*Tyendinaga, as part of the Mohawk Nation, is a healthy, sustainable Kanyen'kehá:ka community, built on and united by our language, culture, traditions, knowledge, and history. We exercise our rights and responsibilities for the protection of and respect for our people, our land, our resources, and the environment.*

### NOTICES:

**EVENTS AND PROGRAMS: Please note that at this time, many MBQ events and programs have been cancelled, or postponed until further notice, due to COVID-19.**

**MORTGAGE HOLDERS** - It has come to our attention that many insurance companies will ONLY notify the MOHAWKS OF THE BAY OF QUINTE if your existing house insurance policy has been cancelled, but will NOT when the policy has been renewed. This creates a problem when incentives, rewrites and renovations are requested. You will not qualify if your house insurance policy on file is not up to date. In order to ensure your policy is current, we ask that you mail, fax or deliver renewal form when received.

**TOBACCO STRATEGY SURVEY:** Please visit our website or Facebook page, to find a link to the Tobacco Strategy Survey. If you cannot do the survey over the internet, you can also call the answers into Kayla at 613-885-2151.

The Mohawk Firefighters responded to 11 calls from February 24th to March 24th.

1	Medical Emergency	1	Alarm
2	Public Service Calls	1	Vehicle Accident
4	Fires	1	Leak/Spill
1	Medical Assistance		

This brings the total calls to 13 for 2020.

## COMMUNITY MESSAGES and ANNOUNCEMENTS

### Message from Chief and Council on COVID-19

Tyendinaga Mohawk Council would like to take this opportunity to thank everyone for their patience and understanding during these uncertain times as we take drastic measures in trying to keep you, our community, safe and informed.

Thank you to all of the staff and volunteers who are working over and above to keep our community safe.

We would also like to thank the community and those businesses who are taking the necessary steps to help combat COVID-19.

Finally, we cannot impress on everyone enough, it is extremely important that we all read the information coming out and to follow the advice.

The best way to keep our community safe, and slow the spread of COVID-19 is to stay home. This isn't the time to visit your friends and family. Call and let them know you love them.

If you need our services, please contact our offices and stay well.

Tyendinaga Mohawk Council

# Feeling Unwell?! Just Stay Home!!

**Do  
You  
Have**

- a **Fever?** (above 38 degrees C)
- a **New Cough?**
- Difficulty breathing?**

**MBQ HOUSING NOTICE**  
**COVID-19 Response Update**  
 March 20, 2020

Tyendinaga Mohawk Council (TMC) and the Mohawks of the Bay of Quinte (MBQ) Administration understand that the impact of the current pandemic can affect household finances, and to help our members who have been negatively impacted by COVID-19 we are announcing the following supportive measures.

Effective April 1, 2020 MBQ mortgage holders can request a deferral for mortgage payments for up to 6 months.

Effective April 1, 2020 MBQ tenants can request a deferral for rent payment for up to 3-months.

Effective April 1, 2020 MBQ will be adjusting the Emergency Loan Policy that will make accessing easier and available to anyone impacted by COVID-19.

Our goal is always to provide safe and affordable housing for our members, and we hope that the above programs will be able to provide our members the financial flexibility needed to get through these trying times.

Should you require access to the above supports please make your request in writing to Tom Kring, Sr. Manager of Housing & MBQ Property at [srhousingmanger@mbq-tmt.org](mailto:srhousingmanger@mbq-tmt.org)

If you have any questions, please refer to the Alternative Payment Arrangement FAQ and Emergency Loan Program Revision FAQ or by calling the Housing Office at 613-396-3424 ext. 148.

Thank you and stay safe.

Housing Team

**FULL BURN BAN IN EFFECT - NO OPEN AIR BURNING**

This has been put into effect at this time due to the COVID-19 State of Emergency and will remain in place until further notice. During this time of uncertainty, we are trying to reduce the number of unnecessary calls for our volunteer firemen. Volunteer firemen will continue to respond to all calls.

The only exception is for the purpose of boiling sap. Please remember to fully extinguish fire when you are done making syrup.

With **COVID-19** and social isolation affecting everyone at present, **Evolve Neurofeedback and Psychotherapy Clinic** has assessed what we believe is in the best interest of our clients and staff. We are not presently accepting any new clients for neurofeedback, or face-to face psychotherapy. However, mental health is important and we want to continue to provide the support to our clients that they require. **We are offering telephone or tele-video therapy sessions to existing and new clients.** Our tele-video sessions are secure and compliant with the Personal Health Information Protection Act (PHIPA/PIPEDA). Please contact us at **613.779.7757**, or [wellness@evolvefeedback.com](mailto:wellness@evolvefeedback.com) if you wish to set -up an appointment.

