### Claims Can Now Be Filed to the National Drinking Water Class Action

**March 9, 2022** – As of Monday, March 7, 2022, members of the Mohawks of the Bay of Quinte are able to make claims for compensation related to the National Drinking Water Class Action. This is a settlement between Canada and several First Nations and their members who were under long-term drinking water advisories from 1995 to 2021. The intention is to provide compensation for hardships related to being deprived of safe drinking water and certain, albeit rare injuries. For full details, on this settlement, please visit <https://firstnationsdrinkingwater.ca/>.

MBQ has been advised by Olthuis Kleer Townshend LLP that our members will have until March 7, 2023 to submit claims for compensation by answering questions on the Claims Administrator's website. A fillable claim form can be found by visiting <https://firstnationsdrinkingwater.ca/index.php/claim-forms/>. From there, claims can be emailed to [firstnationswater@deloitte.ca](mailto:firstnationswater@deloitte.ca), faxed to 647-738-5206 or mailed to:
