Mr. Gerry Mulder
Native Liaison
Ontario Ministry of Natural Resources
Postal Bag 70
255 Metcalf St.
Tweed, Ontario
K0K 3J0

Dear Mr. Mulder:

The information you provided regarding the extraction of walleye from the Napanee, Moira and Trent River and comments from people viewing the spearing of walleye.

Is it possible for the Ministry of Natural Resources to provide all the names of non-natives from the United States who fish in the waters of Canada? Is it also possible for the Ministry of Natural Resources to list the industries and companies who constantly pollute the waters that destroy the population of fish? Where are the comments from native people regarding our side of the issue?

It appears to our Council the Ministry of Natural Resources has taken great lengths to ensure they monitor a population which consumes approximately 3% of the fish population. If "conservation" is really the objection of the Ministry of Natural Resources then perhaps the Ministry of Natural Resources should reduce United States licenses and licenses to anglers in Canada in an honest attempt to balance the scales. Perhaps the Ministry of Natural Resources should increase the monitoring of anglers and the number of fish they take per day/catch.

Albeit the information provided was to be utilized as such, it is frustrating to see how much concern and time is given to a 3% factor when in reality the component consuming the highest percentage of fish should be concentrated on.

.../2

The Mohawks of the Bay of Quinte has, since 1953, implemented a By-law to monitor and control spearing and it still receives "bad" coverage. Perhaps it is time we started to increase our percentage and assume the concept of non-natives which is to "take while the taking is good" and blame it on others.

Sincerely,

Donald Maracle

R. Donald Maracle
Chief

GM/lm

Editors Advisory

TORONTO — Provincial policy requiring government employees to pay fines for traffic violations will not change now that photo radar has been introduced on provincial highways, a Ministry of Transportation official said today.

"In any given year we only have a handful of cases where we have had difficulty recovering money from an employee for a parking or speeding violation," said Bill MacDonald, manager of the ministry's corporate operations office. "That's pretty good odds when you have more than 12,500 provincial vehicles on the road."

Provincial policy, in accordance with the government's employee expenses manual, requires all employees to take "responsibility for all traffic and parking violations." That includes speeding tickets issued by photo radar. Employees who refuse to pay their speeding and parking tickets could face disciplinary action.

Employees using government vehicles are encouraged to be conscientious and responsible drivers, said MacDonald.

News Release

August 10, 1994

HEALTH CANADA WELCOMES OPENING
OF SUMMER BEAVER NURSING STATION

SUMMER BEAVER, Ont. -- Summer Beaver, located four-hundred and eighty (480) air kilometres north of Sioux Lookout, Ontario will officially open a new Nursing Station on Monday, August 15.

Health Canada contributed \$2,005,000 to fund construction of the Nursing Station.

Richard Jock, Regional Director of Medical Services Branch, Health Canada, Ontario Region, said the Nursing Station is an important addition to the community. It will provide community members with services, information and the opportunity to improve their overall health. It is a close-at-hand resource which will offer community members' support, counselling and education on a variety of health issues.

The Nursing Station includes: examination and treatment rooms; a community health room; office space for community health representatives, nurses and alcohol and drug abuse program officers; visiting professionals; a reception office; and a waiting room.

The Summer Beaver Nursing Station will serve approximately 350 people, both on and off the reserve. It compliments the existing and planned infrastructure for primary school as well as a planned community centre and administration complex.

- 2 -

Prior to the recent completion of the Summer Beaver Nursing Station, community members were required to utilize the nursing services provided by the satellite Webequie Nursing Station. In the event of serious medical problems, they were transported to either Sioux Lookout or Thunder Bay for treatment.

However, with the completion of their own nursing station, community members will no longer have to leave their home community for basic health care. The two nurses now stationed at the Summer Beaver Nursing Station will provide this care within their own locale.

A MESSAGE FROM THE MOHAWK BUS LINE

It's True another school year is about to start. But where did the Summer go? I guess it's true time waits for no one and yet again those big yellow and black children eaters will be travelling along our roads getting in our way making us stop when were getting late for work. However these Buses are transporting priceless cargo "**CHILDREN**". We take pride in the fact that we do have a team of careful and dependable drivers on staff, and I will be asking Drivers to watch that a long line of cars will not be forming behind the Buses. This is to help you the residents of the Territory.

