#### CHIEF'S OF ONTARIO URBAN STRATEGY

The Chiefs of Ontario propose to facilitate a pilot project based on building strong and informed nations and citizens. The objective of the pilot project is to gather, compile and collate information from urban Aboriginal citizens and Aboriginal service providers. The information will be used to develop comprehensive, cooperative working agreements with the federal, provincial and Aboriginal Governments and service providers.

The proposed pilot projects involve a series of hearings in three identified urban centres—Sioux Lookout, Sudbury, and London to gather information, concerns and advice on effectively representing the urban status Indian and treaty Indian needs by their First Nation Governments. The goal is to improve service delivery systems and outcomes for urban status Indians and to reduce overlaps and improve accountability for expenditures and outcomes.

Recommendations will be utilized in the development of protocols with service delivery organizations, Aboriginal organizations and relationships with the federal and provincial governments. Outcomes from the hearings will provide the basis of tri-partite discussions on program development and service delivery to urban status and treaty Indians.

Aboriginals living in urban centres represent approximately half of the registered status Indian population in Ontario. The Corbiere decision clarified that First Nations were responsible for their people regardless of residency. Protocol development among the constitutionally recognized leaders is paramount to clarify jurisdiction of constituents and to coordinate the application of rights and the delivery of services.

The current approach to delivery of services has created a “Pandora’s Box” of service delivery organizations with no accountability to First Nations’ constituents or leadership. Governance of these strategies is unwieldy and divisive in nature and continues to foster division among Aboriginal organizations as opposed to creating linkages and strong cooperative working relationships.

#### PRESENTATION TO THE UNITED NATIONS PERMANENT FORUM ON INDIGENOUS ISSUES BY GRAND CHIEF CHRIS MCCORMICK, A.I.A.I.,—MAY 10—21, 2004

Grand Chief, Chris McCormick made the following recommendations regarding Bill C-6, Specific Claims Resolution Act:

1. First Nations in Canada have exhausted all domestic political and legal recourse to persuade Canada to meet its obligation to establish a land claims system that respects rights and fosters national reconciliation. Therefore, international intervention is sought and required with respect to Canada’s Bill C-6, the “Specific Claims Resolution Act”.
2. The A.I.A.I. respectfully asks the Permanent Forum on Indigenous Issues to make the following conclusions and recommendations:
  - (i) *The Permanent Forum shall utilize its mandate to prepare and disseminate information, and to provide expert advice and recommendations on Canada’s Bill C-6 to the UN Economic and Social Council (ECOSOC).*
  - (ii) *The Permanent Forum shall establish a special investigation into Canada’s land claims policy. The study or investigation should address itself to the potential role of UN organs and agencies in providing more adequate safeguards on independence, monitoring and oversight of Canadian land claim practices. The study should include at least one hearing, in New York or Canada, at which First Nations are invited to provide their evidence, information, views and recommendation.*
  - (iii) *Pending the independent international review, the Permanent Forum shall urge Canada to suspend any further implementation of Bill C-6 and to re-start government-to-government discussions with First Nations in Canada on a new claims process consistent with international and domestic constitutional standards, and supportive of the objective of national reconciliation and healing.*
3. Specific claims relate to disputes over the government’s administration of reserve land and other assets, as well as the non-fulfillment of the provisions of Treaties or legislation, including the breach of fiduciary obligations.

## ADMINISTRATION

( 3 )

4. The administrative Specific Claims policy has been in place for about 35 years. Yet, it **has** done little to diminish the huge backlog of First Nation claims. Most of the claims settled so far have been of a relatively minor or technical nature. The federal government has steadfastly stonewalled major claims involving relatively large **amounts** of land and money. The day of reckoning has been deferred, leading to increased tension between First Nations and Canada.
5. The reserve land base of all First Nations in Canada amounts to **less** than 1% of the total land base in Canada, far **less** than the area set aside for parks.
6. A fundamental problem with Specific Claims policy is that Canada acts as "judge and jury" through its unilateral control of the process, which puts the federal government in a fundamental conflict of interest.
7. Another problem with the claims system is the artificial monetary cap on settlements imposed by Canada, which **makes** it practically impossible to settle significant claims. It does not provide for the provision of land either, but only monetary settlements.
8. The national First Nation organization, the Assembly of First Nations (*AFN*), has engaged in lengthy negotiations with Canada aimed at reforming the Specific Claims policy. A Joint Task Force (JTF), made up of federal and First Nation officials, arrived at a mutually agreeable set of recommendations, featuring independent review and monitoring of claims.
9. In a shocking and disappointing move, the federal government dismissed the carefully crafted recommendations of the JTF. Instead, Canada introduced Bill C-6 (the Specific Claims Resolution Act). All First Nations opposed Bill C-6. Yet, Canada rammed the measure through Parliament in late 2003, conducting the briefest of parliamentary hearing, with the evidence of First Nations and proposals by Aboriginal Senators for further review being ignored.
10. The Tribunal and other components of Bill C-6 repeat the problems of the Specific Claims process. There is no independence, as all Tribunal members are appointed by the federal government for limited terms. Many kinds of claims (e.g. programs and pre-Confederation) are not eligible. The process is not binding in relation to large claims (over \$10 million).
11. While the Bill was passed by Parliament, it has yet to be "proclaimed". The new Prime Minister (Mr. Paul Martin) has said on **numerous** occasions that he wants to engage First Nations in a new and positive relationship. In that spirit, the *AFN* and other First Nation organizations have asked the federal government to abandon Bill C-6 and return to the collaborative reform of the claims system. The federal government, however, has continued with pre-implementation of the Bill. **As** a result First Nation Peoples

in Canada fear that Justice will be denied and the achievement of any national reconciliation and healing of historical grievances will be prevented.

### RAY EQUITY FOR BAND NURSES

The lawyer representing A.I.A.I. in this matter is Jeffrey Grenville-Wood in the matter "Chris McCormick v the Canadian Human Rights Commission". Mr. Grenville-Wood has been ill and will seek an order extending the time for filing the applicant's materials. In addition, there are a number of documents which were filed with the Canadian Human Rights Commission which have not been produced by them in response to the Notice of Application for Judicial Review,

### THE AFN RENEWAL COMMISSION

The Association of Iroquois and Allied Indians did not support Sylvia Maracle as the representative for A.I.A.I. on the *AFN* Renewal Commission. The Chiefs of Ontario Political Confederacy wanted Mr. Mike Mitchell appointed to the Commission. The *AFN* has yet to formally respond to this issue.

