

**MOHAWKS OF THE BAY OF QUINTE
WATERMAIN EXTENSION PROJECT**

**NOTIFICATION
UPCOMING SURVEY
WITH AERIAL DRONE**

TENTATIVE DATE OF SURVEY (weather dependent):

August 15th to 18th (Tue-Fri)

Some additional surveying may be required the week after
depending on weather

First Nations Engineering Services Ltd. was retained by MBQ to remotely survey with an aerial drone flying overhead to record topographical data points (surface elevation shots) as part of the watermain project. The survey is expected to fly over the following roads:

1. Industrial Road Vacant Land:

North of Old Hwy 2 between Burns Dr and Brant St

2. Upper Slash Road:

Between Milltown Rd and Norways Rd

3. S Eli Ln:

off of York Rd between Norways Rd and Meadow Dr

4. Johnsons Lane:

off of Airport Road between Gordon Rd and Seros Rd

5. N Church Lane:

off of Old Hwy 2 between Huron Brant Dr N and Clarence Rd

6. Clarence Road:

off of Old Hwy 2 between N Church Lane and Bells Rd

MBQ Community Coordinator Greg Brant. Mr. Brant
can be reached at: (613) 396-3424 ext. 159

Areas to be flown are shown with yellow and red lines
