NOTICE:

Fire hydrants on Deseronto and MBQ's water distribution system will be flushed on

October 11th, 2022

Fire hydrant flushing is necessary in maintaining safe drinking water.

During this time frame water may be temporarily discoloured, which can possibly stain clothing along with change in water odour but poses no threat to public health. If this is noticed, please flush your household system (taps) until water is no longer discoloured (approx. 5 minutes).

Please contact Michael Brant at the Administration Office should you have any questions, 613-396-3424 ext. 109.

Nia;wen, MBQ Water Operators.