### INAC ONTARIO REGION — BUSINESS PLAN

A.I.A.I. received a letter from Bob Howsam, identifying Ontario Regions highest priorities for this year. A.I.A.I. had a number of concerns about the business plan and noted that the plan was developed without consultation with First Nations. A number of high priority areas are **areas** in which funding has been cut or for which funding was denied to create staff positions to work in those identified areas. A.I.A.I. does not receive funding to work in areas such as children's services, community infrastructure, water quality, the economy, energy efficiency and resource development,

Indian Affairs has been asked to fund the Association so that it may complete work in the identified areas.

### ONTARIO'S WORKING RELATIONSHIP WITH FIRST NATIONS

Minister Michael Bryant, Attorney General and Minister responsible for Indian Affairs has circulated a discussion document entitled "Discussion Document to Seek Input on a New Approach to Aboriginal Affairs". Though the political confederacy, A.I.A.I. has been involved in the development of a concept paper for discussion on the development of a Memorandum of Understanding between the Province of Ontario and the Chiefs of Ontario. The discussion paper focuses on First Nation's rights and jurisdiction. It envisions a Senior Forum comprised of full Ontario Cabinet and the Chiefs of Ontario Political Confederacy. The forum would be co-chaired by the Premier and the Ontario Regional Chief, and would meet twice a year.

## ADMINISTRATION

(5)

Minister Bryant speaks to a relationship that will take shape from important policy discussions, such as a policy on First Nation Governance issues, Aboriginal consultation and an improved process to work together. However, Mr. Bryant also states that the relationship does not include recognizing any jurisdictional, physical or other substantive change, or reflect a position related to the nature of First Nation governments or rights, including rights under section 35 of the Constitution Act, 1982.

The Ontario Governments *draft* erodes First Nations jurisdiction and included delivery organizations an individual Métis Nation and an Executive Director of a Friendship Centre.

The A.I.A.I. Chiefs Council will be meeting on September 14, 2004 with Mr. Doug Carr, Assistant Deputy Attorney General and Ms. Pam Wheaton, Acting Secretary of Ontario Native Affairs Secretariat to discuss the draft Memorandum of Understanding.

### A.I.A.I. HEALTH LOBBY

A.I.A.I. made a presentation to the United Nations Permanent Forum on Indigenous issues in New York on May 13, 2004 on the current state of First Nations Health.

The United Nations was informed that the health of Aboriginal People is now in a crisis situation and falls below the norm of Canadian Society. Canada's First Nations are ranked 63<sup>rd</sup> on the United Nations Human Development Index compared to Canada as a whole ranking 8<sup>th</sup> in the world. A.I.A.I. was requested by four member nations, including Tyendinaga to arrange a meeting with the Minister of Health, The Honorable Ujjal Dosanjh, to seek his intervention in this crisis. Health Centre staff have been asked to provide case study statistics for this meeting.

The Mohawks of the Bay of Quinte and other Ontario First Nations are experiencing difficulties in having Health Canada approve orthodontic treatment for children.

The Ontario Association of orthodontists have circulated a letter stating that it believes that First Nations are not receiving the same consideration with respect to the authorization of orthodontic treatment coverage compared to Canadian citizens who have other benefit coverage. As a result of the lack of approvals from Health Canada, the Orthodontic Association has asked orthodontists to utilize only the standard information form for the submission of claims. The orthodontists were further advised not to provide any personal diagnostic information, including photographs, x-rays or study models. This is in keeping with how all Canadian orthodontic benefit plans are managed.

### A.I.A.I. REGIONAL POLICING SERVICES

A meeting was held on August 16, 2004 concerning the development of the A.I.A.I. Regional Policing Service. I attended, along with six other A.I.A.I. Chiefs. The Provincial Negotiator, Rick Struivenberg, and the Federal Negotiator, Ray Levesque were present as well as Tyendinaga Police Chief, Larry Hay.

At the meeting we discussed Ontario's new approach to providing capital funding for a 15 year period to cover principle and interest payments to construct new Police buildings in First Nations communities.

The current First Nations Policing Program lacked authority to provide capital for the construction of police buildings. Historically the lack of capital has been problematic.

None of the First Nations policing buildings on reserves meet police standards. Public Works and Government Services have offered to inspect the police buildings and issue a report on deficiencies. I have requested that this service be provided to Tyendinaga for the Tyendinaga Police Services building.

The A.I.A.I. Police Steering Committee is responsible for the negotiations leading up to the establishment of the A.I.A.I. Regional Police Service. Currently the Government of Ontario has the funding and is committed to the establishment of this police service.

There was discussion about hiring a project leader to oversee the police negotiations. The next meeting of the steering committee will be on September 9, 2004 in London.

Under the proposed A.I.A.I. Regional Policing Services model, Tyendinaga would be staffed by one staff sergeant, two sergeants, one detective constable, eight constables and one stenographer. The proposed budget for Tyendinaga is as follows:

Salaries	<b>\$1,167,072</b>
Transportation Equipment	383,700
Communications	<b>22,390</b>
Office Equipment	13,812
Operational Equipment	<b>26,565</b>
<b>Total</b>	<b>\$1,613,539</b>

The total proposed budget for the A.I.A.I. Regional Police Service would be **\$4,081,045**.

The Steering Committee will have to discuss the location of the A.I.A.I. Regional Police Service headquarters, which could create positions for one Chief of Police, one operational commander, one Chief Administrative Officer, one Executive Assistant and one Office Assistant.

(7)

I mentioned at the meeting that the agreement would be necessary for Canada and Ontario to assume all liability matters for severance, salary, retirement provisions/benefits and any outstanding issues arising from employment with the Ontario First Nations Policing Program. These liabilities cannot be transferred to the proposed new Regional Policing Service.

I will keep you updated on the development of these discussions. It is essential to have the support of the community and the Police Officers for the development of the proposed Regional Policing Service.

