

**MOHAWKS OF THE BAY OF QUINTE**  
**Notice of Project**  
**Bells Road and North Street Watermain Distribution**

---

MBQ has been approved for funding under the Infrastructure Canada Improvement Program (ICIP) for a new construction project to provide water servicing to Bells Road, as well as water and sanitary sewer service to North Street. This will commence with brush clearing in February/March. Further work, consisting of excavation, pipe installation, and restoration will commence in May, with completion projected by October of 2023. Some local traffic impact should be expected on North Street, as well as on Bells Road between Highway #2 and Slash Road.

Construction will be limited to during normal working hours on weekdays only to minimize disruptions to the community.

If you have any concerns during construction, please call **MBQ Construction Hotline: (613) 969-7174**

**For questions regarding this project please contact:**
