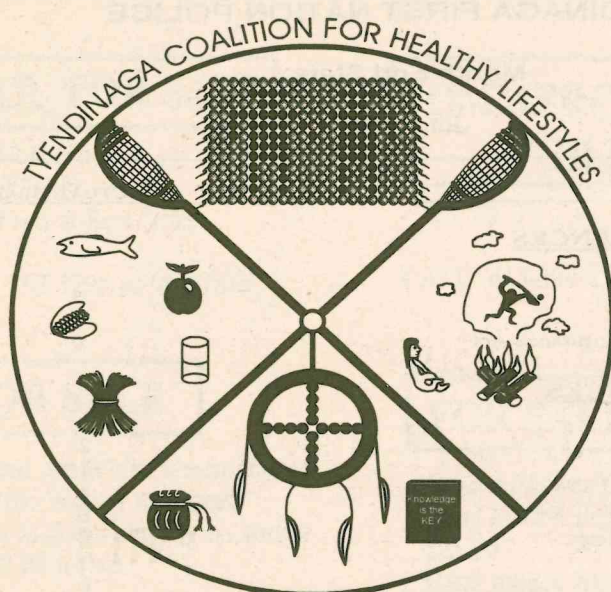

Can you become dependent on cannabis?

With regular use, people can become *psychologically dependent* on cannabis. They crave the "high," and become edgy and anxious if they cannot get the drug.

People who use large doses on a daily basis can become *physically dependent* and suffer *withdrawal symptoms* when they stop using the drug. For a week or so they may have trouble sleeping, feel anxious and irritable, and lose their appetite.

## HEALTH CENTRE

She:kon,

My name is Carol Loft. Previously, I worked at Thayendanege Health Centre in the capacity of Community Health Representative. I left this job, when an opportunity came up, which involved an area of work that I was interested in.

I was hired to fill the position of Regional Diabetes Worker for the Eastern Region of Ontario. This is a new initiative through Southern Ontario Aboriginal Diabetes Initiative. Part of the SOADI vision is to support Aboriginal communities to decrease the high incidence of diabetes and its complications.

I look forward to working with the front line workers in Tyendinaga, in assisting them with promoting the healthy management of diabetes, etc.

I am located at Red Cedars, where I have been busy organizing my office. I can be reached at 962-0199 and my fax number is 962-0499. You will be hearing from me time to time in the next few months.

Nia:wen,

*Carol*

The Mantis Flower represents man and woman, balance within oneself. Persons living with diabetes have to find and maintain balance with food intake and exercise. The Four Directions are made up of blood glucose meters. The red is the blood and strength of All Our People. The Sweetgrass is the unity of Mind, Body, and Spirit, and reminds us to support one another. The Seven Feathers represent the seventh generation and seven fires, to assist us with growing awareness of diabetes and management. The Pipes are our Prayers, and the Healing of Our People with diabetes. Artist: Gary Akan

### "FALL" PRENATAL CLASSES THAYENDANEGE HEALTH CENTRE

starting  
Wednesday Sept. 16th /98  
for  
6 weeks

**Free Prenatal Classes** are being offered for interested prenatal parents. The course starts on September 16th @ 7:00 PM and lasts about 2 hours. Bring your partner or a friend with you!

Please call the Health Centre @ 967-3603 to register or if you have any questions about the program.

The Thayendanege Health Centre is offering a free gift for all Mothers- to - be who register their pregnancy with the Health Nurses. Please drop by or call the Health Nurses. We look forward to meeting with all the new moms!

Brenda Asselstine Community Health Nurse

## HEALTH CENTRE

WELCOME - WELCOME - WELCOME

The two old CHR's,  
Bev Hill and Kathy Brant  
would like to officially welcome the two new CHR's,  
Kim Parks and Crystal Somerville  
to our team.

While Kim & Crystal started on August 31,  
you will only be seeing short glimpses of them  
over the next two years due to the training they  
will be taking at Mohawk College in Brantford.

