Re: Highway 49 Part A: Bay of Quinte Skyway Bridge; and Part B: Intersection of Highway 49 and Old Highway 2  
MTO Contract 2017-4047  
Public Notification – **Full Mainline Night Closures**

To Whom It May Concern,

This letter is to notify you that there will be a **Full Mainline Night Closure** of Highway 49 at the Bay of Quinte Skyway Bridge from **9:00 PM on Tuesday, January 17, 2023 to 6:00 AM on Wednesday, January 18, 2023**. In case of poor weather conditions, the closure may be rescheduled to take place from **9:00 PM on Wednesday January 18, 2023, to 6:00 AM on Thursday January 19, 2023**. This closure is intended for the removal of temporary concrete barriers, temporary energy attenuators, and placing pavement markings to open the bridge to two lanes of traffic.

During these time periods the highway will be closed, and no traffic will be permitted to pass over the bridge. Please refer to the following website for the Glenora Ferry as an alternative route:  
<http://www.mto.gov.on.ca/english/ontario-511/ferries.shtml>.

Emergency Services are kindly requested to follow the protocol outlined with Aecon should they be required to cross the bridge during these times.

We apologize for any inconvenience this work may cause and appreciate your understanding.

The Contract Administration for the project is McIntosh Perry Consulting Engineers. Further inquiries can be forwarded to Communication Liaison Nancy Gourlay at 613-396-3424 ext.152 or the Contract Administrator Andy Wallace, who can be reached at 289-813-7201.