Now we would like to ask you a favour to help make the ride to school safe for our kids. If you have children riding the bus make sure they know the rules for riding and that they adhere to them, for when you see a bus pulled over to the side of the road its because Kids are acting up making it impossible for the driver to continue a run safely. Also last year there was considerable damage done to seats of Buses (cuts, holes poked in the seats, burns to the seats with lighters) all of this makes a high cost of repair to the Mohawk Bus Lines.

Attached is a copy of bus rules. Drivers will be enforcing them this year. We don't take pleasure in putting any one off the Bus for any reason. However if actions permit it then it will happen. So by working together we can have a Happy & Safe school year.

Presently we have nine buses running on a regular bases covering every road on the Territory with two on stand-by for spares. We have now six buses servicing Quinte Mohawk School and 3 servicing Four High Schools in Belleville. Should you have any concerns pertaining to Busing, Please do not hesitate to call the Mohawk Bus Lines Office as we will deal with all concerns as they come to our attention.

Thank You,
Art Brant, Bus Manager

OFFICE: 396-2000
HOME: 966-2855
CELLULAR: 391-9377

No easy road

If you're looking for the easy road
You might be wasting your time.
To reach the most meaningful goals
in life
You've got steep hills to climb.

If you're looking for the lazy way
One thing that you will find,
Is that success will never come
Without some daily grind.

If you're looking for some easy wealth
Look somewhere else instead;
Within yourself for energy
To earn your daily bread.

The path to greatness you can't tread
Without some heavy load;
So work your hardest — and your best —
There is no easy road.

— Jacqueline Schiff

ANY BEHAVIOR THAT IN ANY WAY DISTRACTS THE ATTENTION OF THE BUS DRIVER WILL NOT BE TOLERATED. IT IS YOUR PRIVILEGE TO RIDE THE BUS AND IT SHOULD BE TREATED AS SUCH.

- ___ 1. Bus driver is responsible for your safety therefore obey your bus driver's instructions.
- ___ 2. No standing or moving around bus when it is in motion.
- ___ 3. No running or pushing while boarding or leaving bus.
- ___ 4. No loud talking/swearing or horseplay.
- ___ 5. Keep arms, legs etc. in bus.
- ___ 6. No smoking or eating or drinking on bus.
- ___ 7. Students will be responsible for any damage, therefore, any damage found must be reported immediately.
- ___ 8. Students must sit in seat assigned to them with feet on floor.
- ___ 9. Students are expected to be waiting arrival of bus as bus is prohibited by the Highway Traffic Act from holding up traffic.
- ___ 10. Students will be picked up and dropped off only at their assigned locations.
- ___ 11. Students are prohibited from taking pellet guns, pocket knives etc. onto bus.

PENALTIES

1. One warning for disruptive behavior will be given in written form directed to parents from principal/liaison officer.
2. Suspension of riding privileges may result from second disruption on authority of bus driver, bus foreman and principal/liaison officer.

EXCEPTIONS: NO WARNING will be given in cases of violence or vandalism.

First Suspension Offence	- Two days
Second Suspension Offence	- Five days
Third Suspension Offence	- Twenty days
Fourth Suspension Offence	- Balance of school year

NOTE: In case of vandalism, suspensions are in effect until damages are recovered from student/students responsible for said damage.

JOB NOTICE

The Ontario Arts Council (OAC) has been providing vital support to the arts in Ontario for over three decades. Created as an independent agency by the provincial government in 1963, it has evolved and grown to reflect the dynamic and changing face of culture and the arts across Ontario.

OAC's goal is to make the arts integral to the lives of all Ontarians. One of its objectives is to ensure that its programs and services meet the needs of aboriginal artists, organizations and communities. OAC also wants aboriginal artists and communities to know about its existing programs and services and to be able to access them easily and fairly. To help achieve this, OAC's Community Arts Development Office is seeking an experienced professional for the position of

ASSOCIATE OFFICER

(ABORIGINAL COMMUNITY ARTS DEVELOPMENT)

- to promote and support the development of artistic resources and arts activity within the aboriginal community,
- to act as a resource to aboriginal artists and organizations as well as to OAC colleagues,
- to provide input into policy and program development, and
- to administer delegated grant programs.

Qualifications: Sound knowledge and understanding of the arts and issues affecting the arts community; broad knowledge of traditional and contemporary native arts in Ontario; direct work experience within aboriginal organizations; relevant community development experience; strong communication and interpersonal skills; well-developed administrative and consultative skills; computer literacy. Also required are credibility within the aboriginal community; good judgment, initiative and flexibility; a valid Ontario driver's license and the ability and willingness to travel extensively throughout Ontario. The ability to speak Cree, Ojibway and/or Oji-Cree would be a definite asset.

Qualified candidates are invited to respond in writing by **SEPTEMBER 16, 1994** to File # 894H, Human Resources Section, Ontario Arts Council, 151 Bloor Street West, Toronto, Ontario, M5S 1T6.

AN EQUAL OPPORTUNITY EMPLOYER

OAC is an agency of the Ministry of Tourism, Culture and Recreation.

Royal Bank is looking for

Customer Service Representatives

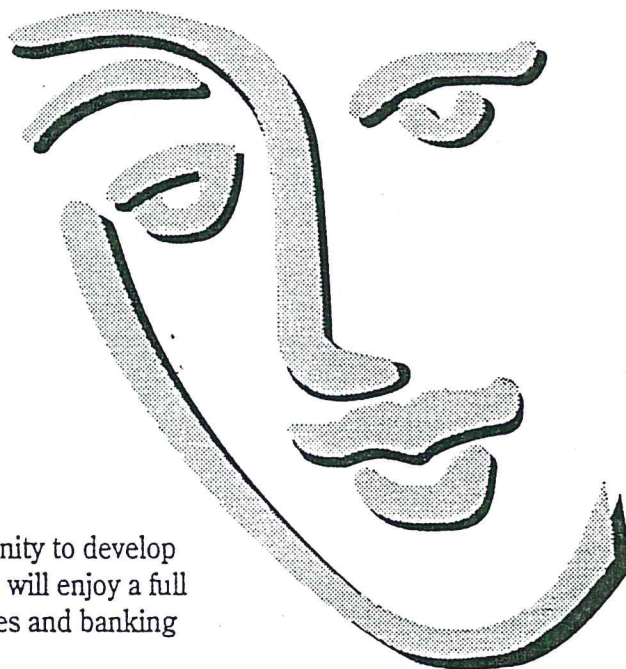

One of The Financial Post's
100 BEST
COMPANIES TO WORK FOR IN CANADA

As a Customer Service Representative with Royal Bank, you will be responsible for promoting and providing a full range of banking services to customers.

Qualifications:

Candidates will be expected to have demonstrated an aptitude to successfully perform the following duties.

- Provide customer service quickly as well as accurately, remembering all important information.
- Communicate procedures and services clearly to customers.
- Probe customer needs more deeply to reach underlying requirements, remaining sensitive to the customer.
- Work well and efficiently during peak periods.
- Adapt quickly and proactively to changes in procedures and improvements to services.
- Develop good relationships with co-workers, sharing information and ideas.

The successful candidates will have the opportunity to develop strong customer service and banking skills, and will enjoy a full range of benefits, including training opportunities and banking privileges.

Interested candidates are invited to forward their resume to:

CanWest Global System Broadcasters of the Future Awards

The CanWest Global System 'Broadcasters of the Future Awards' are a series of scholarship, Internship and mentorship programs designed to encourage and aid talented and enthusiastic Canadians toward establishing or furthering careers in the Canadian broadcast industry. These annual awards reflect the CanWest Global System's commitment to the personal growth of Canada's future broadcasters.