### POW-WOW COMMITTEE

I wish to congratulate and thank all the members and volunteers of the pow-wow committee for organizing and hosting a most successful and enjoyable Pow-wow. Your hard work and dedication to make this event possible is appreciated by us all. Special thanks to all the businesses and individuals who made financial contributions that make this cultural event possible.

I'm informed by Her Excellency, The Honourable Lisa Solomon, High Commissioner of South Africa, that she and her delegation had a most enjoyable time at the Pow-wow. Her Excellency has great interest in the many issues that face First Nations Peoples and found that there are many similarities with the issues that South African people face.

At the Pow-wow we discussed the importance of ridding societies of the evils of cultural genocide, economic oppression, racism and discrimination.

We discussed the important and historical contribution of leaders such as Bishop Desmond Tutu and Nelson Mandela who helped in establishing democracy and restoration of human dignity for the South African people. Her Excellency has invited me to visit her at the Embassy in Ottawa and looks forward to another visit to Tyendinaga.

### MBQ STAFF ANNUAL GOLF TOURNAMENT

The Annual MBQ Staff Golf Tournament was held on August 13<sup>th</sup>, 2004 at the Briar Fox Golf Course. I have heard from all participants that the event was a huge success. On behalf of Tyendinaga Mohawk Council, I extend my appreciation to Kelly Maracle, Ainsley Leween, Jessica Maracle, Wendy Hutt and Brennan Green for all their help in coordinating this fun-filled event.

### MOHAWK FAIR

The 104<sup>th</sup> Annual Mohawk Fall Fair is scheduled for September 17, 18 and 19<sup>th</sup>, 2004. I wish the Mohawk Agricultural Society all the best for another successful event and I look forward to seeing everyone at the Fair.

### HAPPY BIRTHDAY!

I would like to take the opportunity to congratulate Lorretta (Mae) Bemhardt who recently celebrated her 95<sup>th</sup> birthday on August 9<sup>th</sup>, 2004. Happy Birthday and my sincerest best wishes for good health and happiness!

### BACK TO SCHOOL!

With summer drawing to a close, it will soon be time for our students to return to school. I take this opportunity to extend to all the students a safe and prosperous school year.

I hope that you find this report informative.

Sincerely,

R. Donald Maracle  
Chief

## ESTATES INFORMATION SESSION

All community members are invited to an Estates Information Session.

Representatives from Indian and Northern Affairs will be presenting a brief information session on the importance of having a will and estate planning.

This presentation is approximately 15 minutes in duration. The "Canadian Legal Will Kit" will be available to those in attendance and refreshments will be served.

1:30 p.m. on Thursday, September 23, 2004  
Elder's Lodge Common Area

If you would like to meet privately with an Estates Officer after the presentation, please call Kim Parks, at the Administration Office to schedule an appointment at 396-3424.

The Tyendinaga Self Guided Tour Maps are here also! They are a wonderful resource for residents and non residents of the reserve alike! Whether you want to explore parts of the reserve you've never visited, or you're new to the area, the Tour Maps are an outstanding source for the best spots on Tyendinaga. You can pick up your free copy at any service building on the reserve, tourist related locations in and around this area, or call the Administration Office at 396-3424 ext. 110 or 135.

The 2004 Mohawks of the Bay of Quinte Business and Services Directory is finally here. We worked very hard on updating the information, and hope that they play a vital role in your household! If you do not receive one, you can call the Administration Office at 396-3424 ext. 110 & 135  
Lorry Spencer - Editor  
LaShelle Brant - Economic Development Officer

\*Please note: Todd Kring is no longer the CAO and Kathleen Manderville is the new QMS principal.

This summer I had the opportunity to work in the Economic Development Office with LaShelle Brant and Lynda Thomas. During my two months here, I have been able to accomplish a lot. I have been able to update and complete the 2004 Business Services Directory and get it as well as the Tourism Map to print, research the history of the Tyendinaga Plowmen's Association and the original Tyendinaga Plow Match, take pictures of Tyendinaga and its tourist attractions, organize a display board for the Hastings County Plow Match, which was a huge success, and spend two days informing people of what a wonderful place Tyendinaga is. It had a wonderful summer and I have so many useful skills to take with me that I didn't have before. Thanks to LaShelle and Lynda and everyone else at the Administration Office!

**EXPIRY DATE ON STATUS CARDS**

Our First Nation members have been inquiring why there is an "expiry date" on our status cards. I e-mailed Indian Affairs to inquire about the expiry dates. Here is their answer:

Our INAC policy is that the cards need to be renewed every 3 years for children under 18 yrs of age (because their appearances change quite a bit while growing up). For the adults the cards need to be renewed every 5 years as they also change, but not as quickly. These expiry dates are also implemented as they will be keeping in line with other government issued type of documents/cards such as health cards, drivers licenses, passports, etc. Plus once the new card comes into effect (we do not know when yet) these dates will be automatically system generated on the cards. This will help to ensure for INAC and First Nations that there are less fraudulent cards in circulation. My only advice would be to alert the First Nation members to renew their cards before the expiry date, so that they will not experience difficulties when travelling/shopping.

Thank you for voicing your concerns and I will certainly let our headquarters people know the dilemma the expiry date puts on First Nation members.

**PLEASE CHECK THE EXPIRY DATE ON YOUR STATUS CARD AND RENEW BEFORE IT EXPIRES.**

## ADMINISTRATION

### “Attention All Land Owners/Purchasers”

The following procedure has been outlined for Mohawks of the Bay of Quinte members to follow when **transferring** ownership of land on the Tyendinaga Mohawk Territory due to a **change in** protocol by Indian & Northern Affairs:

1. You **will** be required to contact the Lands Department at the Administration Office if you wish to transfer all or part of your property. A form stating your wishes must be filled out and signed by all parties concerned **so** everyone involved clearly understands what your intentions are.
2. If you are transferring the whole of a lot, you **may not** have to have your property surveyed by a *Canada Land Surveyor*.
3. If you are transferring a portion of a lot, then a sketch of **the** property being transferred will be **sent** to Natural Resources Canada to determine if there is enough survey fabric (iron survey bars) in the ground to warrant acceptance of the sketch. If Natural Resources Canada says it **must** be surveyed by a Canada Land Surveyor, then it will be your responsibility to hire a Canada Land Surveyor. The Lands Department can assist with contacting a Canada Land Surveyor where you can obtain a quote to complete the work. Approximate time will vary due to the lack of Canada Land Surveyors in the area. **When** the Lands Department receives the surveyed sketch, a Land Transfer will be done.
4. The Land Transfer will be sent to the Tyendinaga Mohawk Council for approval and then to Indian and Northern Affairs. A Certificate of Possession should arrive in approximately 2-3 months.