It sure takes special kind of people to  
juggle school, a job and family.  
AND... we know they can do it!

WELCOME - WELCOME - WELCOME

**September 17, 1998  
is National CHR Day.**

A Tribute to Community Health Representatives  
by: Peter Stevens (1993)

I am your friend and I am your brother, sister, mother  
Yes, I am sometimes your father  
I have stood by you in times of sadness and joy  
I have seen and treated your young as well as your old  
I look for you, not below you, not above you  
For I am your equal in times of sickness and good health.

Bring me your sick and your poor  
Bring me your community and your children  
I will tend to them with tender loving care and respect  
I am part of them as they are part of me

I am not the government or a person with many rules and regulations  
I am a CHR that cares and respects the Indian culture, values, customs and  
traditions.

I cannot perform miracles, nor cure all your ills  
But I will be there whenever you need a person to help you  
I am a CHR, a friend, brother, sister, mother and father  
I am a servant to the people.

Newsletter Deadline Date is  
Thursday, Sept. 24  
12:00 noon 396-3424

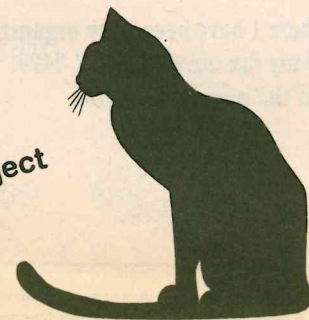

### CPR & First Aid

Due to the increase in costs for materials,  
there will be a change in the cost of certification  
for all levels of CPR and First Aid  
CPR Certification \$10.00  
Emergency First Aid - \$31.95  
Standard First Aid - \$ 36.95

If you are interested in certification or recertification  
phone Bev Hill or Kathy Brant  
at the Thayendanega Health Centre  
967 - 3603.

## SCHOOL ANNOUNCEMENTS

### FROM: M.B.Q. Summer Camps Program

The Summer Camp Counsellors, Children and Co-ordinator would like to send out a big thank you to all of those who helped make the Summer Camps Program a success. This includes many of our Communities programs, including members of the Police, Fire Department, Family Services, Health Centre, Radio Station, First Nations Air Service(Airport), Elder's Lodge, the Administration Office, and many other MBQ employees. Many off the Territory sites were very gracious with us and we would like to send out a thank you to them as well!

A special thanks to Alvin "Skin" Maracle for his hard work and his patience with the three camps all in the Community Centre for the summer. Thank you also goes out to the Bus Drivers who ensured safe trips for all!!

With the summer camps drawing to a close, remember that if you helped out with the camps in any way, we all appreciate what you have done, nia:wen!!

### The School Age Program

This program will begin September 14 and is operated from the Daycare here on the Territory. Please call Tracey at 967-4401 for more information or to put your child on the waiting list. Phone contacts will be made to those already registered Sept. 8.

Quinte Mohawk School

Quinte Mohawk School will begin its twenty-fifth year of operation in September and our programs for this year promise to be the most extensive yet, educating our children in the traditional subject areas as well as offering broader exposure to culture and language. Recent initiatives in co-operative education, archaeological research and instrumental music will continue and thanks to an incredibly generous donation from Hewlett Packard of Canada of a full computer lab, Quinte Mohawk School has now the potential to be on the leading edge of computer enhanced education.

The first day for student attendance will be on Tuesday September 8th. Students will register, be assigned classrooms and supplies and returned home by bus prior to 12:00 noon. Registration of new students will continue throughout the afternoon of Sept. 8th. September 9 and 10 are full classroom days but on Friday September 11th there is no instruction as all QMS staff participate in preparation for the Mohawk Fall Fair. All QMS children are encouraged to compete in the youth competition and a list of these activities will be sent home with each child on the first day of school.

Education on the Tyendinaga Territory is a School - Community partnership and with your continued wonderful support, we will mark 1998-99 our twenty-fifth year as our most rewarding year of service.