CanWest Global System - CAB 1994-1995 Aboriginal Peoples' Internship Award

This \$7,500 Internship award, funded by the CanWest Global System and administered by the Canadian Association of Broadcasters (CAB), offers eligible Aboriginal Canadians a challenging opportunity to work in private television. The Internship is designed to encourage Aboriginal Canadians to pursue broadcasting careers through invaluable hands-on experience. In addition, the award covers transportation, hotel and attendance expenses at the Canadian Association of Broadcasters' annual convention, for the closing Awards Dinner in November 1994, where the award will be presented.

Eligibility criteria for the Internship award is as follows:

- Aboriginal Canadian.
- minimum secondary school graduate.
- good oral and written English language skills.
- Interest in, and aptitude for, a career in broadcasting.

References may be requested. Global Television will personally interview top candidates prior to making final selection.

The Internship is awarded with the following guidelines:

- winner will be employed at the Global Television Network in Don Mills, Ontario.
- the \$7,500 award will be paid out to the winner on a salary basis for 4 months, May through August, upon commencement of employment. This is a gross salary, subject to applicable taxes.
- awardee will intern in an entry level position, within an area determined by the Global Television Network, and will be required to relocate to Toronto. In addition, if award recipient must relocate to Toronto for the Internship period, Global Television will reimburse up to \$1,000 for transportation and accommodation expenses.

Application should include the following:

- completed application form.
- copy of most current secondary school transcript of marks or diploma.
- one-page written statement, 500 words or less, outlining applicant's interest in broadcasting, career goals and how this Internship can help to attain career goals.
- résumé.
- other supporting documentation that may be helpful to the judging committee in assessing the application.

The decision of the judging committee is final.
Deadline for submission of entries is September 30th, 1994.

NEWS RELEASE August 18, 1994

RE: UNAAQ Export Marketing Training Program

"This program has become an instant hit!" remarked S. Chidambaram. He was referring to the innovative Export Marketing Training Program which was developed and conducted recently by Unaaq Inc. Graduates from the first training session offered high praise, and several other groups have expressed interest in the program.

Mr. Chidambaram, the Project Manager at Unaaq responsible for this program, was pleased by the warm reception for this program, but he was not surprised. "This program is unique in its' down-to-earth, practical approach. The main focus of the export marketing curriculum is on the issues that the potential exporter will run into. These issues are brought home, so to speak, by several guest speakers who share their actual experiences and expertise with the trainees," he explained.

Graduates of the program found that they really benefited from this practical approach. "The guest speakers from government and private industry made the course very interesting. These sessions presented a wonderful opportunity for us to ask questions in an informal yet informative setting," said one of the graduates.

Another distinctive feature of the Export Marketing Training Program is its' focus on exposing and explaining all of the funding opportunities available to potential exporters. Many small and medium-size enterprises fail to take advantage of the many opportunities in markets outside Canada simply because they lack information. This training program provides the participants with information on federal, provincial, regional, and community-based sources of funding and support. By the end of the six-week, 36 hour program, trainees are equipped with the skills and knowledge they need to immediately become self-employed exporters, or to seek employment with an export marketing organization.

-more-

NEWS RELEASE

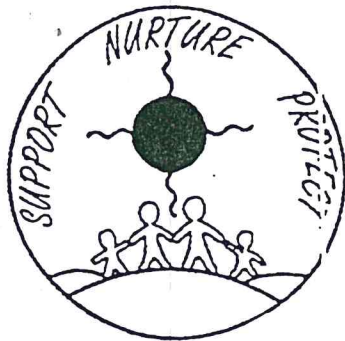

page 2

Unaaq, the company directing the Export Marketing Training Program, is a good example of one company that is successful in seeking out and taking advantage of opportunities in the growing markets outside Canada. Unaaq is a 100% Aboriginal company owned by the Inuit of Baffin Island and Northern Quebec. Unaaq Fisheries was created to operate the shrimp and Turbot licenses held by the shareholders, and has been active since 1987 in international exporting of Northern products into Asia and Europe. Unaaq Inc. also provides management consulting in resource development, human resources, and operational evaluations. Their consulting practice has recently grown to include work on international co-operation, technology transfers and Eco-Tourism. Unaaq has become very active internationally.