Andrew Alkenbrack & Team MA, Registered Psychotherapist, Neurofeedback Technician 525A Dundas St East, Belleville

**First Nations' individuals (with Status) are eligible for up to 22 hours of Psychotherapy every 12 months with a registered Service Provider (Evolve Psychotherapist) through Non-Insured Health Benefits (NIHB). NIHB Program operates as part of the mental wellness programs of Health Canada.**

### STATEMENT TO BUSINESSES ON THE TYENDINAGA MOHAWK TERRITORY

March 24, 2020 – The Tyendinaga Mohawk Council, in consultation with our Executive Team and the Community Health Nurse in Charge, are taking all of the necessary steps to protect our community against COVID-19. After reviewing the information available to us from the Ontario Medical Officer of Health we are asking all businesses on the Tyendinaga Mohawk Territory to examine your business activities and reflect on the following questions:

- Is my business an essential business?
- How can I do business differently?
- How do I protect my employees, my customers, my family and my community?

Please keep in mind that this is a disease spread by contact and not all people show symptoms. For the safety of our community we are asking businesses that choose to stay open at this time to take extra precautions for the safety of themselves, their employees, customers and community. Below are some suggestions that should be implemented if you as a business owner decide to stay open:

- have hand sanitizer available at the doors and/or counter areas for customer's use;
- increase sanitizing of common areas;
- employees to sanitize high traffic areas every half hour;
- reduce the number of customers that come in to the store at one time;
- respect the 2 m social distancing/physical distancing;
- provide disposable gloves for staff who are touching money;
- only take payments via debit, credit or e-transfer;
- reduce operating hours;
- use only the drive thru portion of your business;
- create a walk up window for customers; and
- take orders on-line or over the phone and deliver to the car.

As you are aware, we have a number of vulnerable people in our community. We are asking you to help us protect them. Together, by each of us sharing responsibility and taking the necessary precautions, we will be doing our part for the safety of our community.

## News from the Ohahase Education Centre

She:kon sewakwekon ..... we send greetings and thanks

We are living in strange and precarious times – in so many ways and having so many effects – and we wish to assure you that the Ohahase Education Centre team is ready, willing, and able to continue serving you, as we have been, as you work towards your Ontario Secondary School Diploma.

Of course, we have some new protocols in place, which are being communicated with our learners, but we hope to carry on as close to usual as possible. This means learning activities are being created and shared with students, assessment and grading will continue, and reports will be generated. We are proud and humbled by our relationship with our learners, and we commit to continuing that relationship.

We will also plan for graduation in June. This year, we are anticipating a higher-than-usual class of graduates, and we will celebrate their achievements in a manner that is appropriate and fitting.

As we are a “band-controlled, private” school (as defined by the Ministry of Education and Indian Affairs), we can often make decisions that suit ours and our students’ needs and purposes. And so we shall. We will continue to do our work.

And if you always thought you’d like to get your grade 12, now is a good time to do so. We’re here to help.

skennen / peace

## Tyendinaga Elder's Lodge COVID-19 Response

The Housing & MBQ Property Department are committed to keeping our residents safe during the recent COVID-19 outbreak.

As a precautionary step to prevent the spread of COVID-19 and in consideration for the health and safety of our residents, staff, their families and the community, the following actions will be implemented as of March 16, 2020:

- All doors to the Tyendinaga Elders Lodge will be locked and all non-essential visitation to the Lodge will be suspended until further notice.
- Should you need to visit a family member or resident of the lodge please make access through their private entryway.
- All non-emergency maintenance, requests will be temporarily suspended until further notice.
- Request for repairs and maintenance will go through the Superintendent, who can be reached at [613]848-1315 or [leag@mbq-tmt.org](mailto:leag@mbq-tmt.org). Afterhours calls can also be forwarded to [613] 969-7140 from 4:30pm-8:30am as well.

If anyone is experiencing any feelings of isolation, or if you are unable to get out to get supplies and food, please call the CWC at [613]967-0122.

We apologize in advance for any inconvenience caused by the above precautions.