**\*Please Note:** A survey technician may be **utilized** if:

1. Natural Resources Canada determines if a survey technician's survey report is sufficient. The Lands Department **can** assist with contacting a **survey** technician where you can obtain a quote to complete **the** work. This is a requirement if you intend to build on the lot to ensure you are following the proper setbacks from your property line.

For further information please call Ken Brant **at** the Administration Office **396-3424**.

## IMPORTANT NOTICE

Please be advised that on April 6, 2004 the Tyendinaga Mohawk Council passed a Motion whereas cheques to be issued on behalf of the Mohawks of the Bay of Quinte will no longer be processed on a daily basis. Commencing May 1, 2004 cheques will be issued **on** Monday, Wednesday and Friday of each week. Completed cheques should be available for pickup after 3:00 p.m. at the Reception desk in the Administration Building.

**Thank** you.

To **better** serve the community and **its** members, the Tyendinaga Mohawk Council **has** asked that the following procedure for public presentations to the Council be recognized. **This** procedure will ensure that the Council receives all pertinent information in order to serve you and the community. This procedure has not been established to hinder your access to the Council, but to enhance service in a timely fashion.

### PROCEDURE FOR LOCAL BUSINESS

Local Business Meetings are held the 2<sup>nd</sup> and 4<sup>th</sup> Wednesday's of each month at 7:00 p.m. unless otherwise notified.

The deadline for inclusion on the Local Business Agenda is the previous Friday at 12:00 p.m. Requests made after the deadline will be placed on the following Local Business Agenda.

The Tyendinaga Mohawk Council **requires** that the Community member provide a written statement on the issue the member wishes to discuss **by** the deadline. Assistance will be provided upon request. This will allow the **staff** the opportunity to gather any additional information on the issue **so** the Council can be fully informed and that your time is well spent.

All requests are to be directed to Angela Maracle, Administrative Officer, or Bonnie **Thompson**, Administrative Support.

The order for the agenda is determined on a **first-come**, first-serve basis and each slot is scheduled for 20 minutes.

**Please** be advised that Community members that do not follow this procedure will not **be** recognized to be heard at the meeting. **This** is to ensure that **all** the proper information is available to the Council **so** that an informed decision can be made that is fair and equitable to every member.

TYENDINAGA MOHAWK COUNCIL MINUTES  
 JULY 13, 2004

A special meeting of the Tyendinaga Mohawk Council was held on Tuesday, July 13, 2004 at 10:00 a.m. in the Council Chambers.

Present: Chief R. Donald Marade  
 Councillors: Willard A. Hill, Roy C. Marade, Blaine Loft and Velma Hill-Dracup  
 Staff: Todd Kring  
 Guests: Mayor Clarence Ziemann (Deseronto Council), Barbara Thompson (Deseronto Council), Grant Southwell (Deseronto Clerk Treasurer), Susan Bell (Financial Advisor Hastings County), Ross L. Fair (Regional Director, Ontario Municipal Affairs Housing), Patricia Urquhart (Regional Director, Ont. Municipal Affairs Municipal Advisor)

A special meeting of the Tyendinaga Mohawk Council, the Town Council of Deseronto and the Municipal Affairs and Housing Ministry was held to discuss a joint water and service plan to service the Tyendinaga Mohawk Territory and the Town of Deseronto.

Chief R. Donald Maracle asked Ross Fair for more details about the \$900 million infrastructure fund announced in the recent budget. Ross Fair advised that there are 445 municipalities in Ontario. First Nations will be eligible for the Canada Ontario Municipal Rural Infrastructure Fund (COMRIF). The initiative will be for water treatment plants, wastewater treatment plants, roads, bridges, and green infrastructure.

The \$900 million COMRIF is a 5 year initiative for critical infrastructure issues. It is hoped that Prime Minister, Paul Martin, and the Ontario Minister of Municipal Affairs and Housing, John Gerritsen, will make an announcement in mid August 2004.

Mayor Clarence Ziemann stated the Town of Deseronto could not afford to contribute funds beyond those Deseronto would be eligible for from COMRIF.

Ross Fair advised that projects approved are cost shared one third from Canada, a third from Ontario and a third from the Municipal Government or First Nations Government.

The Totten Simms Hubicki Associates Engineering proposal dated June 24, 2004 to conduct a conditional assessment and site review of the Deseronto Water and Sewer Plant was discussed. The Deseronto plants are 31 years old with a life expectancy of 40 years. The cost estimate for the assessment is \$22,980.00. Ross Fair advised the study should proceed and the study may be eligible for COMRIF.

Chief R. Donald Maracle suggested that a joint committee be established consisting of representatives of the Mohawks of the Bay of Quinte, Town of Deseronto, Ontario Municipal Affairs and Housing, Indian and Northern Affairs Canada, Public Works and Government Services Canada, Ontario Ministry of the Environment and possibly the Ontario Native Affairs Secretariat.

The Joint Committee would oversee the work on the feasibility of a joint water and sewer plant for the Tyendinaga Mohawk Territory and Deseronto. Glen Gilbert from Indian Affairs requires this study to determine which option is most feasible: a plant on the Tyendinaga Mohawk Territory or a mega plant for both communities.

Ontario has the Ontario Strategic Infrastructure Funding Authority, which provides low interest loan rates for infrastructure to qualifying municipalities. Mayor Ziemann said it might be a good idea to contact Lou Rinaldi, the Ontario Parliamentary Secretary

# T.M.C. MEETING MINUTES

## TYENDINAGA MOHAWK COUNCIL MINUTES JULY 14, 2004

A meeting of the Tyendinaga Mohawk Council was held on Wednesday, July 14, 2004 at 7:00 p.m. in the Council Chambers for Local Business.