As mentioned earlier, the first of a series of programs aimed at small and medium sized, multi-cultural businesses in the Ottawa area has just wrapped up, and was generally well-received. Unaaq conducts a needs assessment with trainees before the program begins. Each Training Program will be tailored to meet the specific needs of participants in different communities. Some of the participants in the recent Ottawa program were sponsored by the Regional Municipality of Ottawa-Carleton, and community-based organizations like West End Community Ventures became involved by providing guest speakers and offering advice.

Upcoming sessions are planned for Ottawa in September and October and for Vancouver in December.

For more information, please contact Mr. S. Chidambaram, Project Manager, Unaaq @ Tel: (613) 234-4550 or Fax: (613) 234-4317.

Fitting Fitness Into A Too-Busy Schedule

You know that becoming physically fit can enhance the quality—and quantity—of the years ahead. But you can't seem to find enough time to make fitness work for you. Making time for fitness means setting priorities, sneaking extra activity into daily routines, and scheduling fitness time as you would other important events.

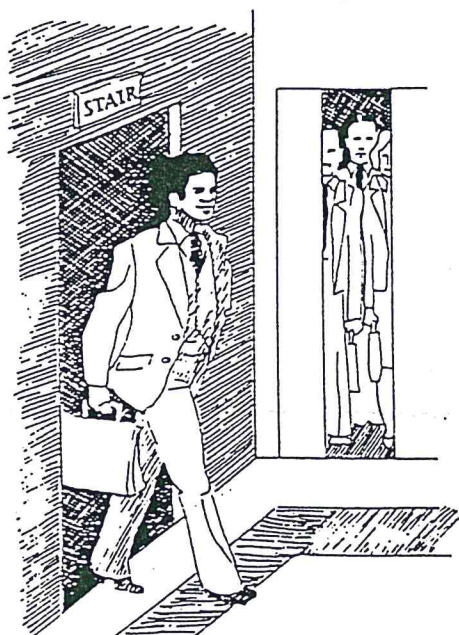

Making Fitness A Priority

Ask an expectant parent about the preferred sex of their baby-to-be. The answer? "It doesn't matter, as long as it's healthy." Health is the most precious quality we can wish on a newcomer to the world, and deciding to stay fit and healthy is our way of protecting that gift. You can become more fit by exercising just 20-30 minutes 3 times a week. Isn't it worth your time to make fitness a priority in your life?

Activating Your Daily Routine

Five minutes of movement here and there does add up to a more active lifestyle. To activate your daily routines, try some of these tips: take the stairs when possible (or walk a few flights and then take the elevator), park your car at the far end of the parking lot, hand-deliver messages at

Sneak activity into your daily routines—use the stairs whenever you can, or walk up a few flights and then take the elevator.

work rather than picking up the phone, and so on. With a little creativity, you'll find dozens of ways to increase the amount of movement in your daily routines.

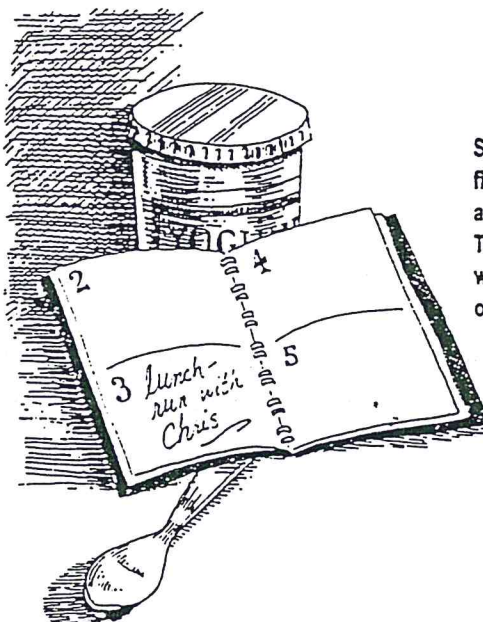

Scheduling Time For Fitness

Schedule your fitness time as you would an important meeting. Many business people have traded the "business lunch" for an exercise session at the gym. It makes sense—almost half of the North American population exercises regularly. Why not mix business with pleasure? Walk on your lunch hour, or instead of a coffee break, try a stretching break. Rather than joining friends for drinks, get together for a game of softball or a vigorous walk. But whatever you do, stick to your scheduled activity.