## BAY OF QUINTE SKYWAY BRIDGE 2020 Construction Season

Spring has sprung which means construction on the Bay of Quinte Skyway Bridge has started. The first segment of the bridge was complete on January 9th, 2020. This season started on March 2, 2020 with temporary lane closures until March 19, 2020 at which time the bridge was reduced to one lane. This long-term lane closure will remain in place for the remainder of 2020. Traffic is now being controlled by temporary traffic signals. This season the work will be completed on Segment "B" (north side of the centre section of the bridge). Again, this season will see the demolition of the deck, removal of girders, new bearings and girders, deck formwork, deck placement and new barrier walls. Construction for the 2020 season is scheduled to be complete in late December.

This past year also saw the renovation and completion of upgrades to the Airport Hanger. The airport hanger is over 100-years-old and was in need of some TLC. The renovations included the demolition and rebuilding of the back offices and meeting rooms, two new washrooms, new mechanical room, new garage bay, heating, electrical, garage doors, siding and grading.

The old band office built in 1955 as a school is scheduled for demolition this summer. Also being completed this season is the rehabilitation of the intersection of Highway 49 and York Road. The final works include, installation of curbs, final topsoil and seed application. Minimal traffic disruption is expected while this work is being completed.

For up to date information on the Skyway Bridge Rehabilitation Project please visit:

[hwy49quinteskyway.ca](http://hwy49quinteskyway.ca)

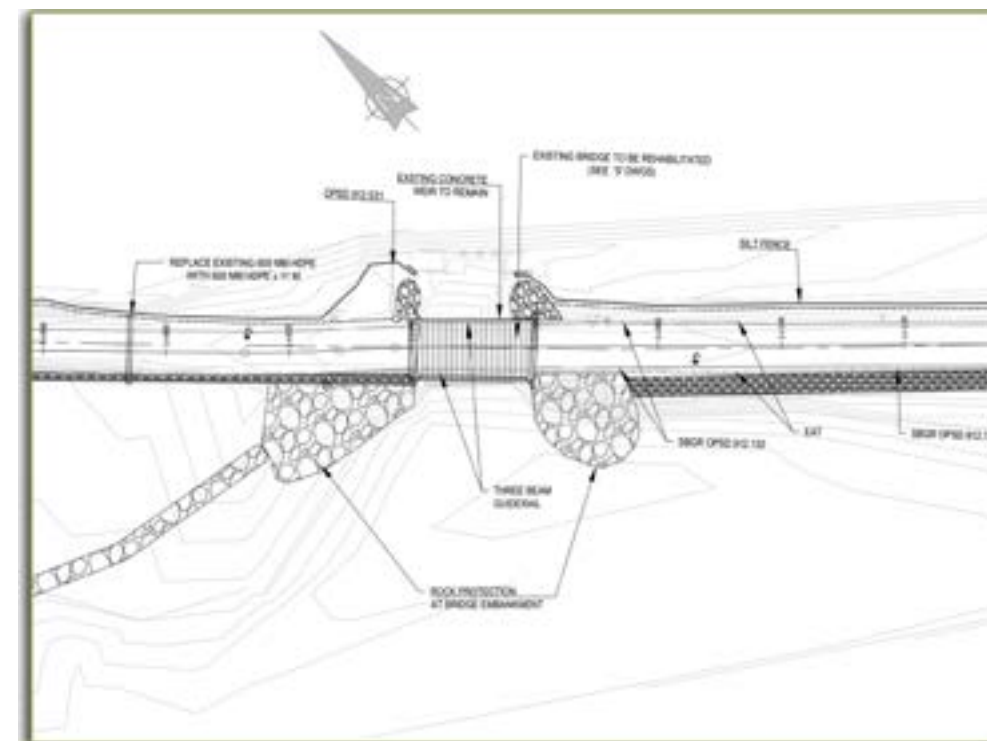

## BEACH ROAD REHABILITATION 2020 Construction Updates

**Shoreline upgrades including:**  
Sheetpile seawall with architectural concrete cap, rock slope protection, and armour stone break wall.

**Roadway improvements including:**  
Geogrid for soft spots, in-place processing of roadbed, granular grade raise, culvert replacements, guiderail, and paving.

**Structure rehabilitation including:**  
Concrete repairs, steel girder recoating, barrier replacement, rock protection, abutment refacing, and deck end armouring.

# Kanhiote Library

Events for April are cancelled until further notice, as the Library is closed. Please check the Kanhiote Library Facebook page for new updates as to when the Library will reopen.

**WEST NILE VIRUS** is spread through the bite of a mosquito. Anyone can get sick from the West Nile Virus, but the risk of serious illness increases with age. Symptoms can include; headaches, fever, sore neck, vomiting, muscle weakness and blurred vision.

**The West Nile Surveillance Program is being offered through Health Canada's monitoring program for testing.**

The CHR has been setting traps this season, which contains dry ice to entice and trap mosquitoes, which are submitted to the Entomogen INC., St. Catharines, ON. Each mosquito will be identified and analyzed for the West Nile Virus. This program has been conducting the program since July and will be in effect until October 2018. There are 4 traps set at various locations of our Territory, as directed by Health Canada's programming. **Please ensure to educate your children, as these traps are set to ensure they are not disturbed, as they contain DRY ICE.**

## PROTECT YOURSELF FROM WEST NILE VIRUS

- \* Avoiding mosquito bites is your first line of defense
- \* Use mosquito repellent that contains DEET or other approved ingredients
- \* Wear light-coloured, loose-fitting clothing
- \* Wear long sleeved shirts, long pants and a hat for camping, hunting or going into wooded or swampy areas.
- \* Make sure doors and window screens are in good shape
- \* When outdoors, place mosquito netting over strollers and playpens
- \* Take extra precautions when mosquitoes are most active; in the early morning and in the evening

## CLEAN UP ALL STANDING WATER

- \* Mosquitoes can breed in even a small amount of standing water
- \* Get rid of standing water around your house
- \* Empty water from old tires, flower pots, rain barrels lids, toys and other out-door objects
- \* Store large outdoor items like canoes, wheelbarrows and wading pools upside down
- \* Replace water in outdoor pet dishes and other containers every other day

## BIRD SURVEILLANCE PROGRAM

This program is being held in conjunction with Health Canada.

We are asking the communities participation in this program, by reporting sightings of suspicious deaths of **Crows, Ravens, and Blue Jays**. These birds can be submitted for testing of the WNV. If the bird is in good condition upon finding and has not started to decay, please contact The Community WellBeing Centre to report findings. The CHR will then conduct an inspection and prepare for submission to the Canadian Cooperative Wildlife Health Centre, Guelph, ON.

## Other Species of Birds and Animals

CCWHC also carries out a surveillance program for diseases other than WNV in all species of wildlife. If you find the following specimens they may be submitted for an autopsy; any water fowl, ducks, geese etc. Raptorial birds (hawks, owls, etc).

*If other suspicious animals are found please contact The Community WellBeing Centre for further instructions.*

**If you have any questions regarding WNV, please contact Crystal Maracle, CHR at the Community WellBeing Centre at 613-967-3603**

## Federal Indian Day School Class Action Updates

March 22, 2020

### !!ATTENTION SURVIVORS!!

Important Update from the Administrator in response to COVID-19:

Please note that the claims processing centre continues to operate.

However, the Administrator currently cannot receive mail due to a delivery disruption. We do not know how long this situation will last.

Therefore, until further notice, claimants are encouraged to submit their claims by email to [indiandayschools@deloitte.ca](mailto:indiandayschools@deloitte.ca) or by fax to 416-366-1102 if possible.

March 10, 2020

### Your Registration Form is Not Your Claim Form

Survivors have been asking why information provided during the registration form process must be provided again with Claim Forms.

The registration form is independent from the claims process. Registration forms were only used to include Survivors within the class action as part of the opt-in process.

All Survivors are encouraged to complete a Claim Form for compensation and provide as much information as possible, including the narrative and any supporting documentation to verify level of compensation.

Or by typing the following in the search bar, <https://indiandayschools.com/en/wp-content/uploads/indian-day-schools-claim-form-en.pdf>

If you have any questions or require support through the claims process, please call the Claims Administrator at [1-888-221-2898](tel:1-888-221-2898).

February 21, 2020

### SCAM ALERT: Do Not Give Out Your Banking Information

We are hearing that Survivors are being contacted by individuals posing as representatives from Gowling or Deloitte and asking for Survivors' banking information. This is a scam.

Gowling and Deloitte are not asking for and do not need this information from you. In respect of the Indian Day School Claims Process, do not give out your personal banking information.

If you have any questions at all about compensation, please call Deloitte, the Claims Administrator, directly: [1 \(888\) 221-2898](tel:1(888)221-2898).

