# NOTICE:

A temporary bottle fill station card is available for use at the bottle fill station at  
**1384 Ridge Road**

Please feel free to use the card as needed and put back in the bag provided to protect the card from the elements for others to use as needed.

This card is required for mothers, expecting mothers, and babies in the community who need to access to potable water.  
This is an interim measure until further notice.

Please contact the Administration Office should you have any questions or if the card is missing, 613-396-3424, you can also contact the after-hours service if the office is closed.