There's No Time Like The Present

There's no reason not to do something good for yourself by making fitness one of your daily priorities. By setting aside 20-30 minutes 3 times a week for vigorous activity, and by sneaking extra activity into your daily routines, you can become fitter, happier, and more productive. Why not start right now? What have you got to lose? 

© 1987 PUBLIX INTERNATIONAL

Schedule time for fitness as you would any important event. Try mixing "business" with pleasure—walk on your lunch hour!

THE LUNG ASSOCIATION

AIR FORCE ASTHMA PROGRAM

The Air Force Asthma Program is an innovative educational program designed especially for asthmatic children (age 6-12 years) and their parents.

The program consists of four main themes:

- What is asthma?
- Triggers of asthma
- Treatment of asthma
- Coping with asthma

Through the use of cartoons, program participants are introduced to each of the four themes. Separate sessions for parents and children are conducted by trained program leaders.

Parent's sessions are comprised of short lectures, guest speakers, demonstrations and group discussions to help the parents gain further understanding of the four themes in the program.

Children's sessions allow children to become members of the Air Force Detective Agency investigating their own asthma by finding the clues and warning signs of their own asthma, knowing the triggers, understanding the importance of taking their medicine correctly and learning how to manage their asthma effectively.

There is a cost of \$10.00 per family and a minimum of five families are needed.

The start date is scheduled for **October 4, 1994**

Please contact Kathy R. Brant
at the Thayendinege Health Centre before **September 15, 1994**
if you are interested in participating in this program.

CHR Training Courses

Kate Brant will be away finishing up her
"Life Skills" course in Sarnia
from September 5 - September 16, 1994.

Kathy R. Brant and Kate Brant will be away for
the "Native Community Care/Counselling" at
Mohawk College, Brantford from
September 19 - September 30, 1994.

We are sorry for any inconvenience
to the community during these times.

See you when we get back!

Notre Dame

JOHNSTOWN - Christopher T. Corbett, son of John and Lynn Corbett, 326 W. State, St., Johnstown, was named to the Dean's List at the University of Notre Dame for outstanding scholarship during the fall semester.

The Dean's List is comprised of a select group of students who succeeded in maintaining a scholastic average of 3.4 and above during the past semester.

Corbett, a 1990 graduate of Johnstown High School, is a senior in the University's College of Business Administration majoring in accounting.

Congratulations!!

Christopher is the Grandson of Alvin Brant and Orla Moses
and son of John and Lynn Corbett (Brant)
Grand Nephew of Evelyn Brant & Lorna Moses

to put their decorating skills
to work!!!

August 24, 1994

Dear Gardeners

Thank you for entering the 1994 Mohawk Fair Garden Competition held on August 4, 1994. Our judge this year was Jan Nightingale who works in horticulture for the Indian Agricultural Program of Ontario. Jan is a very enthusiastic gardener herself!

There were 14 gardens in the Adult Competition:

First	\$50.00	Mary Loft	53/60
Second	30.00	Lil Lefort	52/60
Third	20.00	Ella Claus	45/60
Fourth	10.00 each with a minimum of		30/60

There were 2 entries in the Junior Competition (13-18 years.):

First	\$50.00	Nicole Loft	44/60
Second	\$30.00	Jessica Loft	40/60

There were 2 entries in the Junior Competition (age 12 and under):

First	\$50.00	Ian & Mallory Maracle	41/60
Second	\$30.00	Jessie & Tim Hill	35/60

To be eligible to receive your prize money for this competition, adults must be a paid member of the Mohawk Agricultural Society and exhibit produce at the 1994 Fair, September 9, 10, and 11th. Juniors must exhibit a minimum of four vegetables. Please consult your prize list for further information or call me at 967-1129.

Yours truly

Marilyn A. Brant
Director

TUNE IN

On Air at the Fair

Mohawk Fair Weekend, Sept. 9,10,11..

