

**My name is
Carl (Ted) Maracle and I
am seeking your support for
re-election to the position of
Councillor of the
Mohawks of the Bay of
Quinte.**

I continue to believe in and work towards:

Healthy community: a safe, respectful and wonderful place that this and our future generations will be proud of.

Healthy Work Environment: one in which every staff member is treated in a fair and consistent manner, encouraged, held accountable and supported to maintain or upgrade their skills which will enable them to deliver service to you with excellence.

Transparency/Accountability: keeping you informed regularly of all funding and spending issues, policy and program updates.

Engaging the Community: continuously seeking the community input through committees, public meetings or other forums.

Employment: creating jobs and training opportunities.

Education: continuously encouraging, helping and assisting members in achieving their goals.

Integrity: always keeping my word and never promising anything more than to do my best.

Thank you to the community for the opportunity to have served as your councillor for the past five terms. I am asking for your continued support in this year's election.

There are many areas of concern such as the availability of affordable housing, clean/potable water, affordable utilities, enforceable bylaws, road repairs & extensions, education, health, recreation, employment, economic development opportunities, land claims, funding, etc. There are more issues than there are funds and we need to continue to be creative and responsible in addressing these issues in the most cost effective way.

I am determined to continue to serve you, our community, in an open, respectful, honest, fair and consistent manner.

My name is Carl (Ted) Maracle, I am the youngest of six children raised on Tyendinaga Mohawk Territory. I am married to Debbie, 41 years and father to two children; Melissa and Shalafae and have four grandchildren.

I was employed by the Mohawks of The Bay of Quinte for over 18 years as their in-house electrician before accepting a position November 2010 as an Electrical Inspector with the Electrical Safety Authority. For over 20 years I had been a volunteer member of the Tyendinaga Education Committee. Also I've been a member of the Mohawk Pentecostal Church for over 30 years and have served as a Board Member, Secretary/Treasurer, Sunday School Teacher, Youth Leader and as a Worship Leader. I have also served as a volunteer on many steering committees over the years and have been involved in policy developments or amendments through-out our communities programs and services.

On Dec. 4, 2021, I ask for your vote!