Present: Chief R. Donald Marade  
Councillors: Willard A. Hill, Roy C. Marade, Blaine Loft and Velma Hill-Dracup  
Staff: Angela Marade, A/Chief Administrative Officer

Chief R. Donald Marade opened the meeting with prayer in Mohawk.

Gladys Bowden amended Council to state that the Mohawk Recreation Committee will no longer be able to support hockey subsidies due to the lack of fundraising options since the Recreation Department has taken over the canteen.

- MOTION#1: Moved by Roy C. Marade, seconded by Willard A. Hill to acknowledge receipt of the letter dated July 8, 2004 from the Mohawk Recreation Committee. Carried

Shelly Brant, Janet Jung, Pal Brant, Audrey Brant and Glenn Hill of the Tyendinaga Concerned Citizens Committee came to Council to request a page or space in the monthly newsletter for the committee - Newsletter is Council's vehicle to distribute information - no censorship - Shelly said there has been and the Chief asked for an example - Shelly said if Council is refusing us, then look at a discrimination issue. Shelly Brant has asked for a copy of any Newsletter policy.

- MOTION#2: Moved by Velma Hill-Dracup, seconded by Willard A. Hill to acknowledge the request from the Tyendinaga Concerned Citizen Committee and to look into the Committee's request to be given a page or space in the Tyendinaga Newsletter. Carried

Shelly Brant has also demanded that the Council members who made motions to pay funds to lawyers for Christ Church invoices be reimbursed by the Council members, individually or by Christ the King congregation - this is a personal issue, not for the benefit of the whole Community. If the money is not reimbursed in 3 months, the Committee will have charges laid against the Council for misappropriation of funds.

Pat Brant said that the Anglican Church refunded all the money put forth by the Anglican-Catholic members and that there was no cost sharing in the Church.

Shelly Brant asked if the Council was paying for a Human Rights Complaint as it related to the Christ Church - Chief Marade said no. Shelly asked if Christ the King congregation was building their own church and if it's going on bend land - Chief Marade said he did not know of any such request and that Shelly should check with Christ the King congregation.

The Committee has asked that the Administration portfolio be given to Council as a whole and not just held by Chief R. Donald Marade. Blaine Loft feels that Administration should be separate from Council. If there is an Administrative structure in place than Administration should be handled by all of Council

The Committee would like to have an open agenda meeting held for all community members. The Council will note the request and put on the agenda. Roy C. Marade agrees a meeting should be held suggested that as soon as the audit is completed, September is a possible suggestion.

Shelly Brant asks Velma Hill-Omcup how many Council meetings she has missed since the term started and why not step down so someone else can be at the meetings -

Velma Hill-Omcup stated that Shelly has no right to question her about her health - Shelly stated she was asking about attendance at meetings

The Committee asked about the Culbertson Tract Claim, future land base and Tenders and water and sewer.

- MOTION #3: Moved by Velma Hill-Draw, seconded by Blaine Loft to approve Signing the agreement and initialing the addendum with Pierce Animal Control for animal control Services for the period of June 1, 2004 to May 31, 2005. Carried.

- MOTION #4: Moved by Velma Hill-Dracup, seconded by Blaine Loft to see if the Brighter Futures/Building Healthy Communities budget can donate \$2,000 and cover the Community Centre rental fees for the A.J. Brant Charity Foundation to host the Arnold J. Brant Scramble for Diabetes Golf Tournament being held on July 30, 2004. Carried.

- MOTION #5: Moved by Roy C. Marade, seconded by Velma Hill-Dracup that Council members can get up to one week's advance on honourarium and that the current compensation structure for Chief and Council be reassessed at the next Council meeting. Carried.

- MOTION #6: Moved by Velma Hill-Dracup, seconded by Willard A Hill to go in private. (10:20 p.m.) Carried.

### Summary of Private Minutes:

- Heard Community member's proposal - Council requested a benefit analysis
- Approved to draft a policy on Garnishment of Wages that is in line with the Indian Act
- Approved the successful applicant for the Healthy Baby/Healthy Children Program Manager position

## CULBERTSON TRACT LAND CLAIM UPDATE

On June 30, 2004, the Tyendinaga Mohawk Council passed a resolution agreeing to enter into negotiations with the federal government on the Culbertson Tract Land Claim.

On July 28, 2004, the Tyendinaga Mohawk Council passed a motion inviting Brant Bardy to participate in the negotiations as a community representative. Brant accepted this offer on July 29, 2004. We welcome Brant to the table and are pleased that he agreed to participate.

To date, two meetings have taken place. Our first meeting was held on July 30, 2004. Federal government representatives toured the Culbertson Tract Claim area with the Council, Lisa Maracle and our solicitors, Alan Pratt and Carla McGrath. Following the tour, the federal government discussed with Council the types of studies that usually take place as part of negotiations.

Our second meeting took place on August 27, 2004. At this meeting, the federal government gave a presentation on the funding process and the Additions to Reserve Policy.

On August 5, 2004 Council met with Ralph Brant of the Indian Claims Commission (ICC). Ralph outlined to Council the facilitation services the ICC provides to First Nations negotiating land claims with the federal government. On August 27, 2004, Council agreed to have the ICC facilitate our meetings on the Culbertson Tract. The ICC will be responsible for administrative services associated with our meetings and following up with participants to ensure that the undertakings are completed. There is no cost to MBQ for this service the ICC provides.

We are currently preparing a joint workplan that will be used to justify funding for negotiation purposes. We are also jointly developing a negotiation protocol agreement, a communications protocol agreement and a communications strategy. All of these documents will assist in keeping the negotiations on track.

We will keep the community up to date following our meetings. If you have any questions or concerns please contact myself or Lisa Maracle at the Administration Office.

Chief R. Donald Maracle

## ADMINISTRATION

### CULBERTSON TRACT LAND CLAIM BACKGROUND INFORMATION

In 1837, John Culbertson, grandson and heir of Captain John Deserontyon, received a Crown Grant for approximately 827 acres on the eastern boundary of Tyendinaga Mohawk Territory. More precisely, John Culbertson was granted the west half of lot 38, all of lot 39 and all of lot 40, in Concessions 1, 2 and A that is from the northern boundary recognized today to the water's edge at the Bay of Quinte. Subsequently, Culbertson and his family sold the land or lost it by defaulted mortgages.