**For Questions or Assistance your local Community contact is Tracey Gazley at 613-922-3617 OR [greatblueheronconsulting@gmail.com](mailto:greatblueheronconsulting@gmail.com)**

## What is LYME DISEASE?

### **LYME DISEASE is a serious illness spread by the bite of certain species of TICKS.**

Ticks are insect-like in appearance and feed on the blood of animals, including humans.

For most Canadians, the risk is fairly low however, it is still possible if you spend time outdoors.

Exposure to **LYME Disease**, however, it is still important to keep your risk as low as possible. The bacterium that a tick may carry is called **Borrelia burgdoferi**. This is normally carried by mice, squirrels, birds and other small animals. The Black-legged tick (often called the deer tick) can be found in southern and eastern Ontario. They can vary in size from 3-5 mm in length and may be red and brown in colour depending on the age of the tick. Adults full of blood can be big as a grape.

#### **Minimizing your Risk:**

- Wear light coloured clothing
- Tuck your shirts and pants inside (this prevents ticks attaching to the skin)
- Wear shoes, not sandals
- Spray clothing and exposed skin with insect repellent that contains DEET
- Check yourself thoroughly after any outdoor activity
- Check your pets as TICKS can easily attach themselves at any time and anywhere.

#### **IF YOU FIND A TICK:**

- Use tweezers to remove it. Grasp the tick's head and mouth parts as close to your skin as possible and pull slowly until the tick is removed. Be careful not to twist or crush the tick during removal. After removing, use soap and water to wash the spot (you may disinfect with alcohol).
- Save the tick (from humans only) if possible, put into a small pill bottle or in a doubled zip locked bag. Contact the CHR's at the Community WellBeing Centre to be sent for analyzing.

**If you develop a rash or any other symptoms, consult your physician!**

**For more information, please call the Community Well Being Centre, 613-967-3603**

- **For additional information on Ticks and Lyme Disease, [www.hc.sc.gc.ca/iyh-vsv/index\\_e.html](http://www.hc.sc.gc.ca/iyh-vsv/index_e.html)**

DEBT SOLUTIONS

Professional debt consultant.  
Working for you.  
Saving you time and money.

# THIS IS WHERE IT STARTS.

It takes time, commitment, a good idea, the right personality, and business skills to start and run a small business successfully. Start by speaking to the professionals at Trenval where you can get access to a wide range of business supports from people who know rural business like no one else, including free business advice and counselling, help writing your business plan, securing financing and much more. Start exploring your small business options like over 2,000 other businesses we have helped.

[www.trenval.ca](http://www.trenval.ca)

A Service Canada representative will be available for a pension clinic and/or to create a My Service Account (\*\*private individual appointments\*\*)

- Complete your pension application (Old Age Security, Canada Pension Plan, GIS) or Allowance and Allowance for the survivor

**\*\*\*NEW\*\*\***

- Create your own My Service Account with a Service Canada Representative

Why create a My Service Account?

