

MBQ COMMERCIAL GROCERY STORE

Tyendinaga Mohawk Council is developing a plan that will offer access to groceries through a corporate/chain retailer on-territory at locally competitive prices.

Information and data collection is important and a necessary part of the planning process and your input is needed. We are asking community members to complete this questionnaire so we can have some idea of the type of grocery store that would enhance and benefit community members.

This survey will take between 5-10 minutes to complete and check the boxes that apply to you and/or your family.

Please visit
<https://mbq-tmt.org/mbq-grocery-store/>
or scan the QR code below to complete the questionnaire.

Nyá:wen for your time and input.