The Mohawks of the Bay of Quinte have always argued that this was an illegal Crown grant of a portion of the Tyendinaga Mohawk Territory since the community did not surrender the lands to the Crown before the grant to John Culbertson.

In 1832, John Culbertson had obtained from the Chiefs of the Mohawks of the Bay of Quinte, a Quit Claim Deed, for the land that had been his grandfather's - Captain John Deserontyon's. However, this was a transaction internal to the community to settle an estate.

In 1836, Culbertson registered this Quit Claim at the Registry Office in Belleville as if it was legal alienation of land. He also submitted a petition to the Government of Upper Canada. The petition included the Quit Claim Deed, Captain John's Will and other documentation to show how Culbertson was worthy of receiving a Crown Grant of the land bequeathed to him by his grandfather.

Although the officials in Upper Canada should have been fully aware that this Quit Claim Deed and other documents did not amount to a legal surrender, the Lieutenant-Governor in 1837, Sir Francis Bond Head, granted the land to Culbertson as a Crown Grant. There was no public meeting called for the purpose of the surrender, no informed community consent to a surrender, no government official to act on behalf of the Crown, no compensation paid and no surrender document.

This claim was researched primarily in the early 1990s. A claim was then submitted to the Specific Claims Branch of the federal Department of Indian and Northern Affairs in November 1995. The claim sought compensation for the wrongful alienation of the Culbertson Tract and restoration of lands to the Tyendinaga Mohawk Territory.

In 1998, the Specific Claims Branch provided MBQ with supplementary research they had done. This research enhanced our argument. The claim was then reviewed by the federal Department of Justice from December 1998 to 2002.

In November 2003, MBQ received a letter from the Department of Indian and Northern Affairs which acknowledged that no legal surrender took place before the lands were granted to John Culbertson. The Department of Indian and Northern Affairs is offering to negotiate a settlement for this claim.

She:kon Sewakwekon,

For those community members who missed the Culbertson Tract meeting that was held in June, it was proposed that a non-partisan committee be struck to assist in the negotiation of the Culbertson claim.

On July 29<sup>th</sup> I was asked by the Tyendinaga Mohawk Council to serve as the community representative on the Culbertson Tract Claim, I respectfully accepted.

While employed as a land claims researcher for the Mohawks of the Bay of Quinte for seven years, I had the privilege of working on the Culbertson Tract claim with fellow researcher Trish Rae, and MBQ lawyer Alan Pratt. Our people will outgrow our land base in the near generations to come and anyone familiar with the history of our community can surely agree that if not for the persistence and foresight of our ancestors, we would not have a land base today.

I am pleased to be your representative in this extremely important matter and will do my best to ensure that this claim proceeds in the best interests of the community and the future generations to come. I welcome your comments on the Culbertson Tract Claim and encourage you to contact me at First Nations Technical Institute at 396-2122 during weekdays, or at home 396-1862 during the weekends.

Skennen,

Brant Bardy

## EDUCATION

### Partners in Education 4 Quinte Mohawk School Community Report

Be sure to come out to the Mohawk Fair and look for the PIE 4 QMS booth and support Quinte Mohawk School.

We will be having a PIE Throwing booth,  
Pie for sale and  
Tim Horton's Coffee.

We are still looking for volunteers for our booths at the fair this year. We would like to have some volunteer to assist us in sitting in the pie-throwing booth, selling pies and Tim Horton's coffee. We are planning to be open for the pie throwing booth on Friday, September 17 from 6:00-7:00pm, Saturday, September 18 from noon to 6:00pm and on Sunday, September 19 from noon to 4:00pm.

PIE 4 QMS would like to take this opportunity to thank the volunteers who came to our meeting on Monday, August 23, 2004 at 7:00pm at QMS. Special thanks to Wendy Rogalsky for her input, ideas and assistance in pie donations. Special thanks to Dan & Rhonda Doreen for their input, ideas and assistance in volunteering to do shopping and covering the booth during this fundraising event. Special thanks to Lisa Maracle for her input, ideas and assistance in making posters, and signs. Special thanks to Pete Hill for his input, ideas and assistance in the planning of the fundraiser. Special thanks to Tammy Doreen for her input, ideas and assistance in the planning of the fundraiser. On behalf of PIE 4 QMS Nia wen kowa to all the volunteers who came out to support us with our fundraising efforts for Quinte Mohawk School. We look forward to seeing everyone at the upcoming Mohawk Fall Fair.

PIE 4 QMS would like to update the community on a recent fundraising effort to raffle an Adidas backpack filled with school supplies for a value of \$150.00. The raffle was promoted and held at the 17th Annual Tyendinaga Powwow on August 14 & 15, 2004. We sold 130 tickets and raised \$260.00 and an anonymous \$6.00 donation. Rob Maracle drew the winning ticket. Congratulations to Alyssa Brant of Tyendinaga for winning the backpack. Special thanks to Shelly Brant, Natasha Bardy, Sarah Bernhardt for selling the tickets at the powwow.

Please watch for upcoming information on the Parents Information Night at Quinte Mohawk School for this school year. This event will be held in collaboration with Quinte Mohawk School Administration and Partners in Education 4 Quinte Mohawk School Parents Committee.

Please contact Tanya Bardy, Secretary for PIE 4 QMS if you would like to volunteer for any of our fundraising events planned for next month. Please feel free to contact any representative from PIE 4 QMS if you have any questions, concerns or comments regarding the parents committee.

# EDUCATION

Haudenosaunee Opportunity for Personalized Education

HOPE is a co-operative learning adventure sponsored by Moira Secondary School, the Mohawks of Phe Bay of Quinte, Hastings and Prince Edward District School Board, and the First Nations Technical Institute.

## Who can attend HOPE?

Students must be between the ages of 16 and 20 years of age and, in most cases, will have been out of school for at least six months.

## How can you register for HOPE?

To register, you can contact the Guidance Office at Moira Secondary School at 962-8668 or Tracy Maracle or Jan Hill at the HOPE Program at 396-6742.

There is no cost for the program.

## What is HOPE?

HOPE is an educational alternative program that has been designed to meet the specific learning needs of Mohawk students who have not yet graduated from high school.

Students of HOPE work towards their high school diploma in an individualized program developed in consultation with the student.

