Conserve Water Use

A Level 1 Low Water Condition has been issued for the Quinte Conservation Watershed including the regions of the Moira, Napanee, and Salmon Rivers as well as all of Prince Edward County.

Low Water Condition
Level 1

MBQ is asking all residents to conserve water use by 10% and to refrain from non-essential

activities such as:

- Watering Grass
- Washing Cars
- Filling Pools

By working together and making small changes now, we can help protect our community's water supply.

Nya:wen, for doing your part!

We are Water Protectors, Caring for the water is part of our responsibility to the land and to future generations.
