

IT'S THAT TIME AGAIN!!

Did you know the Aboriginal Labour Force Development Circle, Indigenous Labour Market Information (ILMI) surveys can be completed every year? If you haven't completed one in the past, click this link:

<https://secure.indigenouslmi.ca/survey/startsurvey.aspx?s=3670013>

This link does have a timeout period of **90**-minutes so your survey will need to be completed within that period.

For participants that completed a survey in early 2022 an 'email notification' will be sent to your email/junk mail to add any current information to your already **populated** survey. When you open and start the survey, you will have only **7** days to complete it!

All participants who complete or update a survey will receive a **\$50 GIFT CARD!**

WHO CAN COMPLETE A ILMI SURVEY:

MBQ Status members 15+ who live on or off the Territory or a Non-Indigenous person working for a business on the Territory.

For survey information or if your survey has expired within the time limit or if you would rather do the survey with Penny Choma, please call 613-209-0236 or email Lmi2@alfdc.on.ca