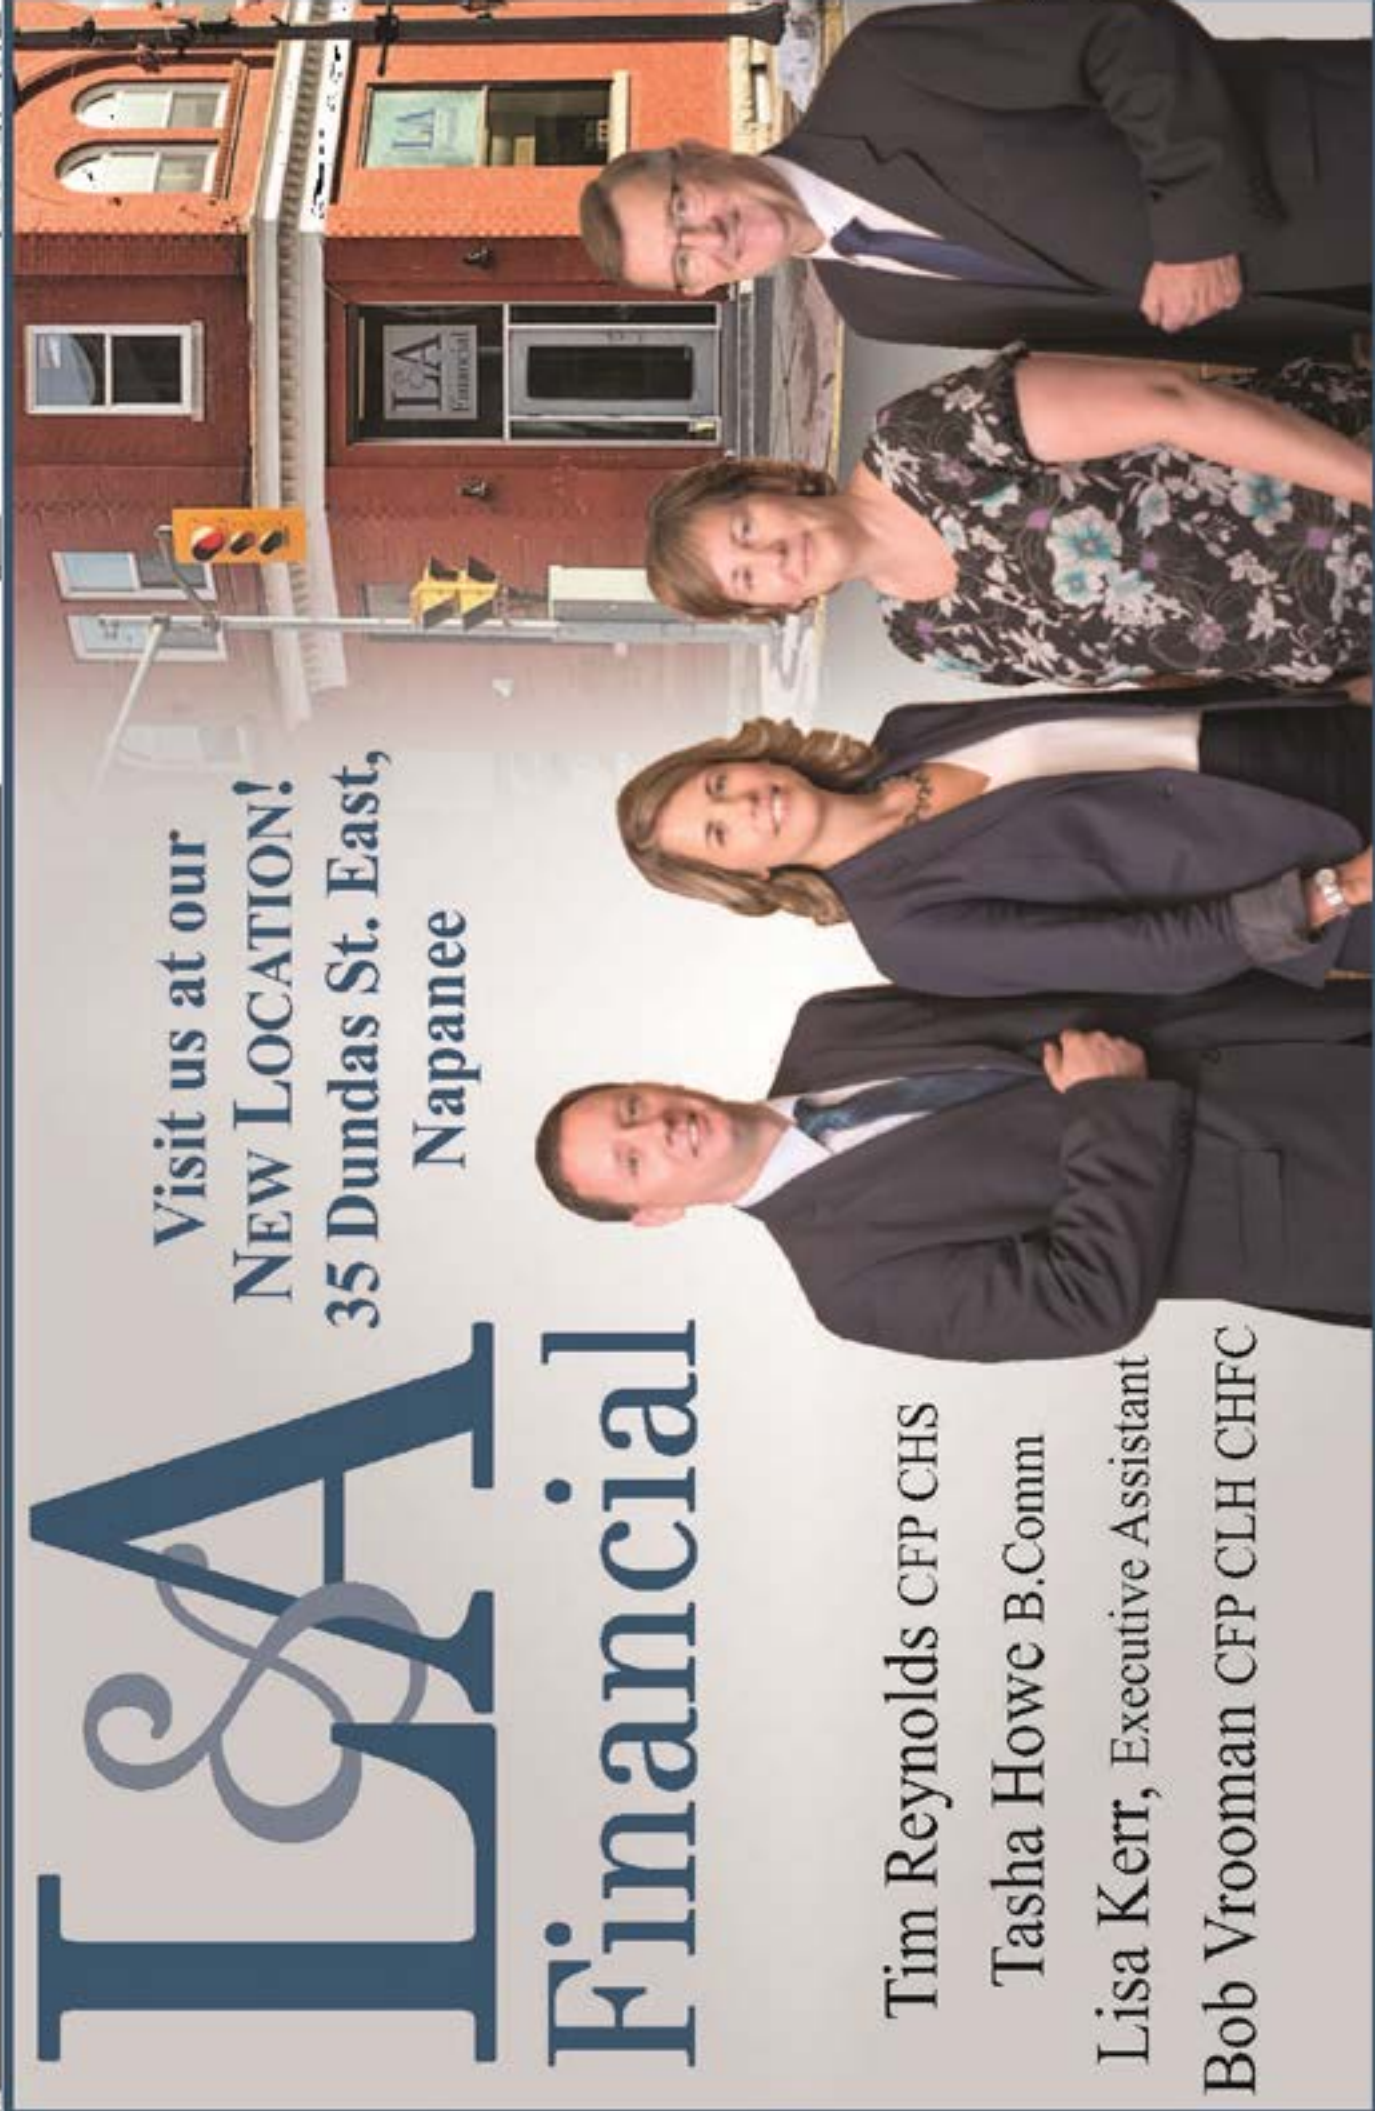

Example of services:

- View your CPP Contributions or get an estimate of your monthly benefits
- View your CPP or OAS application status and payment information
- View and print your tax slips (T4A, NR4)
- Share your direct deposit information between CPP and the Canada Revenue Agency (CRA)
- View and change your personal information with CPP or OAS (mailing address, direct deposit and/or telephone number)
- Start, change or stop federal voluntary tax deductions from CPP and OAS
- Give consent for someone to communicate with CPP / OAS on your behalf
- \*\*\*Access your Canada Revenue Account in a secure portal that lets you view your personal income tax and benefit information\*\*\*

**When: April 30<sup>th</sup>, 2020 with appointments starting at 9:30am**

**Where: Community Wellbeing- Social Side**

Please call Patty at Home Support 613-967-0122 ext. 141 to sign up.
