

Mohawks of the Bay of Quinte

WALLEYE REMAINS BINS

Traditional spearing season will soon be well underway!

MBQ will be offering walleye remains bins and encourage you to use them for proper disposal of the remains.

Update

Please note bins will only be located at the Waste Transfer Depot (580 Airport Rd) this year due to sanitary needs.

Many bins will be available at the Waste Transfer Depot starting April 5th, 2023

We look forward to the season! Nyá:wen

Please see further information below

Mohawks of the Bay of Quinte

Spring Harvest – Walleye Remains

Mohawks of the Bay of Quinte is happy to provide Rothsay bins for the collection and disposal of walleye fish remains during our traditional harvest season

Please dispose of your fish remains responsibly and help keep the bins clean

DO NOT include:

Paper

Plastic

Cardboard

Gloves

Garbage Bags

Anything other than walleye remains

Bins will not be accepted for disposal if products other than fish remains are found within!

If you have any questions, please contact the MBQ Environment Department
environment@mbq-tmt.org or 613-396-3424 ext. 125