A WORKING COMMITTEE OF TYENDINAGA TERRITORY COMMUNITY MEMBERS HAS TAKEN ON THE CHALLENGE OF ESTABLISHING A COMMUNITY RUN RADIO STATION. ONE OF THE COMMON GOALS FOR THE STATION IS TO CONFORM ITS PROGRAMMING AROUND COMMUNITY-GENERATED IDEAS AND CONCERNS.

MISSION STATEMENT

The Tyendinaga Radio Station will also promote and provide:

- *KANIEN'KEHA:KA (MOHAWK) LANGUAGE, CULTURE AND TRADITIONS INFORMATION
- *A SOURCE OF NEWS/SPORTS/INFORMATION WHICH MAY BE OF INTEREST TO THE TYENDINAGA COMMUNITY
- *MUSICAL ENTERTAINMENT BY NATIVE AND NON-NATIVE ARTISTS IN VARIOUS MUSICAL STYLES
- *SUPPORT TYENDINAGA TERRITORY AND AREA TALENT

CKWE Radio will commence Sept. 9/94 and will continue to service the Tyendinaga Community for years to follow.

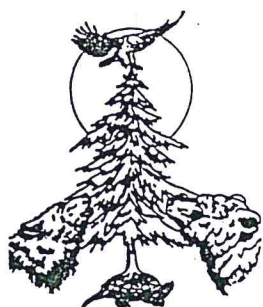

Mohawk Food Bank

The Mohawk Food Bank Committee will be having a booth at the Fair.

Here we will be accepting Food Donations and selling 50/50 tickets.

See you at the Fair!!!

Tyendinaga Pow Wow Committee

6TH PRIZE: Native Statue - **JOHN LAWS** of Ottawa

7TH PRIZE: Citrus Juicer - **TRAVIS MARACLE** of Deseronto

Congratulations to all our Prize Winners!

*Thank You
for Supporting our Annual PowWow*

ALL ONTARIO ABORIGINAL FASTBALL CHAMPIONSHIPS

The Mohawk Recreation Committee would like to thank all of the volunteers who came out and made the 1994 All Ontario Aboriginal Fastball Championships a great success. Without the support of the community the tournament would not have run as smooth as it did !

The Tyendinaga Women's team ended the tournament with a 4 & 2 record (Both losses were to the Six Nation's Native Daughters). Tyendinaga's first loss came on Saturday with a score of 6 to 3 for the Native Daughters. With a 45 minute break between games, the Tyendinaga team came back to beat the Moravian Delawares 5 to 3. Not done yet, Tyendinaga played it's third game in a row and beat the Alderville team 7 to 1 to go on to the semi-finals. Sunday, Tyendinaga once again faced the Six Nation's Native Daughters. In extra innings, the Native Daughters took the lead and finally won with a score of 4 to 3.

The Tyendinaga Women's team won third place in the All Ontario Tournament with the Native Daughters taking second, and the Ohsweken Selects capturing the first place title.

Tyendinaga had two men's teams vying for the Championships.

The Tyendinaga Jem's won their first game when the Chippewa's of the Thames were a no-show. In the Jem's second game they out hit the Oneida Ace's but came up short as the Aces won 2 to 1. In their third game the Jem's defeated Sagamok by a score of 12 to 1. Against the Moravian Delaware's, the Tyendiaga Jem's went 8 innings to be beaten 5 to 4.

The Tyendinaga Eagles, went undefeated until the Championship Game, putting up scores such as 8-0 and 10-0. The Eagles only loss came at the hands of the Six Nation's Yogi's when they beat them 5 to 2 in the finals. However, being a Double knock-out tournament, another game was necessary.

In the Final Game, with a score of 3-2 going into the 7th inning, Jeff Vanhooser, pitcher for the Eagles doubled with 1 out. Next Ted Maracle got a hit which allowed a run to score tying the game 3-3. Next up was Matt Green who double and scored Ted Maracle to give the Tyendinaga Eagles a 4-3 lead going into the bottom of the 7th. Jeff Vanhooser was brought in to relieve Barry Vanhooser, and Jeff struck out the first batter. The second batter for the Yogi's received a base on balls. Then, with some heads up catching, by Joe Maracle, when the third batter struck out, Joe threw the runner out going to second and ended the game.