## PARISH OF TYENDINAGA

### Notes from the Parish of Tyendinaga

The Wardens of the Parish of Tyendinaga are pleased to announce to the community that Bishop Peter Mason has appointed an Interim Priest-in-Charge. Father Brian Webber will be that person.

Father Brian Webber and his wife Margaret live on the Crowe River at Madoc, Ontario. Father Webber served as the Rector of the Parish of Madoc until March, 1997 and since that time he has been the Priest Associate in the Parish of Marmora.

Please note that Father Webber has told the Wardens that he would like to visit the shut-ins and those who have illness. The Wardens will be escorting the Minister around from time to time. If you would like to speak with Father Webber, please let one of the Wardens know your wishes.

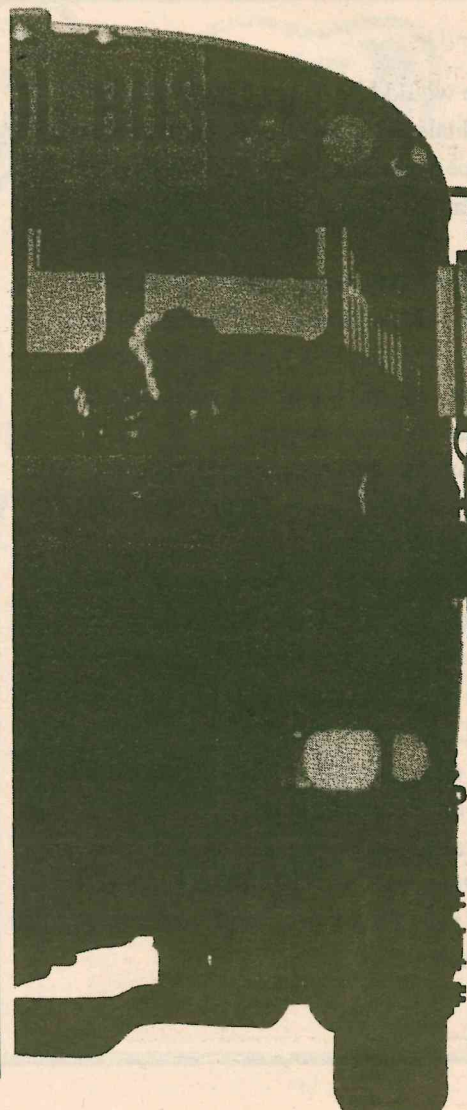

He will continue to visit the Elder's Lodge, as did Father Ken Baker, on the last Thursday of each month. At this time he will provide the Holy Eucharist to those who wish to partake in the service.

## SCHOOL BUS SAFETY DOESN'T STOP HERE.

School bus safety is  
everybody's business.  
Especially kids'.

So, please, take a few  
minutes to make sure that  
your kids know and obey the  
10 rules of the road.

1. Be on time.
  2. Never run to or from the bus.
  3. Stand back from the curb.
  4. Don't push or shove.
  5. Stay in your seat.
  6. Don't yell or shout.
  7. Always obey the driver.
  8. Wait for the driver's signal before crossing.
  9. Always cross at least 10 feet in front of the bus.
  10. Never crawl under a school bus.
- They're simple to learn and easy to follow. And they start before the bus ever stops.

## COMMUNITY INTEREST

### *Thank You!*

*I wish to express my Thanks to all who expressed their  
condolences and kindness during the passing  
of my sister Evelyn Herman.  
Special Thanks to the Mohawk  
Ladies Guild for the lunch.  
Thanks also for the lovely flowers  
I received.*

*Always Grateful

### "YOU GUYS ROCK"

We had an "AWESOME SUMMER"

### THANK YOU

On behalf of the Tyendinaga Brats, we would like to say a big thank you to the following businesses and individuals for their generous donations of money that helped us purchase the necessary equipment and for the donations of some equipment that enabled us to enter our first all native team into the South Lennox Softball League.

These people are: Total Turf Lawn Care, Bayshore Flowers, Mohawk Recreation Committee, Brant's Bakery, K.C. Builders, T.M.T. Sports, and Don Smart. Thanks guys! Without your support this year, we would not have been able to accomplish this. Not only did we have a great time but we also won the "B" Champs in the year end tournament.

We can't forget about all the parents, families and friends that supported us and really pitched in to make everything a big success. They helped us with our fund raisers throughout the year. Thanks people.

We would also like to thank our assistant coach, Mike Beachey for his help this year and for the donation of our equipment bag, and Kevin Brant for donating his time as base umpire for our away games and to Lisa Maracle for donating her home for our year end party and dance.

A special thanks goes out to Paul and Della Brant for working so close with us this year in organizing our fund raisers and party, for pizzas on the last day of our tournament and for the cake for our year end party.

Lastly to our "BRATS" for the lovely roses and carnations that they gave us at our party (and speech). This was totally unexpected and as everyone knows we were quite overwhelmed. We were very fortunate to have such a good team to work with this year. THANKS TEAM!!

Coaches, Wayne and Joanne Maracle

### *Thank You!*

*I would like to express my sincere appreciation  
for all the people who came to visit while  
I was a patient at Kingston General Hospital.  
It was really nice to receive flowers, cards &  
visits while in the hospital and since my  
return home.*

*Thank You again,  
Lorraine M. Brant*

## *Congratulations*

*Ben & Jeremy Green  
for winning silver medals  
in the Canadian Lacrosse Games  
held in Akwesasne*

*From George, Carlene & Girls*

### *Congratulations!*

*George Smart & Rosanna Clark  
on their winning 3rd Prize for  
the Canadian wide contest for  
the 1st Nations Pharmacy logo.  
We are proud of you*

*Best Wishes from your Family*

### **Georgena Hill – Home Support Bus Driver**

**You are a terrific driver and we are very fortunate to have you on board! Thank you very much for your help and patience during the situation that occurred here on Tyendinaga, upon our return from the Hershey Factory trip, on Thursday, August 20. You were cool, calm and collected the entire time!**

**I would also like to thank Helen Breadman, Gloria Brant and Tanya Brant for being there to assist me from beginning to end! I couldn't have done it without your help!**

**To all of the Seniors on our bus, thank you for your cooperation, there is never a dull moment when you attend one of our outings! See you on the next one!**

**Tracey Bunnett,  
Home Support Resource Person**

TO: All community members,

FALL TRADE SHOW  
TYENDINAGA MOHAWK FAIR 1998  
SEPTEMBER 11, 12 & 13

The Tyendinaga Mohawk Nation Chamber of Commerce is sponsoring this year's live entertainment at the Tyendinaga Mohawk Fair. In return the Fair Board has allowed the Chamber of Commerce use of the lower floor of the Community Centre to conduct a Fall Trade Show.

As you may be aware the Chamber of Commerce hosted the 1st Annual Home and Garden Show this past April which proved a success. This year's upcoming Fall Trade Show at the Tyendinaga Mohawk Fair will prove likewise. This year is anticipated to be the biggest Mohawk Fair ever, offering more attractions and more visitors.

All businesses, crafts people, organizations and professionals are encouraged to attend. Booth sizes are 8'x8' and cost \$85 for the weekend.

Fair Hours: Fri Sept 11 5pm to 9pm  
Sat Sept 12 9am to 9pm  
Sun Sept 13 9am to 5pm  
Setup Time: Fri Sept 11 12noon to 9pm

If your organization cannot attend or perhaps you are setting up an outdoor booth make sure to provide the Chamber of Commerce a sufficient supply of business cards and/or brochures about your business. This information will be made available to the public at the Chamber of Commerce booth. For more information, reservations and donations please contact any of the following.

Jim McMurter, McMurter Home Centre, 396-1607  
Kevin Maracle, KC Home Builders, 396-1259  
Michael Perron, Sucker Creek Development, 967-6346  
Wayne Maracle, Bayshore Flowers, 396-3260

A limited number of booths are available. Booths will be offered on a first come first serve basis and are therefore subject to availability.

We are looking forward to your participation and presence!
