Re: Highway 49 Part A: Bay of Quinte Skyway Bridge; and Part B:
Intersection of Highway 49 and Old Highway 2
MTO Contract 2017-4047
Public Notification – **Full Mainline Night Closures**

To Whom It May Concern,

This letter is to notify you that there will be a **Full Mainline Night Closure** of Highway 49 at the Bay of Quinte Skyway Bridge from **9:00 PM on Thursday, August 17, 2023 to 6:00 AM on Friday, August 18, 2023**. In case of poor weather conditions during the upcoming weeks, the closure may be rescheduled to take place from **9:00 PM on Monday, August 21, 2023 to 6:00 AM on Tuesday, August 22, 2023**.

This closure is intended for the implementation of staging configuration for Segment A Stage 2 work, which will consist of relocating temporary concrete barriers, temporary energy attenuators, placing temporary pavement markings, and flipping traffic to the east side of the bridge.

During these time periods the highway will be closed, and no traffic will be permitted to pass over the bridge. Please refer to the following website for the Glenora Ferry as an alternative route:

<http://www.mto.gov.on.ca/english/ontario-511/ferries.shtml>.

Emergency Services are kindly requested to follow the protocol outlined with GIP should they be required to cross the bridge during these times.

We apologize for any inconvenience this work may cause and appreciate your understanding.

The Contract Administration for the project is McIntosh Perry Consulting Engineers. Further inquiries can be forwarded to Communication Liaison Nancy Gourlay at 613-396-3424 ext.152 or the Contract Administrator Andy Wallace, who can be reached at 289-813-7201.