The Tyendinaga Eagles finished first with the Six Nation's Yogi's second and the Oneida Aces third.

THANK YOU!

August 18, 1994

Lyle and I would to express our sincere gratitude to all our family and friends for their quick responses when Lyle was rushed to the hospital recently. We would especially like to thank Mike Brant for getting him there quickly and to CHR Kathy R. Brant for coming to our home to fill in the information in the "VIAL OF LIFE". When an emergency happens, so much time is wasted trying to remember certain things, like the Health card, what medications that person is taking and for what. That "vial" had everything in one place so the doctors could treat Lyle much quicker, which helped to save his life. Thanks again to all of you!

Shirley Leveen

THANK YOU

The family of the late Victor Brant would like to thank everyone for the lovely cards, donations made to the Christ Church Building Fund and the Heart and Stroke Foundation and for the many flowers that we received. We would also like to thank all the people that donated food during this time, it was greatly appreciated.

Also, the family wishes to thank the doctors and nurses at the Lennox and Addington Hospital and the Kingston General Hospital, especially the N.C.I. Unit, for all their help and support. We would also like to extend our heartfelt thanks to Rev. Harold Miller for his prayers and kind words when we needed them most.

We would like to thank the Loyal Orange Lodge #99 and the Legion Branch #280, and to all the other members from neighbouring branches that attended, for their services. Also, to the Ladies Auxiliary and the others that helped, the family would like to send their grateful appreciation for putting on a lovely luncheon after the funeral.

We would especially like to thank Mr. & Mrs. Larry McGlade for their help and guidance and Padre Sid Horne and Glendon Brant for a beautiful service and their prayers.

The family would also like to send special thanks to the Pall Bearers and the rest of our family for all their help, love and support during this time.

A Note of Thanks!

I would like to take this opportunity to express my sincere THANKS to my husband (Cubby), to my Family, all my Friends, community business persons, and my fellow church members and Pastor Russell Bates for all of your love, concern, and many prayers while I was ill. Also thank you for the many cheerful cards, lovely flowers, fruit baskets, hospital visits and most of all, your Love, kindness and support. It really makes a person feel good and glad to be a part of a community that "CARES". Again, Thank you All from the bottom of my heart.

May God Bless Each One

Ina M. Brant

Thank You!

Many Thanks to Everyone who sold tickets on the Bottle of Pickles, and to everyone who donated items, money and their time at the Yard Sale. To Everyone who donated money, prizes and all the help with the benefit Jam and Dance for Frank & Connie. We just can't say Thank You enough to all.

arrow vinyl
VINYL PLASTISOL COATING

10 YEAR
LIMITED WARRANTY

Easy to Assemble

- All parts are numbered, pre-cut, and pre-drilled for speedy, do-it-yourself assembly.

What An Exterior Vinyl Coating Means

- A vinyl plastisol coating is five times thicker than standard steel finishes.
- A grained finish increases resistance to scratches and abrasions.
- An exterior vinyl coating and interior backing paint is applied over a full coat of primer providing excellent steel protection against rust.

- The vinyl provides improved paint adhesion, increasing protection against rust-through at exposed edges.

- A 10 year limited warranty.

Engineered for Durability And Storage Convenience

- Mid-wall brace for greater all-around strength.
- Gabled style design complements most home styles.
- All steel frame parts are hot-dipped galvanized for durability.

- Roof, wall, and door panels are made of sturdy galvanized steel.

Smooth Sliding Doors

- Double-braced for extra strength.
- Deep track doors and large door glides for a smooth, non-slick fit.

10-YEAR LIMITED WARRANTY
Arrow Group Industries, Inc. warrants that this storage building will not fail due to rusting through of material for a period of ten years. We will replace any part found to be perforated by rust under normal use and service within that period. THIS WARRANTY IS LIMITED TO REPLACEMENT OF DEFECTIVE PARTS. For complete warranty information, write to Arrow.