## Why HOPE?

For some native students the traditional school setting has not been a successful experience.

HOPE offers a flexible approach that values success through the development of an individual program.

## Where is HOPE?

The HOPE program is located on the Tyendingaga Mohawk Territory at the First Nations Technical Institute.

Students will attend the program there as they work towards their high school diploma from Moira Secondary School.

## When is HOPE?

The HOPE program is in operation five days a week during the school year.

Students must attend fifteen hours each week to maintain their enrolment in the program. However, the hours per day a student attends are flexible and will be negotiated with the instructors.

### BREASTFEEDING CIRCLE

*"What is the natural way of feeding infants and young children?"*

Breastfeeding is a natural way of feeding infants and young children, and human milk is milk made specifically for human infants. Formulas made from cow's milk or soybeans are only imitations of what we know so far about mother's milk.

A good start helps to assure breastfeeding will be a positive and happy experience for both infant and mother. Here are a few ways that breastfeeding can be made easy:

- **A proper latch is crucial to success:** before leaving the hospital with your infant, you should be shown that your baby is latched on to the nipple properly, and that he/she is actually getting the milk from the breast. If you have sore nipples from breastfeeding, it may be wise to ask experienced help. Sore nipples should not be a problem.
- **The baby should be at the breast immediately after birth:** the vast majority of newborns can be at the breast within minutes of birth. Studies have shown that the closeness between the mother and infant when breastfeeding, is as warm as an incubator to an infant.
- **The mother and baby should be in the same room:** mothers and babies learn how to sleep in the same rhythm, so when the baby starts waking for a feed, the mother also wakes. Sleeping side-by-side in the hospital should be greatly encouraged as this is a great way for mothers to rest while the baby is nursing.
- **Artificial nipples should not be given to the baby:** Babies will take whatever gives them a rapid flow of fluid and may refuse others that do not. Therefore, in the first few days of nursing, when the mother is only producing a small amount of milk and the baby gets a bottle which supplies him/her with a rapid supply of milk, the baby will tend to prefer the rapid flow method of the bottle.
- **No restriction on length and frequency of breastfeeding:** A baby who drinks well will not be on the breast for hours at a time. If he is, it is usually because he is not latching on well and not getting the milk that is available. In this case, you should get help to fix the baby's latch and use compression to get the baby more milk.
- **Supplements of water, sugar waters, or formula are rarely needed:** If supplements are required, they should be given by a lactation aid at the breast, rather than a cup, finger feeding, syringe or bottle.

## HEALTH & FITNESS

### GOOD CARBS, BAD CARBS

(Excerpts from "NOT ALL CARBS ARE CREATED EQUAL" By Diane Peters)

Foods with a high glycemic index (GI) can make your blood sugar levels spike, which can make your body store fat and encourage you to overeat. Others help stabilize your blood sugar and are loaded with nutrients and fibre—which fill you up, give you longer lasting energy and keep your digestive system humming.

#### Bad Carbs

**White bread** High GI rating, zero fibre, few nutrients  
**White bagel** Same as white bread, plus an average bagel equals as many as four servings of bread  
**Potatoes** High GI rating, lends itself to frying or loading with butter and other toppings  
**White cereals** High GI rating, no fibre, often loaded with sugar  
**Soft drinks** GI rating through the roof, calories galore, zero nutrients, doesn't fill you up  
**Ice cream** High GI rating, loaded with fat and sugar  
**"Light" and "fat-free" foods** High GI rating; manufacturers often fill these salad dressings, yogurts and other low-fat foods with sugar for taste  
**Instant white rice** No fibre means a sky-high GI rating  
**Bananas and melons** High GI rating because of their sugar content, eat in moderation as these tasty fruits are a good source of vitamins

#### Good Carbs

**Whole-grain bread** Moderate GI rating, filling, loaded with fibre

HOW TO EAT IT WELL: EAT AS TOAST WITH A LOW-SUGAR JAM, IN A SANDWICH FILLED WITH TUNA (MADE WITH LOW-FAT MAYO AND LOTS OF VEGGIES) OR SLICES OF ROAST TURKEY

**Legumes, Lentils, kidney beans, chick peas and the like** are both a protein and a carb; Low GI rating, full of nutrients and fibre

HOW TO EAT THEM WELL: MIXED WITH VEGETABLES AND SOME CURRY SAUCE ON BROWN RICE, ROLLED INTO A WHOLE-WHEAT WRAP

**Brown rice** Moderate GI rating

HOW TO EAT IT WELL: THE SAME WAY YOU WOULD EAT WHITE RICE, SERVED WITH CURRIES, MEAT AND VEGGIES AND IN SUSHI

**Sweet potatoes** Moderate GI rating, plenty of nutrients and fibre, great taste

HOW TO EAT THEM WELL: THE SAME WAY YOU WOULD EAT REGULAR POTATO HASHED, BAKED OR BARBECUED WITH SPICES AND A DASH OF OLIVE OIL, CHOPPED UP IN A SOUP, CHILI OR CURRY

**Pasta** Low GI rating, especially whole-grain varieties

HOW TO EAT IT WELL: BUY WHOLE-GRAIN PASTA WHENEVER POSSIBLE, COOK AL DENTE AND KEEP YOUR SERVING SIZE BETWEEN HALF A CUP AND ONE CUP (125 TO 250 mL)

**Apples, pears, grapefruit** Low GI rating, nutrient- and fibre-rich

HOW TO EAT THEM WELL: WHOLE RATHER THAN JUICED. ALTHOUGH YOU ALWAYS WANT TO EAT A VARIETY OF FRUIT, FOCUS ON THESE LOW-GI VARIETIES IF YOUR WEIGHT IS AN ISSUE.

**Lettuce, broccoli, spinach, celery** Low GI rating, minimal calories and lots of fibre

HOW TO EAT THEM WELL: AT ALMOST EVERY MEAL, TOSS LOW-CAL VEGETABLES ONTO YOUR PLATE TO FILL UP YOUR STOMACH AND GIVE YOU LOTS OF NUTRIENTS; EAT SALADS FREQUENTLY

## COMMUNITY INTEREST

### Parish Thank You

On Sunday August 23, 2004 the Parish of Tyendinaga held a very successful Pork Barbecue Dinner at the Orange Lodge. Thanks be to God! The event was well attended and many people contributed to the event's success. Approximately 170 people were fed. We do apologize that the dinner was not able to commence at the stated time of 5:00PM due to an ill function of the BBQ. But during the half hour wait many were able to visit with others who attended. Many thanks go to chefs for the fine job they did on that tasty roast and to all those others who planned, worked, donated, and bought or sold tickets, as well as to the Orange Lodge who donated the use of their hall. It was good to see people pull together. The funds raised will assist the Parish of Tyendinaga in meeting its financial obligations.

