MBQ Water Department has been made aware of **unauthorized usage of fire hydrants** on the territory.

Fire hydrants are to be operated by **authorized personnel only**. Unauthorized use can impact **our fire and flow protection, as well as water storage levels**.

Improper operation of a fire hydrant can result in **valve failure, hydrant freezing, and other damage**.

If you suspect a hydrant is being used by an unauthorized individual, please contact the admin building to report.

From 8:30am-4:30pm at 613-396-3424 ext. 109

After 4:30pm: 613-969-7174

Thank you for your cooperation,

MBQ Water Department
