Continuing the "Family Name Series", let us introduce you to the Brant and Strong Brant Families

"Brant" as surname among MBQ

Testimony in the Draper Manuscripts state that there was a pair of brothers who were from the Delaware Nation. These brothers were Brant Brant and Peter Brant. They assisted the Fort Hunter Mohawks in 1777 in the move to Lachine. In 1784 a census was taken of the Fort Hunter community located near Lachine and there are Delawares there. They came with those who arrived at the Bay of Quinte in 1784.

Brant Brant died about 1804. He had no known family. Peter Brant aka Brant Koa was born about 1755 died about 1820. He was also a chief in the community. Peter Koa had 8 children. He had a son Chief Brant Brant and also a son Peter Brant. Both these men had sons that carried on the "Brant" surname among the Mohawks of the Bay of Quinte.

It is true that a son of Joseph Brant (Thayendanegea), Joseph Brant Jr., married a woman from MBQ, Margaret John. They only had daughters.

"Strong alias Brant"

There is another line of Brants that documents indicate were not really Brants at all.

Early church records mention a John Strong "(alias Brant)", a Jacob & Rachel Brant "(alias Strong)", and an Abraham Brant "or Strong".

It seems that there was a couple, Jacob & Rachel Strong, who took the name Brant.

Their sons, John and Seth, eventually used a middle initial "S" which probably stands for Strong. John S. Brant is in church records known also as John Strong. Seth S. Brant is in church records known also as Seth Strong.

There was probably another son who was Abram S. Brant. He is also in church records also known as Abram Strong.

Abram S. Brant in particular claimed that he was a Brant and related to "Captain Brant".

John W. Hill, descendant of Captain Isaac Hill, in letters dated 1856 was adamant that Abram S. Brant was not a Brant at all:

"Abe Brant may call himself Brant but his name is not Brant his name is Strong if you do not believe me ask Samuel Solmes Esq. he will tell you all about it."

Letter from John W. Hill to T. G. Anderson dated the 12th February 1856
LAC RG10 Volume 412 pp. 38-41 Reel C-9617

In a letter dated the 12th June 1856, John W. Hill stated about Abram Brant that:

"I knowed his Father and I know his mother but in no way related of Capt. Brant's family."

LAC RG10 Volume 412 pp. 51-53 Reel C-9617

In a document from 1837, "John Strong" and "Abram Strong" were listed as volunteers during the Upper Canada Rebellion. LAC RG10 Volume 67 pp.64198-201 Reel C-11023.

This line of Brants were never forced to give up the name Brant even though their original surname was Strong.

Tired of getting letters from CRA saying you owe tax on your exempt pension funds?

Stressed mentally and financially by having your Supplement lowered by Service Canada?

Upset due to having to fight this battle repeatedly?

The time has come for the Federal Government to bring about the necessary change to fix these issues for you and every Indigenous person in Canada.

Please consider taking the few minutes required to sign Parliamentary Petition e-4564 to help try and bring about the necessary changes.

The petition is asking for the Federal Government to authorize changes in the following 3 ways:

- 1) Update T4RIF tax slips to show income as tax-exempt
- 2) Register tax-exempt Canada Pension Plan (CPP) contributions as exempt when contributed
- 3) Update T4A (P) tax slips for CPP retirement benefits to illustrate tax-exempt payments

These changes, if made, will at least reduce if not eliminate, the number of reassessments being completed each year on Indigenous individuals. For some households they may also increase the amount of other benefits received.

The time has come for a change, help us by voicing your support through signing Parliamentary Petition e-4564! There is no minimum age for signing, any Canadian can sign!

Instructions for Signing Parliamentary Petition e-4564

The petition is asking for the Federal Government to fix the following issues for Indigenous individuals with tax-exempt pension income in retirement:

- 1) Update T4RIF slips to avoid individuals having their tax returns reassessed, which often results in tax payable, Guaranteed Income Supplement (GIS) and other benefits and tax credits clawed-back
- 2) Have Canada Pension Plan (CPP) contributions on tax-exempt income registered as tax-exempt as contributions are submitted for Indigenous individuals
- 3) Update the T4A (P) for CPP retirement benefits to clarify tax-exempt CPP income to avoid taxation of tax-exempt funds

Because these issues have not yet been addressed and fixed, retired Indigenous individuals are constantly having their tax returns reassessed, being asked for taxes that are not owed, and having much-needed benefits clawed-backed.

To sign this petition, go to <https://petitions.ourcommons.ca/en/Petition/Sign/e-4564> or Google “e-4564 petition”. There is no minimum age to sign, so any Canadian citizen can sign this petition.

Review the petition and then below it, fill in:

First and last name

Email Address & Phone Number

Province and Postal Code

Check the 3 boxes below and click the SIGN button

You will then receive an email a short time later asking you to click the link to confirm that it was you who signed the petition. You have now signed the petition!

Thanks in advance for your time and effort, and we hope this will move the Federal Government and Ministry of Finance to make these necessary changes to benefit all Indigenous Communities across Canada.

If you have any questions or issues with the petition or signing of it, please feel free to contact us directly at the number below.