*I would like to thank Brenda, Val, Terry, Karen, Carter and Anita for the Birthday party they had for my 70th Birthday. I would also like to thank my Grandchildren, my Family and also my Friends for coming out to my party. Many thanks again.*

*Mary Maracle*

### Nia:wen

*I would like to say Nia:wen to the Pow Wow committee for time and hard work and a job well done. For it is the people on the committee that made this celebration one of the biggest celebrations here. I know it takes a lot of work, I think so often the people on these committees don't get the credit and acknowledgment for what they do. So to all of those that work so hard. Nia:wen from the heart.*

### Thank You!

*Thanks for being a great coach Wendy!  
From the under 3 division  
(even though you were only coaching one team, you kept the division together). Thanks for your efforts!*

*Thanks for being awesome coaches Greg and Gail Brant.  
from the under 12 All-Stars*

## News & View from the 59'ers Club

*Well fall is fast approaching and with that is thoughts of Christmas. Whether we are ready or not. The 59'ers need the community whelp us help children.*

*Your donation of gifts or money will enable us to proceed with our "children's shopping day" on December 11th. All proceeds from that day will go to the Angel Tree Programme.*

*Children will be able to purchase gifts for Parents, Grandparents, Brothers and Sisters. We will gift wrap items as well as have donuts and drinks for them. All items will sell for 25 cents up to a toonie.*

*We will have the club open on Tuesday Oct. 5th from 12 to 4 to receive items or monetary gifts. So please check out your treasures and see if there are some you can part with to give all children a Happy X-mas. You can also call for pick up.*

*Come out and join the club the first Tuesday of the month. \$5.00 annual membership.*

*Euchre Sept 7 & 21st.*

### A Note from the Love & Action Committee

As it was stated last month the Love and Action committee is a group of people from the Anglican Parish of Tyendinaga who do outreach in our community as well as in other parts of Canada and third world countries.

A new school term will soon be starting. Love and Action will honour and pray each week in the month of September especially for all those people involved in the education sector of our Territory.... Quinte Mohawk teachers, counselors, bus drivers, Daycare workers, Headstart workers, secondary school teachers and liaison officers. teachers at FNTI, Ohase, and Hope, as well as educational committees that work in Tyendinaga. We also pray for Captains Murray and Ann O'Coin who have recently moved to Tyendinaga to minister to young people in our community. We congratulate Ms Kathleen Manderville, the new principal of Quinte Mohawk School, and pray she will do her best for our young people.

After you send your children off to school each day, you can't be with them physically. But you can stay connected and influence their lives in powerful ways - if you regularly pray for them and their schools.

Please join us in praying for these people. Theirs is an awesome task and not always easy.

We invite you to join us for Sunday service - All Saints on Ridge Road at 9:30AM or Christ Church at 11:00AM. Rev Alex Waking officiating.

PS The Parish is looking for Sunday School teachers and children interested in starting up a Sunday school. Contact Rev. Waking at 062-2707.

# COMMUNITY INTEREST

## Thank You!

**The Thomas Family would like to thank all those very generous people for donating food and emotional support in our time of sorrow. A special thank you to Pastor Bowbeer for guiding us and helping us in the hospital at the most difficult time in losing Daw. There can never be enough gratitude and thanks to Aunt Nom, Uncle Fish and Suz for being with us from start to finish in our loss and then opening their home and feeding us all (I know seemed like half the rez, rest assured it was only the Thomas'). If I've forgotten anyone I'm deeply sorry but we do appreciate all that was done for us.**

*Thank you all so very very much*

*The Thomas Family*

### KA:NHIOTE

Tyendinaga Territory Public Library  
 1644 York Road, Tyendinaga Mohawk Territory  
 KOK 1X0  
 (613) 967-6264

The Trillium Foundation provided funding for an Iroquoian silver workshop. As stated before the cost will be approximately \$100. The workshop is scheduled to begin September 11 – for more information contact the library at 967-6264.

The summer students who worked at the library - Alicia Parks, Ashley Murphy and David Maracle - did an excellent job and are wished all the best in their future plans.

The library board members will be selling raffle tickets from now until Mohawk Fair where we will draw for 3 prizes - a crib quilt, a wall hanging and a necklace/earring set.

## TYENDINAGA BRAVES MIDGET BASEBALL

### 2004 CHAMPS

### QUINTE BASEBALL LEAGUE

Tyendinaga wins championship 8-1 over Prince Edward County Lynx.

In a heated hard fought playoff series against PEC Lynx, who were the All Ontario House League Champs 2004, Tyendinaga won the first game 5-3. Then losing a controversial game 2, 8-7, the series was tied at one game a piece. In game 3, Tyendinaga came from behind to tie the game and forcing a game 4. At Rotary Park, Tyendinaga played a stellar game with outstanding defence holding PEC Lynx to 4 hits and 1 run. Tyendinaga got shut out pitching from Josh Maracle for the first three innings and Rob Dillon closed the door in the last three innings.

We would like to congratulate the Tyendinaga Braves for a successful season. It was a pleasure to coach a great bunch of guys!

OUR PROGRESS HAS UNSTOPPED

Shirley,

*I would like to take this opportunity to thank everyone who provided letters of support for the continuation of Red Cedar's Traditional Practitioner Program. Your letters made a difference and we sure did appreciate hearing that the program has benefited the community. I would also like to thank those who believe in the program and supported it. I am taking this opportunity to inform you that Red Cedar's Traditional Practitioner Program has changed to the Traditional Community Worker Program. There are some exciting changes happening in the services offered to the community. I am excited about this opportunity and look forward to continue working in this program. Our number has changed and I can now be reached at (613) 967-6544. If you have any questions or comments, please feel free to call.*
